

The Jeffersonian. Thursday, February 16, 1854.

OPENING OF THE CANALS .- We learn that the Board of Canal Commissioners have given directions for the opening of the Canals on the first of March next, should the weather permit. This is highly important to the mercantile community, and especially to all who are engaged in the Spring trade.

Mr. Ovid F. Johnson, formerly Attorney General of the State of Pennsylvania, Delaware Railroad, and to stop the runand later one of the associate editors of the Washington Union, died at the almshouse in Washington, D. C. on the 10th inst.

10 John Silverthorne, a citizen of the whole train passed over him, cutting his body into three pieces. Ten cars were thrown off the track, and some cattle killed.

Col. FORNEY is now in the field for U. S. Senator from Pennsylvania, and an association is formed to urge his claims all over the State. So says the Washington correspondent of the Democratic Union at Harrisburg.

Election of a Whig Senator in Maine.

The Legislature of Maine made choice of Hon. W. P. Fessenden as United States Senator, to succeed J. W. Bradbury, whose term expired last session. Mr. State was Fessenden's majority was three in the Expenditures in keeping them

A singular petition is now before Congress. In 1847, Mrs. Elizabeth C. Smith of Missouri under the assumed name of Ben Newman, enlisted as a soldier in the Mexican war. She discharged her duties faithfully as a soldier for ten months, when her sex was discovered and she was discharged from service. She has since married, and now applies for her pay and bounty land, which she certainly ought to

Quite a destructive fire occurred at the town of London, in Madison county, Ohio, on Thursday morning last. About twenty buildings were destroyed, with a large portion of their contents.

Damage to Belvidere Railroad-On joint resolutions offered by him yesterday Wednesday night of last week a break in as follows:

the Morris Canal, near Easton caused such a flow of water as to wash away a to effect the passage of an act of Congress part of the embankment of the Belvidere to organize the territory of Nebraska, ning of cars for a day or so. The damage was repaired as speedily as possible, and the cars have since been running.

One of the Hail Storms.

Up in good Hope, Fayette County, O Belvidere, N. J. was killed on the Colum- hio, according to a note in the Statesman, bia Railroad, near Lancaster. Pa., on Fri- they had a hail storm on the late memoday last. In attempting to leave the cars, able 'storm Friday,' that may rank with while they were in motion, he fell and the number ones. The writer says :

'It was preceded by the most violent thundering for the space of one hour. The hail commenced falling about the size of quails' eggs. In a short time they reach- ed to transmit a copy of the foregoing resed the size of walnuts, and continued to olution to each of our Senators and Repincrease in size and quantity until they

were the size of a goose egg! The largest hailstones were not round, but partially flattened, with a great quantity of prominences. The roofs of houses were the United States Senate, as an open viostaved in, window glass broken, chickens. lation of the compact of the States. tirds, and turkeys killed, and a great many men crippled. We have had hail on the ground in some places four inches deep!"

Cost of the Public Works.

A Report made by the Auditor General and State Treasurer, in answer to a call of the legislature, states that the O. from his first wife and to legalize a sub riginal Cost of the Public Works of the sequent marriage was then taken up on

Pennsylvania Legislature.

HARRISBURG, Feb. 9. SENATE .- The speaker laid before the

Senate the annual report of the Institution for the education of the Deaf and Dumb Mr. Buckalew, from the Committee to whom the subject had been referred, re ported a bill appropriating the sum of \$3, 000 in aid of the Rosine Asssociation o Philadelphia.

Mr. Darise reported a bill to exempt coal and lumber passing over the Pennsylvania Railroad from the three mill ton-

nage tax. Mr Quiggle reported a bill erecting a new county, to be called Madison, out of parts of Allegheny, Butler, and Arm strong.

The Senate then, on motion of Mr. Kunkel, proceeded to the consideration of the

Whereas, Efforts are now being made with provisions allowing the existence of

involuntary servitude north of 36 deg. 30 min.; and whereas, in the judgement of the General Assembly of Pennsylvania the passage of such an act would be inexpedient, and a manifest violation of the Missouri Compromise, approved March 6,

A. D. 1820: therefore, Resolved, That the General Assembly of Pennsylvania earnestly and solemnly protest against the repeal of that section of the act of Congress for the admission

of Missouri into the Union as a State, which prohibits involvntary servitude north of 36 deg. 30 min.

Resolved, that the Governor be requestresentatives in Congress.

Mr. Kunkel advocated the resolutions in an able speech, and strongly condemed this feature of the bill now pending in

to raise his hand against a white man.-The Lynch Court decided that he should be burned at the stake. A Natchez paers taken up and passed finally. Sun- per, the Free Trader, giving an account

The negro was taken and chained to a tree, immediately on the banks of the A special message was received from Mississippi, on what is called Union-Point. Faggots were then collected and piled around him, to which he appeared quite road at Erie, and the disposition that had indifferent. When the work was completed, he was asked what he had to say. He then warned all to take example by him, and asked the prayers of all around. He then called for a drink of water, which was handed him; he drank it, and said: "Now set fire, I am ready to go in peace." The torches were lighted and placed in the pile, which was soon ignited. He watched, unmoved, the curling flame, that grew until it began to entwine itself around and fix upon his body, and then he sent forth cries of agony, painful to the with the rest of the passengers saved ear, begging some one to blow his brains out, at the same time struggling with almost superhuman strength, until the staple, with which the chain was fastened to the tree, (not being secured,) drew out, and he leaped from the burning pile. At that moment the ringing of several rifles were heard, and the body of the negro fell a corpse on the ground. He was picked up by some two or three, and again thrown into the fire, and consumed-not a vestige remaining to show that such a being ever existed. Nearly four thousand slaves collected from the plantations in the neighborhood to witness this scene. Numerous speeches were made by the magistrates and ministers of religion, to the large

concourse of slaves, warning them and telling them that the same fate awaited them if they should prove rebellious to their owners.
