

LIVER COMPLAINT,

Jaundice, Dyspepsia, Chronic or Nervous Debility, Diseases of the Kidneys,

and all diseases arising from a disordered Liver or Stomach, such as a constipation, inward piles, fullness or blood to the head, acidity of the stomach, nausea, heartburn, disgust for food, fullness, or weight in the stomach, sour eructations, sinking or fluttering at the pit of the stomach, swimming of the head, hurried and difficult breathing, flatulence at the heart, choking or suffocating sensations when in a lying posture, dimness of vision, dots or webs before the sight, fever and dull pain in the head, deficiency of perspiration, yellowness of the skin & eyes, pain in the side, back, chest, limbs, &c., sudden flushes of heat, burning in the flesh, constant imaginations of evil and great depression of spirits, can be effectually cured by

Dr. Hoopland's celebrated German Bitters

PREPARED BY
Dr. C. M. Jackson,

at the German Medicine Store, 120 Arch st. Philadelphia. Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the treatment of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are vital, safe, certain and pleasant.

Read and be Convinced.

From the Boston Dec.
The editor said, Dec. 22nd—*Dr. Hoopland's celebrated German Bitters* for the cure of Liver complaint, jaundice, dyspepsia, chronic or nervous debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at my elbow says he has himself received an effectual and permanent cure of Liver complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength, and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"*Scour's Weekly*," one of the best Literary papers published, said, Aug. 25—
Dr. Hoopland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

More Evidence.

The Hon. C. D. Hineline, Mayor of the City of Camden, N. J., says:
Dr. Hoopland's German Bitters.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits.—From inquiry we were persuaded to use it, and must say we found it specific in its action upon disease of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing.

"If this medicine was more generally used we are satisfied there would be less sickness from the stomach, liver, and nervous system, the great majority of real and imaginary diseases emanating. Have them in a healthy condition, and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to female or infant with safety and reliable benefit at any time.

Look well to the marks of the genuine. They have the written signature of C. M. JACKSON upon the wrapper, and his name upon the bottle, without which they are spurious.

For sale Wholesale and Retail at the German Medicine Store, No. 120 Arch street, one door below 6th, Philadelphia; and by respectable Dealers generally through the country.

HORSES MADE SOUND BY THE
Horse Owner's Secret,
Being a new and certain remedy for the speedy
Cure of Heaves,
By **SIR JAMES LYNDONTON,**
Principal Farrier to his Royal Highness
Prince Albert.

THE great discovery contained in this little work procured Sir James his Baronetcy. It is really worth its weight in gold to all who own or use Horses. It procures a certain and positive cure for Heaves which any person can prepare. The remedy is better and cheaper than any advertised Heave Powder, and is perfectly safe, as any one can know who tries it. Horse owners know that many a valuable Horse loses half its price by this prevalent disease. The remedy prescribed in this work will cure him and increase his market value, besides relieving the poor beast of a horrible complaint, similar to the Asthma in a man. The public can depend on this work; it is no caliche penny humbug. The articles prescribed by Sir James are all cheap and can be had at any store. To prevent imposition the work will be sent in sealed envelopes. English price four shillings and three pence sterling—American price, \$1 per copy. Persons ordering Sir James' Work, are expected to confine his instructions to their own animals.—It will be sent to none others.

An American Horse Doctor approves of the above System! Read what he says:
APPELTON, Ohio, July 21, 1851
Mr. DUNBENTON—I have tried your Secret for the cure of Heaves, and approve of it very much. Yours truly,
