

Alleged Bribery.
J. B. Parker, Esq., Dr. Geo. Weiser and Charles Weaver, the latter one of the present Commissioners of Northumberland county, were arrested on Friday last, on a charge of attempting to bribe Christian Albert, one of the Commissioners of the same county, for the purpose of inducing him to give his official sanction towards a subscription of \$200,000 by the county of Northumberland to the stock of the Susquehanna Railroad Company.

The above paragraph originated in a communication in the Danville papers, but as we find it traveling the rounds, it is the merest act of justice to state, that this prosecution is utterly groundless, and originated in personal malevolence and in dishonorable efforts to create and excite hostility to the Susquehanna railroad.—The warrant was issued by a Rush township magistrate—which township, lying opposite to Danville, Mr. Parker, when in the Legislature, had prevented from becoming a part of Montour county—and contrary to established usage, required the defendants to be brought before himself and no other justice. Commissioner Albert was himself the only witness, yet the most searching and point blank interrogatories failed to elicit from this willing witness any testimony whatever to criminate the defendants, or even furnish grounds of suspicion against them, yet the justice held them in \$2,000, to appear and answer at the August Court in Sunbury. Some few Courts ago, bills of indictment were sent up against the same defendants, for the same alleged offence, and supported by the self-same testimony, but were promptly ignored by the Grand Jury for want of evidence.

—Some cowardly, anonymous correspondent of the New Berlin Times, makes similar insinuations against the Union County Commissioners, evidently with the design of reviving the exploded reputation excitement. A call was made at our last Court for the alleged briber and bribed to meet face to face in public, which they did in the presence of a large number of persons, but the accuser utterly failed to show any proof of the truth of the charge.—*Levinsburg Chronicle.*

POISONING.

Thousands of Parents who use Vermifuge composed of Castor Oil, Calomel, &c., are not aware, that while they appear to benefit the patient, they are actually laying the foundations for a series of diseases, such as salivation, loss of sight, weakness, of limbs, &c. In another column will be found the advertisement of HOBENSACK'S Medicines, to which we ask the attention of all directly interested in their own as well as their children's health. In Liver Complaints and all disorders arising from the use of bilitous toy, should make use of the only genuine medicine, HOBENSACK'S Liver Pills.

"Be not deceived," but ask for HOBENSACK'S Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. HOBENSACK, as none else are genuine.

DR. J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Melick's Jewelry store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

\$500 CHALLENGE.

Whatever concerns the happiness and health of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that worms according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually chargeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote worms, and you should at once apply the remedy:—

Hobensack's Worm Syrup.
An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, &c. can be given to the most tender Infant with decided beneficial effect, where *Duodenum* complaints and *Dyspepsia* have made them weak and debilitated, the Tonic properties of my Worm Syrup are such, that it stands with an equal in the catalogue of medicines, in giving tone and strength to the Stomach which makes it an infallible remedy for those afflicted with *Dyspepsia*, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

The Tape Worm!

This is the most difficult Worm to destroy of all that infest the human system. It grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach affecting the health so sadly as to cause St. Vitus Dance, Fits, &c. that those afflicted seldom if ever suspect that it is *Tape Worm* hastening them to an early grave. In order to destroy this Worm a very energetic treatment must be pursued. It would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm which must be taken in doses of 2 Table spoons full 3 times a day, these directions followed, have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills.

No part of man is more liable to disease than the Liver, it serving as a filter to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver affects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of *Roots and Plants* furnished by nature to heal the sick: Namely 1st, An *Expectorant*, which augments the secretion from the Pulmonary mucous membrane, or promotes the discharge of secreted matter. 2d, An *Alterative*, which changes in some explicable and insensible manner, the certain morbid action of the system. 3d, A Tonic, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A Cathartic, which acts in perfect harmony with the other ingredients, and makes the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

To Females.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their fractional arrangement to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as head ache, giddiness, dimness of sight, pain in the side, back, &c.

None genuine unless signed J. N. Hobensack, all others being base imitations. Agents wishing new supplies, and Store Keepers wishing to become Agents must address the Proprietor, J. N. Hobensack No 120 N. Second St. Phila., Pa.

What can be got for Five Dollars!

The undersigned have entered into an arrangement by which they agree to furnish the *Knickerbocker Magazine*, (monthly,) the *Home Journal*, (weekly,) and the *Musical World and Times*, (weekly,) to new subscribers, at the very moderate price of five dollars a year for the three publications; all orders, enclosing that amount to Dyer & Willis, will be promptly attended to.

Grand Literary and Artistic Combination.
Arrangements have been made to furnish the *KNICKERBOCKER MAGAZINE*, the *HOME JOURNAL*, and the *NEW YORK MUSICAL WORLD AND TIMES*, to new subscribers, for five dollars a year! This is cheap literature, with a vengeance. The *Knickerbocker* is \$3 per annum; the *Home Journal*, \$2; and the *Musical World and Times*, \$3; making \$8 a year at the usual rates. That three such works can be obtained for five dollars a year, is a fact truly worthy the Caloric age, which is just now being ushered in. Of the *Knickerbocker Magazine*, edited by Lewis Gaylord Clark, it is unnecessary to speak. For twenty years it has been the most genial, humorous, and spicy "monthly" in the world; and the present volume will be better than any which preceded it. The *Home Journal*, edited by Geo. P. Morris, and N. P. Willis, is well known as the best family newspaper in America; and the *Musical World and Times*, edited by Richard Storrs Willis, with Lowell Mason, Geo. H. Curtis, Thomas Hastings, Wm. P. Bradbury, Geo. F. Root, and other musical writers contributing; and which gives, among other things, over \$25 worth of music and a full course of instruction in harmony annually, is the very best musical journal ever published. These three publications will post a family up in regard to nearly everything worth knowing:—Art, Science, Literature, Music, Painting, Sculpture, Inventions, Discoveries, Wit, Humor, Poetry, Sentiment, the Newest Fashions and other attractions for Ladies; Choice New Music for the Sabbath, the Church, and the Fireside; Reviews and Criticisms of Musical Works, Performances and Performances; in short; the very pick and cream of Novelty, Incident, History, Biography, Art, Literature and Science; including whatever can be given in periodicals to promote Healthy Amusement and Solid Instruction in the family, and help to make it better, wiser, and happier, may be now obtained for five dollars. Address DYER & WILLIS, 257 Broadway.

—Editors publishing the above three times, and sending the papers containing it to Dyer & Willis, will receive the three works named, for one year.

Work made to order at the shortest notice. His materials will be of the best quality, and as he employs none but good workmen, he hopes to receive a liberal share of public patronage.
