Important to Postmasters and the Public.

In addition to the official notice of the Postmaster General on the subject, it may help to disseminate the information if we call special attention to the law, just pasend by Congress, modifying the rates of postage, &c., particularly to those provisious requiring that all letters between places in the United States shall be prepaid from and after the 1st of April, 1855, by stamps or otherwise; and that from and after the 1st of January next Postmasters must place postage stamps upon all prepaid letters upon which such stamps may not have been placed by the writers or which may not be enclosed in stamped

From and after the first of April, 1855, the postage to be charged on each single letter for any distance in the United States not exceeding three thousand miles is three cents, and over three thousand miles ten cents.

rates or regulations in regard to letters to or from Canada or other foreign countries, nor does it affect the franking priv-

The provisions in regard to the registration of valuable letters will be carried into effect, and special instructions issued to Postmasters on the subject as soon as the necessary blanks can be propared and distributed.
