Agricultural.

Big Head in Horses,

Cole, in his American Veterinavian thus speaks of this disease:

Young horses are more liable to this boards of commissioners; to procure patdiscuse than old ones. It does not seem outs for invention, at home and abroad. stock of horses, many are liable to be aftected before it can be eradicted. It is slow in its progress, but in its effects on those attacked, and in attacking others, in this way, it will sometimes remain on a place several years. Some say this disease the purchase and sale of loans, lands and of Boots and Shoes, among which are Call is cau ed by blind teeth, which should be patent rights in any state of the Union. | Congress Boots, Enameled Congress Boots, removed. English writers do not speak SAEDERE AND BLARINESS. of this disease. It is unknown in the Northern states. It prevails in the South and in some sections of the West. It is most prevalent in new countries, and usually attacks horses that run at large and live in the woods.

SIMPTONS .- The first appearence of the discuse is an enlargement of the front of the head, between the eyes and nostrils. This unnatural bulk continues to increase subjects. After the horse has been some time affected, the under jaw also begins to exhibit a like growth and distension .-Sometimes it exceeds the other in increase. At an early period, some, and a later period, other subjects, begin to languish and which he will dispose of upon very reasonalose their netivity and strength; the joints ble torus, grow stiff and unshapely, the back becomes week and unclastic, until he dies, or is killed to terminate his sufferings.

ment have been tried for the disorder, patronage. without success. The following has been attended with favorable results, when the disorder has been taken in season.

BLANK MORTGAGES For sale at this Office.

Whatever concerns the happiness and realth of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solmenly assure you that worms, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which hildren and adults are liable; if you have an appetite continually chargeable from one in the Stemach, Picking at the Nose, Hard-A line to Port Jervis, leaving ness and Fullness of the Belley, Dry Cough,

Hobensack's worm Syrup.

An article founded upon Scientific Princi-A line to Mauch Chunk, leaving ples, compounded with purely vegetable subdecided beneficial effect, where Bowel Complaints and Diarhaa have made them weak and debilitated, the Tonic properties of my Worm Syrup are such, that it stands with, which makes it an Infallible remedy for those afflicted with Despensia, the astonshing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

The Tape Worm!

This is the most difficult Worm to destroy of all that infest the human system .---It grows to an almost Indefinite length, becoming so coiled and fastened in the Intestines and Stomach affecting the health so sadly as to cause St. Vitus Dance, Fits,&r. that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm a very energetic treatment must be pursued. it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrop may act breet upon the Worm which must be taken a doses of 2 Table spoon's full 3 times a iar, these directions followed, have never been known to fail in caring the most obstrnate case of Tape Worm.

Hobensach's Liver Pills. No part of man is more liable to disease an the Liver, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver affects the other important parts The testimony in its favor is over of the system, and results variously, in Lavwhe ming. The proprietors are daily in er Complaint, Jaundice, Dyspepsia, &c .-action of the system. 3d, A Tonic, which Brooklyn, L. I. OFFICE TO PROCURE

Soldiers' Land Warrants. Bu a recent Act of Congress it is enacted. That each of the surviving, or the widow or minor children of deceased commissioned and noncommissioned officers, musicians, or privates, whether of regulars, volunteers, rangers or militia, who performed military services in any regiment, company or detachment in the service of the United States, in the war with Great Britian, declared by the United States on the eighteenth day of June 1812, or in any of the Indian wars since 1790 and each of the commissioned officers who was engaged in the military service of the and shall be entitled to lands as follows:

Those who engaged to serve twelve months or during the war, and actually served nine months, shall receive one hundred and sixty acres; and those who engaged to serve six months and actually served four months, shall receive eighty acres; and those who engaged to serve for any or an ndefinite period, and actually served one month, shall receive forty acres. Provided, hat wherever any officer or soldier was ionorably discharged in consequence of disability in the service, he shall receive the amount to which he would have been entitled if he had served the full period for which he had engaged to serve.

Under the above act, and the acts of Congress generally, the subscriber offers his services as agent to procure Land Warrants for those entitled to receive them, as above sperified. He may be found at his office in Stroudsburg. S. C. BURNETT.
