The undersigned would inform Landlords and the public generally, that he continues the above business in Stroudsburg, in the store house formerly occupied by John H. Melick as a Jewelry Store, and has on hand a large stock of

WINE AND LIQUORS of all kinds and of the best quality, direct from the Custom House, which he is prepared to sell to Landlords and others on the most reasonable terms. Our stock consists of French Brandy, dark and pale. Also, Peach, Blackberry, Cinnamon and Cherry Brandy; Holland Gin, N. E. Demijohns, from 1/2 to 5 gallons; bottles, and generally any thing that can be asked for in our line.
 Landlords will find it greatly to their advantage to deal with me. I have no hired agents to sell and distribute liquors for me at great expense, which must be paid for by the consumer. Those dealing with me I intend shall be satisfied with the article they get, as well as the price, and whenever they are not, I will be pleased to have them return the liquor, and make the fact known, for I intend to make it a permanent business, and can only do so by dealing honorably. All orders sent me, by stage drivers or others, will be promptly attended to, the same as though the person was present dealing for himself.

Dean, second door below the "Gothic Hall Drug Store," on Elizabeth street, where they have a full stock of every thing in their line of business. They have the latest Paris styles, and are prepared to display an assortment of rich goods that can hardly fail to challenge the admiration of all who make any pretension to taste and adornment. Ample experience in the business induces them to cherish the expectation that their efforts to please will not be exerted in vain, more especially as they offer in the outset a stock of fashionable bonnets, and an assortment of tasteful decorations of exceeding beauty and attractiveness. The Ladies are respectfully invited to favor us with a call and examine our goods and workmanship.

DR. J. LANZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Melick's Jewelry store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a det. nisear home. All work warranted.

 Penn Medical University of Philadelphia.

The Fall Term of this new Medical School for Ladies, will commence on the first Monday in Oct'r, 1854, and continue four months.

The System of Teaching, here pursued, is entirely new, and is more comprehensive, thorough, liberal and practical, than that of any other Medical School in the country. It is based, as far as possible, upon the positive Sciences, consequently, free from all sects and dogmas. The branches of study are divided according to their natural order of succession, and taught in four progressive courses of four months each; there are two courses in each year, thus enabling the students to pass successively through all four courses within two years. By this arrangement the study is rendered easy, and possessed of daily increasing interest.

Ladies desiring a thoroughly scientific Medical Education, or any part particularly interesting them, have facilities here nowhere else to be found.
