TAILORING ESTABLISHMENT

IN EASTON, PA.

NEXT DOOR TO CHIDSEY'S IRON STORE.

J. H. WILKING,

Would say to his friends and customers, that his mode of doing business remains precisely the same as it has been for 20 years. No false representations about \$20,000 worth of stock, buying material in large quantities from the manufacturers; the goods we sell to be better than any body else's; procuring celebrated city cutters at large salaries, etc. etc.; but pursuing the even tenor of our way, giving to all who call, polite attention, good goods, and the identical ones they select; and in short to give them general satisfaction.

To his new friends and customers, he would say, most respectfully, that having the confidence, from many years experience, he can excel, in all kinds of fashionable garment cutting; the goods to be as recommended; no fading of colors, not rotten, but sound, wool dye, firm, strong, fast colors, of AMERICAN, FRENCH AND ENGLISH BROAD CLOTHS, CASSIMERES and VESTINGS, which he will be pleased to make up at short notice, and on reasonable terms.

Full suits furnished at 12 hours notice, if necessary.

MONROE COUNTY

Mutual Fire Insurance Com'y.

The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.

The net profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the greatest security against loss or damage by fire, on the most advantageous and reasonable terms.

Land Warrants.

The act of Congress approved March the 3d, 1855, grants 160 acres of land to all persons who have been in service over 14 days in any of the wars in which this Country has been engaged since 1790, and also to the Soldiers of the Revolutionary war, without respect to length of service, or to their widows or minor heirs. Those who have obtained land under any of the former acts for a less amount than 160 acres, the difference under this act is granted them to make 160 acres in all.

The undersigned offers his services as agent to those who are entitled to land under the above act or any former act of Congress. He may be found at his office in Stroudsburg.

DR. J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Melick's Jewelry store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a detritsar home. All work warranted.

"Man, Know Thyself."

An Invaluable Book for 25 cents. "Every Family should have a Copy."

100,000 Copies sold in less than a year—

A new edition, revised and improved, just issued.

Dr. Hunter's Medical Manual and Hand Book for the Afflicted. Containing an outline of the origin, progress, treatment and cure of every form of disease contracted by promiscuous sexual intercourse, by self abuse or by sexual excess, with advice for their prevention, written in a familiar style, avoiding all medical technicalities, and every thing that would offend the ear of decency; with an outline of complaints incident to Females, from the result of some twenty years' successful practice, exclusively devoted to the cure of diseases of a delicate or private nature.

To which is added receipts for the cure of the above diseases, and a treatise on the causes, symptoms and cure of the Fever and Ague.

Testimony of the Professor of Obstetrics in Penn. College, Philadelphia.—"Dr. HUNTER'S MEDICAL MANUAL." The author of this work, unlike the majority of those who advertise to cure the diseases of which it treats is a graduate of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, or to the victim of malpractice, as a successful and experienced practitioner, in whose honor and integrity they may place the greatest confidence.

Jos. S. LONGSHORE M. D.

From A. Woodward, M. D., of Penn. University, Philadelphia.—It gives me pleasure to add my testimony to the professional ability of the Author of the "Medical Manual." Numerous cases of Disease of the Genital Organs, some of them of long standing, have come under my notice, in which his skill has been manifest in restoring to perfect health, in some cases where the patient has been considered beyond medical aid. In the treatment of Seminal weakness, or disarrangement of the functions produced by self abuse or Excess of venery, I do not know his superior in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as kindness to the unfortunate victim of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves.

ALFRED WOODWARD, M. D.

"This is, without exception, the most comprehensive and intelligible work published on the class of diseases of which it treats. Avoiding all technical terms, it addresses itself to the reason of its readers.—It is free from all objectionable matter, and no parent, however, fastidious, can object to placing it in the hands of his sons. The author has devoted many years to the treatment of the various complaints treated of, and, with too little breath to puff, and too little presumption to impose, he has offered to the world, at the merely nominal price of 25 cents, the fruit of some twenty years' most successful practice."—*Herald.*

No teacher or parent should be without the knowledge imparted in this invaluable work. It would save years of pain, mortification and sorrow to the youth under their charge." *People's Advocate.*

A Presbyterian clergyman in Ohio, writing of "Hunter's Medical Manual" says:—"Thousands upon thousands of our youth, by evil example and influence of the passions, have been led into the habit of self-pollution, without realizing the sin and fearful consequences upon themselves and their posterity. The constitutions of thousands who are raising families have been enfeebled, if not broken down, and they do not know the cause or the cure. Anything that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide-spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generation. In temperance (or the use of intoxicating drinks) though it has slain thousands upon thousands, is not a greater scourge to the human race. Accept my thanks on behalf of the afflicted, and, believe me, your co-worker in the good work you are so actively engaged in."

One copy (securely enveloped) will be forwarded, free of postage, to any part of the United States for 25 cents, or six copies \$1. Address, (post paid) **COSDEN & CO.,** Publishers, or Box 196, Philadelphia.

Booksellers, Canvasers and Book Agents supplied on the most liberal terms.

WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME.

Use for Consumption, Scrofula, Coughs, Colds, Asthma, Bronchitis, Spitting of Blood, and all complaints of the Lungs.

The Proprietor has succeeded (from directions of Professor Stone) in combining the Oil and Lime so perfectly, that the taste of the Oil, which is nauseous to persons generally, is entirely overcome, and it can be taken by the most delicate females with pleasure. And as regards the benefit of this article over the pure oil, the following case, by Prof. Stone, is sufficient to convince the most skeptical. The young lady was 24 years of age.

"Her disease was one of unmixt phthisis, which had been expected to terminate in the course of a few months, fatally. The upper part of both her lungs was filled with tubercles, and in some places were beginning to soften. The case was evidently a bad one. The treatment of cod liver oil was at first used, but without marked improvement. The phosphate of lime was then administered with the oil, and the result, as in the case of many others, was soon apparent. The patient was rapidly getting well."

CAUTION.—On account of the great reputation of this Compound for all Lung Complaints, the subscriber would caution the afflicted against using any except that manufactured by him, as he has the only receipt in the United States for combining the PURE OIL with LIME in a proper manner. Therefore, as you value your health, purchase none except that manufactured by

Raising Blood

And Consumption, pain in the side and night sweats, Asthma, Whooping Cough, palpitation of the heart, Liver complaint, Bronchitis, and all diseases of the throat, lungs and liver cured by Sherman's All-Healing Balm.

RAISING BLOOD & CONSUMPTION

Mr. M'hae, Builder, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live.

Hearing of the wonderful cures performed by Sherman's Balm, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Maston, of Williamsburg living in Tenth, near South Fourth st., says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balm—which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupation as a teacher.

14 years Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balm, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

PLEURISY AND CONSUMPTION.

Mrs. Baggins, a lady upwards of 70, residing 88 Sheriff street, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friends believed past recovery. The All-Healing Balm relieved her at once of all her alarming symptoms, and now she is able to attend to her work.

ASTHMA AND WHOOPING COUGH.

Mrs. Lucretia Wells, 95 Christie st.; L. S. Beals, 19 Delancy street; W. H. Youngs, 75 Walnut st.; know the value of this great remedy.
