man Worm Seed.

THERE has long existed a public demand for an finative purgrative pill which could be relied on as are and perfectly safe in its operation. This has at success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to make the best of all pills - one which should have one of the effections, but all the situatages, of very other. This has been attempted here, and ta what success we would respectfully submit to e public decision. It has been unfortunate for e patient hitherto that monest every purgative edicine is aerimenious and irritating to the bow-This is not. Many of them produce so much iping pain and revulsion in the system as to more unless it arise from a previously existing obstruction or derangement in the bowels. Being purely Price, 12 cents, or 4 stamps, at the receipt vegetable, so harm can arise from their ase in any e taken judiciously. Minute directions for their olicalde are given on the box. Among the complaints which have been speedily cured by them, we av mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languor and Loss of Appetite, Eistlessness, Irritability, Bilious Headache Billious Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the consequence of discasod action in the liver. As an aperioni they afford prompt and some relief in Cos-tiveness, Piles, Colic, Desentery, Humors, Scrotula and Sourvy, Colds with soreness of the body, Ulcers and impurity of the blood ; in thort, any

and every case where a purgative is required. They have also produced some singularly succossful cures in Rheumatism, Gent, Dropsy, Gravel, Desires to call the attention of the public, to a new and well selected stock of fashionable Hats and prepari the system for the change of seasons, and Caps, which are just received. An occasional dose stimulates the stomach and a physic is required cannot be enumerated here, but The subscriber also has the agency for the they suggest themselves to the reason of every virtues are once known, the public will no longer
