S. M. KNIGHT, Atty. for Government Claimants, Washington, D. C.

Continues to give prompt and personal attention to the prosecution of Claims of every description against the General Government, and particularly to those before the Treasury Department, Pension and Bounty-Land Bureau, Patent and General Land Offices, and Board of Claims.

An experience of years, and a familiarity with the means of obtaining the *earliest and most favorable action* on claims, with his facilities for the despatch of business, justifies him in assuring his Correspondents, Claimants and the Public generally, that interests intrusted to his keeping will not be neglected.

Pension, Bounty Land, Patent, and Public Land Laws.

He has nearly ready for gratuitous distribution among his business Correspondents, (and those who may become such,) a neat pamphlet containing a synopsis of the existing Pension, Bounty Land, Patent, and Public Land Laws, down to the end of the late Congress—including the

Bounty-Land Act of 3d March, 1855, under which all who have heretofore received less than 160 acres are now entitled to additional land; said Act grants also 160 acres to all officers, non-commissioned officers, Chaplains, Soldiers, Wagon Masters, Teamsters, and friendly Indians, of the Army, including State Troops, Volunteers, and Militia—and all Officers, Seamen, Ordinary Seamen, Marines, Clerks and Landmen, of the Navy, not heretofore provided for, who have served not less than fourteen days (unless in battle) at any period since 1776; and to the widows and minor children of all such persons entitled, and deceased.

This pamphlet contains "Forms of Application" more full and complete than any elsewhere to be found; adapted to the wants of every class of Claimants under the Act, with copious decisions and instructions of the Department, and practical suggestions as to the course to be pursued in suspended or rejected cases.

Parties not wishing to avail themselves of the facilities afforded by this Office in securing prompt and personal superintendence of their claims at the Departments, can obtain copies of the above pamphlet by remitting thirty cents in postage stamps.

Inducements to Correspondents. Correspondents who prepare and forward cases for management by this Agency will be dealt with liberally; supplied with all necessary blanks *gratis*, and kept constantly advised of the changes that from time to time occur in the execution of the law.

It is within the subscriber's power to direct his Correspondents to the locality of very many persons entitled under the late Act; and having obtained several thousand Land Warrants under former laws, he is in possession of data that will materially assist in securing additional bounty.

Fees, below the usual rates—and contingent upon the admission of Claims.

The highest cash prices given for Land Warrants, Revolutionary Scrip, and Illinois Land Patents.

Address S. M. KNIGHT, Washington City. March 29, 1855.

Land Warrants.

The act of Congress approved March 3d, 1855, grants 160 acres of land to all persons who have been in service over 14 days in any of the wars in which this Country has been engaged since 1790, and also to the Soldiers of the Revolutionary war, without respect to length of service, or to their widows or minor heirs. Those who have obtained land under any of the former acts for a less amount than 160 acres, the difference under this act is granted them to make 160 acres in all.

The undersigned offers his services as agent to those who are entitled to land under the above act or any former act of Congress. He may be found at his office in Stroudsburg.
