# Agriculturel.

What has Woman to do with Agriculture? tor, Mrs. Josophine N. Dyer, of Galena, Grocerics, Hardware, Stoves, &c. In a late number of the Ohio Cultivawho appears to be every inch a woman, asks this question, and then answers if 10 the following convincing way :

In one of the early numbers of this breed of cows for the pail.

ape foreign aristocracy, it is almost without exception their objectionable practices that we as Americans, as individuals, are most ambitious to imitate. Their enervating luxuries, without their virtues -their extravagance, their livery, without their exercise and general information. It is nothing unusual, we are informed by tourists, for English ladies to invariably think it a hardship to be oblig- also Dry in barrels of 300 lbs. ed to walk one-fourth the distance.

yet, in their A B C's, and will never ad. other in the market. she need intrest herself about the best plied to non-or other metalic surfaces. ferent soils, or which will produce the most hay, and which the most pasture?

I know a woman, who twelve years ago, was left a widow with six small children in debt, upon a farm of one hundred a- portors, N. W. cor. 10th and Market sts., him, takes pleasure in retering them to the cres, fifty improved and indifferntly cul- Philadeiphia tivated. The fact forced itself upon hermind that she had something to do with sa gasag agriculture, and although she was as ignorant as farmers' wives generally, the went to work industriously to inform herself; for upon her efforts and her success depended the education it had always been her ambition to give her children. Her success was undoubted, and now she will tell you, if you ask her, what crop are most exhausting, and which least the jurious to land; she will explain the the standard of fertility-will tell you how she made her dairy prolitable, and why she finally exchanged her cows for sheep. I know several other instances where families similarly circumstanced have been broken up and scattered, because ble terms, the mother could not aftend to the farm If our own interest and the interest of our His materials will be of the best quality. hourds of commissioners: to procare pat- Congress Boots, Enameled Congress Boots, saved his life.
