

THE NEW YORK LEDGER FOR 1857

THE BEST FAMILY PAPER IN THE WORLD! All the Favorite Writers retained, and new ones added.

Still Greater attractions for the New Year.

The circulation of the NEW YORK LEDGER is now Three Hundred and Thirty Thousand Copies, which is greater than that of any

Ten other Literary Papers in America.

The profits on this unparalleled circulation enable the proprietor of THE LEDGER to expend sums upon it which would swamp any ordinary publication.

A paper with a circulation of only a hundred thousand or so would sink under the expenses of THE LEDGER in less than six months.

All of the old and Favorite contributors will continue to write for THE LEDGER as heretofore.

No expense will be spared to secure others whose pens shall be considered competent to add to THE LEDGER'S attractions and usefulness.

Mrs. EMMA D. E. N. SOUTHWORTH writes only for THE NEW YORK LEDGER.

FANNY FERN writes only for THE NEW YORK LEDGER.

SYLVANUS COBB, Jr., writes only for THE NEW YORK LEDGER.

EMERSON BENNET writes only for THE NEW YORK LEDGER.

ALICE CARY, Mrs. SIGOURNEY, and Dr. NELSON write for THE NEW YORK LEDGER.

LEDGER. GEORGE D. PRENTICE, JOHN G. SANE, and all the other best writers, contribute to THE NEW YORK LEDGER.

THE LEDGER is devoted to POLITE LITERATURE, ORIGINAL ILLUSTRATED TALES, ESSAYS, POETRY, SKETCHES, BIOGRAPHY, NEWS, &c.

THE LEDGER is every where acknowledged to be the best family paper in the world—hence its extraordinary and unheard-of popularity.

The Proprietor of the LEDGER employs the best talent, and by so doing makes the best paper in the country.

THE NEW YORK LEDGER is printed on beautiful white paper, and is composed of eight pages, making the handsome weekly paper in the Union.

It is published every Saturday, and sold at all the news offices in every city and town throughout the country, and is mailed for subscribers at \$2 per annum; two copies are sent for \$3. Any person obtaining eight subscribers at \$1.50 each

(which is our lowest club rate), and sending us \$12, will be entitled to one copy free. Terms invariably in advance. Address all letters to

ROBERT BONNER, publisher of the New York LEDGER, 44 Ann St., N. York.

N. B.—Now is a good time to subscribe to MRS. SOUTHWORTH'S new story,

THE BRIDE OF AN EVENING, will be commenced in THE LEDGER on the first of January.

N. B. No. 2.—We have no Agents authorized to receive subscriptions for THE LEDGER. Subscribers must always remit direct to us, and not send or pay any money to any Agents.

A high moral tone characterizes every article in THE LEDGER. In fact, the names of its leading contributors are a sufficient guarantee that it stands in marked contrast to a class of weekly publications that have for so long a time flooded the country, but which, fortunately for the morals of our people, are almost extinct.

AYER'S PILLS

A new and singularly successful remedy for the cure of all Bilious diseases—Constipation, Indigestion, Jaundice, Dropsy, Rheumatism, Fevers, Gout, Humors, Nervousness, Irritability, Inflammation, Headache, Pains in the Breast, Side, Back, and Limbs, Female Complaints, &c. &c. Indeed, very few are the diseases in which a Purgative Medicine is not more or less required, and much sickness and suffering might be prevented, if a harmless but effectual Cathartic were more freely used.

No person can feel well while a costive habit of body prevails; besides it soon generates serious and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This is alike true of Children, Females, young men, and Bilious derangements. They all tend to become or produce the deep seated and formidable distempers which load the bowels all over the land. Hence a reliable family physic is of the first importance to the public health, and this Pill has been perfected with consummate skill to meet that demand.

An extensive trial of its virtues by Physicians, Professors, and Patients, has shown results surpassing the hopes of the human mind, and has proved that it has been effected beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth.

Among the many eminent gentlemen who have testified in favor of these Pills, we may mention: DR. A. A. HAYES, Analytical Chemist, of Boston and State Assayer of Massachusetts, whose high professional character is established by the Hon. EDWARD EVERETT, Senator of the U. S. ROBERT C. WINTHROP, Ex-Speaker of the House of Representatives.

DR. J. W. LAMONT, Minister Plen. to England JOHN B. FITZPATRICK, Cath. Bishop of Boston Also, DR. J. R. CHILTON, Practical Chemist, of New York City, endorsed by the Hon. W. L. MARCY, Secretary of State. WM. B. ASTOR, the richest man in America. S. LELAND & CO., Proprietors of the Metropolitan Hotel, and others.

Did space permit, we could give many hundred certificates, from all parts where the Pills have been used, but evidence even more convincing than the experience of eminent public men is found in their effects upon trial.

These Pills, the result of long investigation and study, are offered to the public as the best and most complete which the present state of medical science can afford. They are compounded not of the drugs themselves, but of the medicinal virtues only of Vegetable remedies, extracted by chemical process in a state of purity, and combined together in such a manner as to insure the best results.

As it is frequently expedient that my medicine should be taken under the counsel of an attending Physician, and as he could not properly judge of a remedy without knowing its composition, I have supplied the accurate Formulae by which both my Pills and my Syrup are made to the whole body of Practitioners in the United States and British American Provinces. If, however, there should be any one who has not received them, they will be promptly forwarded by mail to his address.

Of all the Patent Medicines that are offered, few would be taken if their composition was known. Their life consists in their mystery. I have no secret in the composition of my preparations is laid to all men, and all who are competent to judge of the subject freely acknowledge their convictions of their intrinsic merits. The Cherry Pectoral was pronounced by scientific men to be a wonderful medicine before its effects were known. Many eminent Physicians have declared the same thing of my Pills, and even more confidently, and are willing to certify that their antipathy were not that remedied by their effects upon trial.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Being sugar wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.

For minute directions, see wrapper &c. &c. Samuel Rees, Jr., and by Hollinshead & Detrick, Stroudsburg, Pa. August 13, 1857.—1y.

Howard Association, PHILADELPHIA.

A Benevolent Institution, established by special endowment for the relief of the sick and distressed, afflicted with Venereal and Epidemic diseases.

To all persons afflicted with Sexual Diseases, such as Gonorrhoea, Seminal Weakness, Impotence, Gleet, Syphilis, the Vice of Onanism, or self abuse, &c. &c. The HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deception practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a charitable act, worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical advice gratis, to all who apply by letter, with a description of their condition (age, occupation, habits of life, &c.) and in cases of extreme poverty, to furnish medicines free of charge. It is need less to add that the Association commands the highest medical skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just Published by the Association, a Report on Gonorrhoea, or Seminal Weakness, the Vice of Onanism, Masturbation or Self Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope,) FREE OF CHARGE, on receipt of TWO STAMPS for postage.
