**Cash Music and Piano Store
OF
HORACE WATERS,
333 Broadway, New York.**

Opposition to Monopoly—Music at greatly reduced rates.

Notwithstanding the combination of music dealers to keep up the prices of non-copyright music, against the interests of native composers, and their refusal to extend to Mr. Waters the courtesies of the trade, he is making immense sales—having abundant evidence that he has public countenance and support in his efforts to aid native talent, and to adopt the national currency. His stock of American and European music is immense, and the catalogue of his own publications is one of the largest and best selected in the United States. He has also made a great reduction in the prices of Pianos, Melodeons and Musical Instruments of all kinds. Superior toned 64 octave pianos for \$175, \$200 and \$225, interior of as good quality, and instruments as strong and as durable as those which cost \$500. Pianos of every variety of style and price up to \$1000, comprising those of ten different manufacturers; among them the celebrated modern improved Horace Waters' Pianos and the first premium Aeolian Pianos of T. Gilbert & Co's make, (owners of the Aeolian patent). Second-hand Pianos at great bargains. Prices from \$40 to \$150. Melodeons from five different manufacturers, including the well known S. D. & H. W. Smith's melodeons tuned the equal temperament, the best make in the United States. Prices \$45, \$60, \$75, \$100, \$115, \$125, \$135 and \$150. Smith's Double Bank Melodeons \$200. Each Piano and Melodeon guaranteed. The best terms to the trade, schools &c.; 12 1/2 per cent discount to clergyman and churches. All orders promptly attended to. Music sent to all parts of the country, post-paid, at the reduced rates. General and select catalogues and schedule of prices of Pianos forwarded to any address free of charge.
