

"Sambo, what ye tink 'bout de world cum' to an end dis year?"  
"Dar, go way nigger. You knows nuthin' 'tall 'bout it. How can dis world hab an end, when it be round?"

Ladies who have a disposition to punish their husbands, should bear to mind that a little sunshine will melt an icicle much quicker than a regular northeaster.

### "Man, know Thyself."

An Invaluable Book for 25 cents. "Every Family should have a Copy."  
100,000 Copies sold in less than a year.—A new edition, revised and improved, just issued.  
Dr. Hunter's Medical Manual and Hand Book for the Afflicted. Containing an outline of the origin, progress, treatment and cure of every form of disease contracted by promiscuous sexual intercourse, by self abuse or by sexual excess, with advice for their prevention, written in a familiar style, avoiding all medical technicalities, and every thing that would offend the ear of decency, with an outline of complaints incident to females, from the result of some twenty years' successful practice, exclusively devoted to the cure of diseases of a delicate or private nature.

To which is added receipts for the cure of the above diseases, and a treatise on the causes, symptoms and cure of the Fever and Ague.

Testimony of the Professor of Obstetrics in Penn. College, Philadelphia—"Dr. HUNTER'S MEDICAL MANUAL." The author of this work, unlike the majority of those who advertise to cure the diseases of which it treats is a graduate of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, or to the victim of malpractice, as a successful and experienced practitioner, in whose honor and integrity they may place the greatest confidence.

From A. Woodward, M. D., of Penn. University, Philadelphia—"It gives me pleasure to add my testimony to the professional ability of the Author of the 'Medical Manual.'" Numerous cases of Disease of the Genital Organs, some of them of long standing, have come under my notice, in which his skill has been manifest in restoring to perfect health, in some cases where the patient has been considered beyond medical aid. In the treatment of Seminal weakness, or disarrangement of the functions produced by self abuse or Excess of venery, I do not know his superior in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as kindness to the unfortunate victim of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves.

ALFRED WOODWARD, M. D.  
"This is, without exception, the most comprehensive and intelligible work published on the class of diseases of which it treats. Avoiding all technical terms, it addresses itself to the reason of its readers.—It is free from all objectionable matter, and no parent, however, lascivious, can object to placing it in the hands of his sons. The author has devoted many years to the treatment of the various complaints treated of, and with too little breath to puff, and too little presumption to impose, he has offered to the world, at the merely nominal price of 25 cents, the fruit of some twenty years' most successful practice."—Herald.

"No teacher or parent should be without the knowledge imparted in this invaluable work. It would save years of pain, mortification and sorrow to the youth under their charge."  
A Presbyterian clergyman in Ohio, writing of "Hunter's Medical Manual," says—"Thousands upon thousands of our youth, by evil example and influence of the passions, have been led into the habit of self-pollution, without realizing the sin and fearful consequences upon themselves and their posterity. The constitutions of thousands who are raising families have been enfeebled, if not broken down, and they do not know the cause or the cure. Anything that can be done to enlighten and influence the public mind as to check, and ultimately to remove this wide-spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generation. Intemperance (or the use of intoxicating drinks) though it has slain thousands upon thousands, is not a greater scourge to the human race. Accept my thanks on behalf of the afflicted, and, believe me, your co-worker in the good work you are so actively engaged in."

One copy (secretly enveloped) will be forwarded, free of postage, to any part of the United States for 25 cents, or six copies \$1. Address, (post paid) COSDEN & CO., Publishers, or Box 196, Philadelphia.

Booseillers, Canvasers and Book Agents supplied on the most liberal terms.

The undersigned respectfully announce to the Ladies of Stroudsburg, and the country generally, that they have established the above business, in the room formerly occupied by Wm. Dean, second door below the "Gothic Hall Drug Store," on Elizabeth street, where they have a full stock of every thing in their line of business. They have the latest Paris styles, and are prepared to display an assortment of rich goods that can hardly fail to challenge the admiration of all who make any pretension to taste and adornment. ### Hoe & Co's Patent Ground Saws.

The subscribers manufacture from the best cast steel, circular saws, from two inches to eight inches in diameter. Their Saws are hardened and tempered, and are ground and finished by machinery designed expressly for the purpose; and are therefore much superior to those ground in the usual manner, as they are strengthened and stiffened by increasing them in thickness regularly from the cutting edge to the centre, consequently do not become heated or buckled, and produce a great saving in timber.

They also manufacture Cast Steel Mill, Pit and Cross-Cut Saws, and Billet Wels, of superior quality, all of which they have for sale, or they may be obtained of the principal hardware merchants throughout the United States and Canada.

R. HOE & CO.,  
29 and 31 Gold-street.

### DR. J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Melick's Jewelry store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

June 1, 1854.

### TANNERY FOR SALE.
