

Mrs. Howard, of Napoleon Notoriety.

The following extract of a letter from a Baltimore Correspondent of the New Orleans Crescent, gives some interesting particulars of this celebrated woman: "The late marriage of the Emperor of France, and the putting away of Mrs. Howard, as she is called the former, mistress, has a peculiar interest here. This Mrs. Howard, is the daughter of a distinguished family in this city, but has long been considered by them as dead.—When young she was distinguished for her beauty and wit, as well as her extraordinary amorous propensities. She went to England, was introduced into the highest society there by a daughter of a Maryland family, who is now one of the brightest ornaments of the British nobility. There she was married to a titled gentleman, and after committing a number of indiscretions, and giving her friends an infinite degree of trouble and anxiety, finally irretrievably disgraced herself by eloping with a gay young officer. After being in succession the mistress of several noblemen, she attached herself to Louis Napoleon, with whom she has remained a number of years. A real affection is said to have existed between them, several children having been the fruit of their connection. Her banishment to England, and her rumored abstraction of important secret papers from the Emperor's private apartment, is the last phase in her eventful life. After her fall, finding her reclamation impossible, her friends here announced her dead, and even went through the ceremony of interring her supposed remains in Greenmount Cemetery, and to them she is, to all intents, morally, if not physically dead.

POISONING.

Thousands of Parents who use Vermifuge composed of Castor Oil, Calomel, &c., are not aware, that while they appear to benefit the patient, they are actually laying the foundation for a series of diseases, such as salivation, loss of sight, weakness, of limbs, &c. In another column will be found the advertisement of Hobensack's Medicines, to which we ask the attention of all directly interested in their own as well as their children's health. In Liver Complaints and all Disorders arising from those of a bilious type, should make use of the only genuine medicine, Hobensack's Liver Pills.

DR. J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Melick's Jewelry store, where he is fully prepared to treat the natural teeth, and also to insert incurable artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it frequently puts off until it is too late to save the tooth or teeth as it may be, otherwise this inconvenience and trouble of going so far—hence the necessity of obtaining the services of a dentist near home. All work warranted. April 28, 1853.

\$500 CHALLENGE.

Whatever concerns the happiness and health of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that worms, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote worms, and you should at once apply the remedy:—

Hobensack's Worm Syrup.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, & can be given to the most tender Infant with decided beneficial effect, where *Bowel Complaints and Diarrhea* have made them weak and debilitated, the Tonic properties of my Worm Syrup are such, that it stands with out an equal in the catalogue of medicines, in giving tone and strength to the Stomach which makes it an infallible remedy for those afflicted with *Despessia*, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

The Tape Worm!

This is the most difficult Worm to destroy of all that infest the human system. It grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach affecting the health so speedily as to cause St. Vitus Dance, Fits, &c. that those afflicted seldom if ever suspect that it is *Tape Worm* hastening them to an early grave. In order to destroy this Worm a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm which must be taken in doses of 2 Table spoons full 3 times a day, these directions followed, have never been known to fail in curing the most obstinate case of *Tape Worm*.

Hobensack's Liver Pills.

No part of man more liable to disease than the Liver, it serves as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver affects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c.—We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of Roots and Plants furnished by nature to heal the sick: Namely, *An Expectant*, which augments the secretion from the Pulmonary mucus membrane, or promotes the discharge of secreted matter. 2d, *An Alterative*, which charges in some explicable and insensible manner, the certain morbid action of the system. 3d, *A Tonic*, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, *A Cathartic*, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

To Patients.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their fractional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as head ache, giddiness, dimness of sight, pain in the side, back, &c. None genuine unless signed J. N. Hobensack, all others being base imitations. Agents wishing new supplies, and Store Keepers wishing to become Agents must address the Proprietor J. N. Hobensack No 120 N. Second st., Phila., Pa.

What can be got for Five Dollars!!

The undersigned have entered into an arrangement by which they agree to furnish the Knickerbocker Magazine, (monthly,) the Home Journal, (weekly,) and the Musical World and Times, (weekly,) to new subscribers, at the very moderate price of five dollars a year for the three publications; all orders, enclosing that amount to Dyer & Willis, will be promptly attended to.

SAMUEL HUERTON, Publisher of the Knickerbocker. **MORRIS & WILLIS,** Publishers of the Home Journal. **DYER & WILLIS,** Publishers of the Musical World and Times, 257 Broadway, New York.

Grand Literary and Artistic Combination.

Arrangements have been made to furnish the KNICKERBOCKER MAGAZINE, the HOME JOURNAL, and the NEW YORK MUSICAL WORLD and TIMES, to new subscribers, for five dollars a year! This is cheap literature, with a vengeance. The Knickerbocker is \$3 per annum; the Home Journal, \$2; and the Musical World and Times, \$5; making \$8 a year at the usual rates. That three such works can be obtained for five dollars a year, is a fact truly worthy the Calorie age, which is just now being ushered in. Of the Knickerbocker Magazine, edited by Lewis Gaylord Clark, it is unnecessary to speak.—For twenty years it has been the most general, humorous, and spicy "monthly" in the world; and the present volume will be better than any which preceded it. The Home Journal, edited by Geo. P. Morris, and N. P. Willis, is well known as the best family newspaper in America; and the Musical World and Times, edited by Richard Stuart Willis, with Lowell Mason, Geo. H. Curtis, Thomas Hastings, Wm. P. Bradbury, Geo. F. Root, and other musical writers contributing; and which gives, among other things, over \$25 worth of music and as full course of instruction in harmony annually, is the very best musical journal ever published. These three publications will post a family up in regard to nearly everything worth knowing—Art, Science, Literature, Music, Painting, Sculpture; Inventions, Discoveries; Wit, Humor, Fancy, Sentiment; the Newest Fashions and other attractions for Ladies; Choice New Music for the Sabbath, the Church, and the Fireside; Reviews and Criticisms of Musical Works, Performed and Performances; in short; the very pick and cream of Novelty, Incident, History, Biography, Art, Literature and Science; including whatever can be given in periodicals to promote Healthy Amusement and Solid Instruction in the family, and help to make it better, wiser, and happier, may be now obtained for five dollars. Address DYER & WILLIS, 257 Broadway.

Editors publishing the above three times, and sending the papers containing it to Dyer & Willis, will receive the three works named, for one year.

Work made to order at the shortest notice. His materials will be of the best quality, and as he employs none but good workmen, he hopes to receive a liberal share of public patronage.

His motto is "quick sales and small profits." Call and see for yourselves.
