

ing down. I guess I went home that night about ten o'clock; was in Brown's shanty most of the time, from the time Brown was beat, till I went home; did not sleep anywhere else than Conner's, that night, part of the night; I didn't sleep outside of Brown's that night, in the lot no part of the night. At the time I was going home, Peter Brown treated us; we were not all pretty well in liquor; nothing in me; there was not six glasses of whiskey in me when I went home,—not more than four; I didn't see any liquor around; by any of those in company with me; I generally drew my pay at Levanway's store; guess I contributed some money to Peter Brown towards this prosecution. Peter Brown and I haven't talked many words about this, we have once in a while talked about it; he and I didn't talk anything about the evidence yesterday, last night or this morning. I have frequently been at Peter Brown's shanty since this occurrence; he has treated me since that occurrence.

I didn't see any signs of liquor on Lanan that night; he seemed to be pretty steady. Pat. Brown, I guess had taken some liquor; saw nothing only he was a little pleasant; I guess Patrick Brown had some liquor in him; don't know what he drank; didn't see any one coming out of the shanty, when they hollowed, here he goes; didn't see any body come out of the shanty while I stood on opposite side of road, till they hollowed, here he goes; could not see the door when the crowd came around. I walked up a few yards and stopped; was afraid to go up; didn't see any body come out of the shanty then; was watching it. I knew that night there was some big slabs around there, but didn't know whether any store wood was there till next morning. The whole of the top part of door was broken out but one piece of board, next to the hinges. The door was off the hinges when I took notice of it; that was after he was put to bed: it was standing up inside the shanty.

### The Jeffersonian.

THURSDAY, JUNE 7, 1855.

The report of our Free Union School for the month of May, will appear next week.

A public meeting will be held at the Court House, in this place, to-morrow (Friday evening), to make arrangements for celebrating the coming Anniversary of our National Independence.

A large portion of to-day's paper is filled up with the testimony, in the case of the Commonwealth vs. Patrick Cogan et al., indicted for the murder of Patrick Brown, in this Borough, on the 17th of March last. We shall publish the remaining portion of the testimony next week, when our readers will have an opportunity of judging of the correctness of the verdict of the Jurors, in this case. The prisoners were all acquitted.

### Stroudsburg Telegraph.

We can now assure our readers that the Telegraphic wires will be in operation, from this place to Belvidere, Easton, New York, and Philadelphia, by the 20th of this month. The poles are already erected to within a few miles of this place. For the prompt manner in which this work has been dispatched, we are indebted to the energetic efforts of Messrs. HECKMAN & Co., and we cheerfully endorse the "Eastonian's" editorial, a few weeks since, in reference to this enterprising firm. We are free to confess, that at the time we first heard of this enterprise, we had our doubts as to its speedy consummation. As to its importance, and the advantages to be derived, by all our business men, we never had a doubt. Now that this important connection has been made,—and we may say so, persevered in and accomplished by parties not residents of our Borough,—what is our next duty as citizens of Stroudsburg? If we may be allowed an opinion, we would suggest that every business man, as well as every property holder, to secure one or more shares; by so doing we shall convince the builders, that we appreciate their enterprise, and satisfy ourselves that we have discharged a duty. In conclusion, we will add, that it is the opinion of not a few, that this line will be one of the very best paying lines.

### Frightful Locomotive Explosion—Two Persons Killed and others Injured—Destruction of the Mail.

Havre-de-Grace, May 31.—The locomotive of the freight train on the Philadelphia, Wilmington and Baltimore Railroad, exploded this morning about 9 o'clock, at Aberdeen, 30 miles this side of Baltimore, in consequence of the engineer allowing the water in the boiler to get too low, and then suddenly applying the pumps. The engineer was shattered to atoms by the explosion, the fireman killed, and the engine and two others seriously, but it is hoped not fatally injured. The cars in the train were all more or less damaged, but the road escaped injury, and no destruction will be caused by the accident.—The injured are receiving ever attention.

### Second Dispatch.

Aberdeen, Md., 31.—The name of the fireman who was killed by the explosion this morning, was Monroe Hinton, Thomas Morton, the engineer who was injured has since died. Henry Feltmeyer and John Sills, the other injured men, it is believed will recover. The body of Morton was taken to Havre-de-Grace where he resided. Hinton was blown over 100 yards, and his boots

torn from his feet by the force of the explosion. The car next to the locomotive had the roof blown entirely off, and was otherwise broken.

### Meeting of the Bar.

At a meeting of the members of the Bar of Monroe county, on Thursday of last week, to express their sentiments in reference to the resignation of the Hon. JAMES M. PORTER, President Judge of the District, on motion of Samuel S. Dreher, Esq., William Davis, Esq., was called to the chair. The following resolutions, offered by Charlton Burnett and seconded by Hon. James H. Walton, were unanimously adopted:

Resolved, That we, members of the Bar of Monroe county, do most sincerely regret that circumstances should have rendered necessary the resignation of the Hon. JAMES M. PORTER, the late President Judge of this 22d Judicial District.

Resolved, That we esteem it a grateful duty, which we owe alike to him, to the people of the county (who sympathize cordially in the sentiments which we here express), and to ourselves, to declare in this public manner, our appreciation of his unrivaled administration of the high and weighty functions of his office. His becoming dignity and firmness, accompanied by unflinching courtesy and kindness—his varied and profound learning, combined with rare promptness, strict impartiality and unflinching courage in the discharge of duty, pleasant or painful, constituted him the very model of an upright Judge. As such the people of this county, and of the whole District, have learned to know him, and as such they will continue to regard him.

Resolved, That whilst we thus regret to lose him in his official capacity, we nevertheless congratulate him upon his release from his arduous labors of mind and body, to which he so faithfully devoted himself, and trust that he shall continue long and often to see him in our midst, in abiding health, strength and activity, and that his recollections of the period during which he dispensed justice among us, may be and remain as pleasing and as grateful to his thoughts, as those of the Bar and of the people will ever be to their hearts.

Resolved, That a copy of these resolutions be forwarded to the Hon. JAMES M. PORTER, and that they be published in the newspapers of the county.

On the 2nd inst., by D. Jayne, Esq., Mr. FERDINAND METZGAR to Miss MARY ANN HELLER, all of Stroud township.
