

Arrival of the Grapeshot--Capture of Louis Baker.

NEW YORK, May 15.--The clipper ship "Grapeshot" returned to-day, having on board the fugitive, Louis Baker, who stands charged with the murder of Poole.

SINGULAR ESCAPE.--A few days since, while Mrs. Danforth, of Warran, Pa., was engaged in her usual duties, a heavy thunder storm came up, and in the midst of its fury a lightning stroke descended upon her, burning her hair from the crown of the head to the back of the neck, melting her hair pins, and proceeding down her body--leaving its mark as it went--until it passed through the floor.

SAM IN OREGON.--In the Oregonian of the 7th of April, we find the result of the Municipal election in Portland, which was carried by the Americans by majorities ranging from 100 to 150.

SUNBURY ELECTION.--At the Borough election held in Sunbury, on Monday week, the Americans elected their whole ticket, with the exception of one candidate.

SAM IN ALABAMA.--Sam is making his marks fast in this State, and is now believed to have about 25,000 voters in his ranks.

The following is a copy of a Georgia verdict--"We the jury chosen and sworn agree that tom lamyron must pay Abe gonson the full amount of 20 five cents that the planetif pay over the won hwart of liker for the benefit of the jury and the costs will be rooled out."

To those who have worn beef tender.--To those who have worn down their teeth in masticating poor old tough cow beef, we will say that carbonate of soda will be found a remedy for the evil.

Reports concerning the sugar crop, from all quarters of Louisiana, are of a most deplorable character. The long drought has been so severe, that the plant cane is completely dried up, leaving not the first sign of prospect of its ever going to seed; and the ratten cane, for the most part, is equally as unpromising.

We start in life with a great stock of wisdom, but it grows less and less the farther we go.

Cash Music and Piano Store OF HORACE WATERS,

333 Broadway, New York. Opposition to Monopoly--Music at greatly reduced rates.

Notwithstanding the combination of music dealers to keep up the prices of non-copyright music, against the interests of native composers, and their refusal to extend to Mr. Waters the courtesies of the trade, he is making immense sales--having abundant evidence that he has public countenance and support in his opposition to the Great Monopoly, and in his efforts to aid native talent, and to adopt the national currency. His stock of American and European music is immense, and the catalogue of his own publications is one of the largest and best selected in the United States. He has also made a great reduction in the prices of Pianos, Melodeons and Musical Instruments of all kinds. Superior toned G<sup>6</sup> octave pianos for \$175, \$200 and \$225, interior of as good quality, and instruments as strong and as durable as those which cost \$500. Pianos of every variety of style and price up to \$1000, comprising those of ten different manufacturers; among them the celebrated modern improved Horace Waters' Pianos and the first premium Eolian Pianos of T. Gilbert & Co's make, (owners of the Eolian patent). Second-hand Pianos at great bargains. Prices from \$40 to \$150. Melodeons from five different manufacturers, including the well known S. D. & H. W. Smith's melodeons tuned the equal temperament, the best made in the United States. Prices \$45, \$60, \$75, \$100, \$115, \$125, \$135 and \$150. Smith's Double Bank Melodeons \$200. Each Piano and Melodeon guaranteed. The best terms to the trade, schools &c.; 12 1/2 per cent discount to clergyman and churches. All orders promptly attended to. Music sent to all parts of the country, post-paid, at the reduced rates. General and select catalogues and schedule of prices of Pianos forwarded to any address free of charge. April 26, 1854--3m.
