LUMBER TRACT AND SAW MILL AT PUBLIC SALE.

The subscribers will sell at public sale in Stoddardsville, Luzerne County, on

Wednesday, Sept. 21, 1853, next,

A Valuable Lumber Tract,

containing nearly Five Hundreds Acres of land. The tract is known as "Reading's," being the same on which George Linton has operated for years, and adjoins lands of Henry W. Drinker David Thomas, Missell & Brown, and others, on which there is erected a good

SAW MILL,

Dwelling House,

and Out Buildings, and every thing convenient for the manufacture of Lumber. This tract is favorably located, being near the Drinker Turnpike, which secures a retail trade for all the Lumber which can be made, at much better profits than can be realized by selling by the wholesale, and with much less expense and risk. This would be a favorable location for a Leather Manufactory, having a good Water Power, and situated in a heavy Menlock country. The Lackawanna and Delaware Water Gap Railroad, which is now under contract, passes within four or five miles of it, which, when finished, will make a cheap and quick conveyance to market, being only a few hours' ride from New York. Any persons wishing to examine the property can do so by calling on Joseph McNeil, residing thereon.

The sale will commence at 12 o'clock, M., when conditions will be made known, and attendance given by

VOLUME IX OF THE SCIENTIFIC AMERICAN commences on the 17th of September. It is chiefly devoted to the advancement of the interests of Mechanics, Inventors, Manufacturers, and Farmers, by the diffusion of useful knowledge upon these important branches. It is edited by men practically skilled in the arts and sciences, and is widely regarded as a sound and able journal. Nearly all the VALUABLE PATENTS which issue weekly from the PATENT OFFICE are ILLUSTRATED WITH ENGRAVINGS, and the CLAIMS of all the PATENTS are published in its columns; thus making the paper a perfect SCIENTIFIC and MECHANICAL ENCYCLOPEDIA for the future as well as present reference. The SCIENTIFIC AMERICAN is very extensively circulated—its circulation in the last volume exceeding 18,000 copies per week. It is in form for binding; each volume contains SEVERAL HUNDRED ENGRAVINGS and over FOUR HUNDRED PAGES of Reading Matter, with an Index. The machinery is new and in complete running order; the whole is propelled by a twenty foot overshoot wheel, and the stream no which this Mill is situated is a never failing one. The wheel can be raised to thirty feet if desired. There are also four other water powers on the property, with from twenty to thirty feet fall. DR. J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Melick's Jewelry store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

What can be got for Five Dollars!!

The undersigned have entered into an arrangement by which they agree to furnish the Knickerbocker Magazine, (monthly,) the Home Journal, (weekly,) and the Musical World and Times, (weekly,) to new subscribers, at the very moderate price of five dollars a year for the three publications; all orders, enclosing that amount to Dyer & Willis, will be promptly attended to.

Grand Literary and Artistic Combination.

Arrangements have been made to furnish the Knickerbocker Magazine, the Home Journal, and the New York Musical World and Times, to new subscribers, for five dollars a year! This is cheap literature, with a vengeance. The Knickerbocker is \$3 per annum; the Home Journal, \$2; and the Musical World and Times, \$3; making \$8 a year at the usual rates. That three such works can be obtained for five dollars a year, is a fact truly worthy the notice of the age, which is just now being ushered in. Of the Knickerbocker Magazine, edited by Lewis Gaylord Clark, it is unnecessary to speak. For twenty years it has been the most general, humorous, and spicy "monthly" in the world; and the present volume will be better than any which preceded it. The Home Journal, edited by Geo. P. Morris, and N. P. Willis, is well known as the best family newspaper in America; and the Musical World and Times, edited by Richard Storrs Willis, with Lowell Mason, Geo. H. Curtis, Thomas Hastings, Wm. P. Bradbury, Geo. F. Root, and other musical writers contributing; and which gives, among other things, over \$25 worth of music and a full course of instruction in harmony annually, is the very best musical journal ever published. These three publications will post a family up in regard to nearly everything worth knowing:—Art, Science, Literature; Music, Painting, Sculpture; Inventions, Discoveries; Wit, Humor, Fancy, Sentiment; the Newest Fashions and other attractions for Ladies; Choice New Music for the Sabbath, the Church, and the Fireside; Reviews and Criticisms of Musical Works, Performances and Performers; in short; the very pick and cream of Novelty, Incident, History, Biography, Art, Literature and Science; including whatever can be given in periodicals to promote Healthy Amusement and Solid Instruction in the family, and help to make it better, wiser, and happier, may be now obtained for five dollars. Address DYER & WILLIS, 257 Broadway.

Editors publishing the above three times, and sending the papers containing it to Dyer & Willis, will receive the three works named, for one year.

SADDLE AND HARNESS MANUFACTORY.

The undersigned having located himself in the borough of Stroudsburg, at the old Saddle and Harness stand of Jas. N. Durling, on Walnut street, opposite the Washington Hotel, would inform the public that he will keep constantly on hand a choice assortment of

and all other articles in his line of business, which he will dispose of upon very reasonable terms.

Work made to order at the shortest notice. His materials will be of the best quality, and as he employs none but good workmen, he hopes to receive a liberal share of public patronage.

His motto is "quick sales and small profits."

New Whole Sale and Retail WINE & LIQUOR STORE,

The undersigned would inform Landlords and the public generally, that they have just opened the above business in Stroudsburg, in the store house formerly occupied by John H. Melick as a Jewelry Store, and have on hand a large stock of

WINES AND LIQUORS

of all kinds and of the best quality, direct from the Custom House, which they are prepared to sell to Landlords and others on the most reasonable terms. Our stock consists of French Brandy, dark and pale. Also, Peach, Blackberry, Cinnamon and Cherry Brandy; Holland Gin, N. E. Rum; Irish, Rye and Apple Whiskey; Lisbon, Claret, Port, Sweet Malaga, Currant and Champagne Wine, &c. &c. Also, on hand a large stock of Bitters of all kinds.

Demijohns, from 1 to 5 gallons; bottles, and generally any thing that can be asked for in our line.

Landlords will find it greatly to their advantage to deal with us. We have no hired agents to sell and distribute liquors for us at great expense, which must be paid for by the consumer. Those dealing with us we intend shall be satisfied with the article they get, as well as the price, and whenever they are not, we will be pleased to have them return the liquor, and make the fact known, for we intend to make it a permanent business, and can only do so by dealing honorably. All orders sent us, by stage drivers or others, will be promptly attended to, the same as though the person was present dealing for himself.
