Cash Music and Piano Store OF HORACE WATERS, 333 Broadway, New York.

Opposition to Monopoly—Music at greatly reduced rates.

Notwithstanding the combination of music dealers to keep up the prices of non-copyrighted music against the interests of native composers, and their refusal to extend to Mr. Waters the courtesies of the trade, he is making immense sales—having abundant evidence that he has public countenance and support in his efforts to aid native talent, and to adopt the national currency.

He has also made a great reduction in the prices of Pianos, Melodions and Musical Instruments of all kinds. Superior toned 6 1/2 octave pianos for \$175, \$200 and \$225, interior of as good quality, and instruments as strong and as durable as those which cost \$500.

Pianos of every variety of style and price up to \$1000, comprising those of ten different manufacturers; among them the celebrated modern improved Horace Waters Pianos and the first premium Aeolian Pianos of T. Gilbert & Co's make, (owners of the "Aeolian patent").

Second-hand Pianos at great bargains. Prices from \$40 to \$150. Melodions from five different manufacturers, including the well known S. D. & H. W. Smith's melodions tuned to the equal temperament, the best made in the United States.
