

HOLLOWAY'S OINTMENT

Circular to the Sick. The first haspital surgeons and medical products of Europe admit the unparalleled anti inflummatory and healing properties of this Ointment; governments soucion its use in their naval and military services; and the masses in this country and throughout the world repose the atmost confidence in its curative properties. If penetrales the sources of inflammation and corruption which underhe the external evidence of disease, and centralize the fiery elements which feed and exasterate the malady.

Rheumatism, Screiula, Erysipe-Linn.

These are among the most terrible and agonizing diseases of the muscles, and fleshy tiore of the skin; yet in the worst forms, and when seemingly incurable, they invariably disappear under a persevering application ni this southing, healing, antidote to pain! and inflammation.

sali Rheum, Fever Sores, Sifff Joints.

In cases of Salt Rhenm, where medical waters, lottons, and every recipe of the photomacopee have, proved uselss, the Omtwill accomplish a thorough cure. Fever Somes heal quickly under its influence,
Back, Stomach, and Side. They should be freely and its relaxing effect upon contracted stu- taken in the spring of the year, to purify the blood as as truly wonderful.

Discharging Ulcers.

produced in the appearance of malignant ul we after a few applications of this Ointmake of the discharged matter. This becessary dosing should never be carried too far, be partive is filled up with sound material. a physic is required cannot be enumerated here, but e ulcer radically cured.

A Word to Mothers.

The roung are the most frequent sufferers for for sore breasts, and quickly removes e enerusted sores which sometimes disfigre the heads and faces of children

Significant Facts.

This Ointment is universally used on board he Atlantic and pacific whaling fleet as a cure for scorbutic affections, and as the best possible remedy for wounds and bruises .-Large supplies of it have recently been ordered by the Sultan of Turkey for hospital Both the Ointment and Pills should be used

in the following cases: Burns, Chapped Hands, Fistula, Gertit. Mercurral Ecuptions, Rheumalism,

Salt Rheum,

Skin Diseases. Swelled Glands, Sore Legs. Sore Breasts, Sore Heads, Sore of all kinds, Dicers. Veuereal Sores, Wounds of all kinds.

J. LANTZ, DENTIST

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Valton, and nearly opposite S. Rees's Hat & an store, where he is fully prepared to treat e natural teeth, and also to insert incorrupthe artificial teeth on pivot and plate, in the dest and most improved manner. Most perwas know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tacth or teeth as it may be, otherwise the inconvenience and trouble of going so far .-itence the necessity of obtaining the services a dentist near home. All work warranted. McREA'S CELEBRATED

FOR ALL THE PURPOSES OF A

THERE has long existed a public demand for an fective purgative pill which could be relied on as ure and perfectly safe in its operation. This has een prepared to meet that demand, and an exten we trial of its virtues has conclusively shown with that success it accomplishes the purpose designed. make the best of all pulls — one which should have some of the objections, but all the advantages, of very other. This has been attempted here, and in what success we would respectfully submit to he public decision. It has been unfortunate for patient hitherto that almost every purgative licine is acrimonious and pritating to the bow-This is not. Many of them produce so much sing pain and revulsion in the system as to more an coanterbalance the good to be derived from hem. These pulls produce no irritation or pain. aless it arise from a previously existing obstrucion or derangement in the bowels. Being purely egetable, no harm can arise from their ase in any naulity; but it is better that any medicine should e taken indiciously. Minate directions for their e in the several diseases to which they are apable are given on the box. Among the comlaints which have been speedily cured by them, we av montion Liver Complaint, in its various forms of Jaundice, Indigestion, Languer and Loss of Apactite, Listlessness, Britability, Bilious Headache Bilious Fever, Fever and Ague, Pain in the Sid and Loins; for, in truth, all these are but the consence of diseased action in the liver. As an aperiont they afford prompt and sure relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrufila and Seurcy, Colds with soreness of the body Ulcers and impurity of the blood; in short, any md every case where a pargative is required. They have also produced some singularly suc

and prepare the system for the chauge of seasons mal dose stimulates the stomach and bowels into healthy action, and restores the appe a most remarkable and happy change is tite and vigor. They parify the blood, and, by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. The surrounding redness vanishes, Hence an occasional dose is advantageous, even of granules of healthy flesh begin to take though no serious derangement exists; but unas every purgative medicine reduces the strength, when taken to excess. The thousand cases in which they suggest themselves to the reason of every body; and it is confidently believed this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will no longer external injuries, and therefore every doubt what remedy to employ when in need of a ther should have this healing preparation cathartic medicine.
