Guano.

The best way to apply guano to any crop, we repeat for the seventh time, is to sow it broad-cast, after breaking all the lumps, without any mixture, and plow it in, at the rate of 200 to 500 lbs per acre. Each 100 lbs will cost about \$3 on the land, and add five or ten bushels of grain to the product. If you cannot plow it in, mix it well with the soil by harrowing. If you plow a deep furrow for your row of corn and saw the guano in the bottom and cover it five or six inches by another furrow, it will do well. Take care that you never let it come in contact with seed or plant.

When corn is growing, you may plow in guano by the side of the rows. You may sow it upon growing wheat and harrow it to great advantage. You may sow it upon grass, and gain two dollars' worth of hay, for every one spent. Both on wheat and grass, and in all cases when used as top dressing, mix half a bushel of plaster with each cart, or make a compost with swamp marsh, charcoal, fine clay or loam. Use 200 pounds of Peruvian Guano to the acre, and you will find it equivalent to a fair dressing of stable manure.

Never mix lime or ashes with guano—never wet it before using—keep it dry, and it never loses strength. It produces the best effects upon poor sandy land, but it is good for any dry soil in need of manuring.

It is very valuable for garden vegetables, giving them great size and good flavor and producing no weeds. It is excellent for any lady's flower garden, but she must use it sparingly as our old aunt used to be of her tea, when she made it for her men and our boys; and if they are careful never to make it any stronger it will not kill their plants. A pinch of the size of the same old lady's pinch of Scotch snuff, dissolved in a tumbler of water and used on a potted plant, will make it start into life, like a May shower. Guano is sold in bags of 130 to 150 lbs. each.—N. Y. Tribune.

Asparagus Seed as a substitute for Coffee.

Asparagus seeds are thus recommended by a gardener as a substitute for coffee:—"Asparagus," he remarks, "contains, according to Liebig, in common with tea and coffee, a principle which he calls 'tannin,' and which he considers essential to the health of all who do not take exercise; this led me to think that asparagus might be made a good substitute for coffee. The young shoots which I first prepared, were not agreeable, having alkaline flavor. I then tried the ripe seeds; these roasted and ground, make a full-flavored coffee, not easily distinguishable from fine Mocha. The seeds are easily freed from the berries by drying them in a cool oven, and then rubbing them on a sieve." Try it, farmers.—Scientific American.

WHOLESALE BOOK AND STATIONARY HOUSE
IN NEW YORK
ON THE CASH PLAN:
EXTENSIVE SALES AND NO LOSSES.
Make it profitable to sell at very Low Prices.
MASON BROTHERS,
23 Park Row opposite the Astor House N. Y.
Offer one of the most extensive Stocks and complete assortments in the country of
BOOKS AND STATIONARY,
FOR CASH ONLY.

The Amount of goods in our line purchased by country merchants is usually quite small compared with their dry goods, hardware, and other bills, and this very circumstance absolutely compels jobbers in the book business, who sell on time, to get larger profits in order to make up for the losses and extra expenses necessarily involved in a credit business of small amounts. It is also easy for the merchant to make arrangements to buy his book bill for cash; though it might not be so convenient for him to purchase his larger bills in this way.

These considerations have led us to adopt in our business, from this date, January, 1854, the following principles, viz. SMALL PROFITS, UNVARYING PRICES AND TERMS ALWAYS CASH. Being ourselves the sole publishers of a number of the leading and most extensively selling School Books in the country, as well as works in other departments, our facilities are unsurpassed.

Call upon us, or send an order, and judge for yourselves, if the saving you can make by buying of us for cash is worth while.

Our location is very central, and easily found. Stand on the Astor house steps, and look straight forward across the corner of the Park, and you cannot avoid seeing our signs. **REMEMBER THE NAME IS MASON BROTHERS.**

Raising Blood

And Consumption, pain in the side and night sweats, Asthma, Whooping Cough, palpitation of the heart, Liver complaint, Bronchitis, and all diseases of the throat, lungs and liver cured by Sherman's All-Healing Balm.

Mr. Milne, Builder, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live.

Hearing of the wonderful cures performed by Sherman's Balm, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Maston, of Williamsburg living in Tenth, near South Fourth st., says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balm—which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupations as a teacher.

14 years Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balm, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

PLEURISY AND CONSUMPTION.

Mrs. Baggas, a lady upwards of 70, residing 88 Sheriff street, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friends believed past recovery. The All-Healing Balm relieved her at once of all her alarming symptoms, and now she is able to attend to her work.

HOBENSAK'S WORM SYRUP & LIVER PILLS. \$500 CHALLENGE.

Whatever concerns the happiness and health of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own duty at all sacrifices. I feel it to be my duty to solemnly assure you that worms, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually chargeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote worms, and you should at once apply the remedy—

Hobensack's Worm Syrup.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, & can be given to the most tender Infant with decided beneficial effect, where Bowel Complaints and Diarrhea have made them weak and debilitated, the Tonic properties of my Worm Syrup are such, that it stands with an equal in the catalogue of medicines, in giving tone and strength to the Stomach which makes it an infallible remedy for those afflicted with Despondency, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

The Tape Worm!

This is the most difficult Worm to destroy of all that infest the human system.—It grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach affecting the health so sadly as to cause St. Vitus Dance, Fits, &c. that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm which must be taken in doses of 2 Table spoon's full 3 times a day, these directions followed, have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills.

No part of man is more liable to disease than the Liver, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver affects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c.—We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of Roots and Plants furnished by nature to heal the sick; namely Ist, An Expectorant,
