S. M. KNIGHT, Atty. for Government's Claimants, Washington, D. C.
Continues to give prompt and personal attention to the prosecution of Claims of every description against the General Government, and particularly to those before the Treasury Department, Pension and Bounty-Land Bureaus, Patent and General Land Offices, and Board of Claims.
An experience of years, and a familiarity with the means of obtaining the earliest and most favorable action on claims, with his facilities for the despatch of business, justify him in assuring his Correspondents, Claimants and the Public generally, that interests entrusted to his keeping will not be neglected.
Pension, Bounty Land, Patent, and Public Land Laws.
He has nearly ready for gratuitous distribution among his business Correspondents, (and those who may be so,) a neat pamphlet containing a synopsis of the existing Pension, Bounty Land, Patent, and Public Land Laws, down to the end of the late Congress—including the
Bounty-Land Act of 3d March, 1855.
under which all who have heretofore received less than 160 acres are now entitled to additional land; said Act grants also 100 acres to all officers, Non-commissioned Officers, Chaplains, Soldiers, Wagon Masters, Teamsters, and friendly Indians, of the Army, including State Troops, Volunteers, and Militia—and all Officers, Seamen, Ordinary Seamen, Marines, Clerks and Landsmen, of the Navy, not heretofore provided for, who have served not less than fourteen days (unless in battle) at any period since 1776; and to the widows and minor children of all such persons entitled, and deceased.
This pamphlet contains "Forms of Application" more full and complete than any elsewhere to be found; adapted to the wants of every class of Claimants under the Act, with copious decisions and instructions of the Department, and practical suggestions as to the course to be pursued in suspended or rejected cases.
Parties not wishing to avail themselves of the facilities afforded by this Office in securing prompt and personal superintendence of their claims at the Departments, can obtain copies of the above pamphlet by remitting thirty cents in postage stamps.
Inducements to Correspondents.
Correspondents who prepare and forward cases for management by this Agency will be dealt with liberally; supplied with all necessary blanks gratis, and kept constantly advised of the changes that from time to time occur in the execution of the law.
It is within the subscriber's power to direct his Correspondents to the locality of very many persons entitled under the late Act; and having obtained several thousand Land Warrants under former laws, he is in possession of data that will materially assist in securing additional bounty.
Fees, below the usual rates—and contingent upon the admission of Claims.

NEXT DOOR TO CHIDSEY'S IRON STORE.
J. H. WILKING,
Would say to his friends and customers, that his mode of doing business remains precisely the same as it has been for 20 years. No false representations about \$20,000 worth of stock, manufacturing material in large quantities from the manufacturers; the goods we sell to be better than any body else's; procuring celebrated city cutters at large salaries, etc. etc.; but pursuing the even tenor of our way, giving to all who call, polite attention, good goods, and the identical ones they select; and in short to give them general satisfaction.
To his new friends and customers, he would say, most respectfully, that, having the confidence, from many years experience, he can execute, in all kinds of fashionable garment cutting; the goods to be as recommended; no fading of colors, not rotten, but sound, wool dyed, firm, strong, fast colors, of AMERICAN, FRENCH AND ENGLISH BROAD CLOTHS, CASSIMERES and VESTINGS, which he will be pleased to make up at short notice, and on reasonable terms.
Full suits furnished at 12 hours notice, if necessary.
