Extraordinary Phenomenon.

A correspondent of the Missouri Dem. ocrat, writing from Arrow Rock, states that, on the morning of the 29th of Jannary last, there occured at that place an extraordinary phenomenon. It is de-

scribed as follows: rise, and increased in beauty and splen- general satisfaction. dor as that luminary ascended the skies, say, most respectfully, that, having the con- the largest and best assertment in our line to until having attained analtitude of about fidence, from many years experience, he can be found in this market. 40 deg. when it was perfect. At 102 o'clock excel, in all kinds of fashionable garment Philadelphia, March 15, 1855. A. M., the clouds dispersed and the phe- cutting; the goods to be as recommended; no nomenon passed away. Thus ended one of fading of colors, not rotten, but sound, wool occurred since the appearance of the great FRENCH AND ENGLISH BROAD This way for Good Conveyances. solar halos which occurred in September, CLOTHS, CASSIMERES and VEST-

Combat between an Alligator and a Gar. tice, if necessary.

The Mobile Tribune relates a fight which took place some time ago, in a quiet lake near Chectaw Bluff, between an alligator and a gar, in which the latter singular fish came off victorious, having chawed the leg and with his sharp teeth cut the throat of his antagonist. We are of the County of Pike, will be sold by the told the curious fact that the surface for subscribers at public vendue or out cry, at the a wide space around was covered with public house kept by Charles R. Peters, at and are fully prepared at all times to accomevery species of fish and a number of al- County of Pike, and State of Pennsylvania, ligators, all seemingly attracted by the on noise made by the combatants and spell- Saturday, the 7th day of April selves. bound in contemplating the conflict.
