Orange Crop in California. The Orange Crop of Los Angelos, California, is coming into market. The crop amounts to about 170,000, and is sold on the ground at \$12 per thousand. The cultivation of the orange is destined to become an important source of wealth to the State, or at least it will occupy many persons, and hold an important place in our trade. The trees commence bearing when eight years old, and will produce a crop worth \$25 per tree, or \$1000 to an acre containing forty trees. This estimate is a low one, both for the price and city, and Dr. John K. Kane, who accomthe quantity of fruit; for a good tree often panied the searching expedition sent out yields several thousand oranges in a year. The cultivation in earnest has just commenced; this year's crop may be said to Paris. to be the first which has ever come to our large and good .- California Paper.

Porkers.

We have heard of, and seen some large perk, but the following beats anything we have ever seen or heard of. Mr. Thomas Hood, near Shelltown, Ocean County, raised this season, on the farm of Mr. Miller Howard, 44 bogs, which when killed and dressed, weigned as follows: 664. 564, 527, 463, 486, 610, 586, 574, 561, 597, 531, 522, 587, 497, 519, 497, 592, 585, 402, 569, 582, 548, 534, 531, 621, 577, 558, 557, 581, 598, 563, 460, 472, 468, 476, 487, 519, 482, and 494,-total, 23,889 pounds-average weight 5424 briety of the applicant, and ascertain the pounds. If any other farmer, of this, or locality of the house and property to be any other state, has besten, or can beat this we should like to hear from them .-

A Skunk Story.

We have not heard as good a skunk of the commissioners. In case of death, story as the following, since the memora-

under date of the 16th inst., says that the glass." Salt Lake mail arrived there last night. Conductor Denver reports the snow from where the house is to be licensed.
