

**Powder Explosion Near Easton.**  
John Berry and his son William, were very badly injured by the explosion of two kegs of powder, near Easton, on Friday. They were blasting, when by mere accident fire was communicated to two kegs of gunpowder, which exploded. This family has been very unfortunate of late. A short time ago the father, John Berry, fell down a precipice of fifty feet, while at work in a quarry, and his son-in-law was killed at the terrible affair at Oxford Furnace some months ago.

**Holloway's Pills.**—This great household medicine ranks among the leading necessities of life. Dyspepsia, bowel complaints, and bilious disorders, are common to all climates. Tens of thousands die of them; and to suffer under them in their chronic form is a living death. Now it is a fact as well established, as that the sun lights the world, that these Pills invariably cured the above named maladies in all their Protean forms. Are they not then, articles of prime necessity? And does not the head of a family who neglects to administer them to the sick of his household, incur a heavy responsibility. If proof of their efficacy is desired, it is offered in the shape of volumes of authentic testimony from every nation on the face of the earth.

**MONROE COUNTY Mutual Fire Insurance Comp'y**

The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.  
The net profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the greatest security against loss or damage by fire, on the most advantageous and reasonable terms.  
Applications for Insurance to be made in person, or by letters addressed to

**A PROCLAMATION TO THE LADIES.**

Whereas, it appears that the days of right, honor, and integrity are fast fading away, and whereas, the unscrupulous and ignorant are daily taking advantage of the profound and learned. But it is known therefore, to all, whether Maids, Wives, or Widows, that **Dr. Cheesman's Female Pills** are alone the certain panacea for the troubles incident to female disorganization; they alone correct all painful menstruation, assuaging palpitations of the heart, disturbed sleep, pain in the side, and causing health and happiness to the whole sex; more especially to the married portion, as they are certain to bring on the monthly period with regularity. And whereas, these Pills are purely vegetable and entirely free from minerals, therefore perfectly harmless in their operations and wholly unlike other medicines thrust upon the public, purporting to effect the objects already detailed. Therefore, be it known, that nothing but the said Pills of Dr. Cheesman will accomplish the desired object, when disappointment has been experienced under the regime of other Pills; and the LADIES will cause this Proclamation to spread amongst them, to their own everlasting benefit—always premising that said Proclamation in one case must be considered null and void; that is to say, that the Pills must not be taken when any female is in an interesting situation, otherwise a miscarriage will be the inevitable result.  
Explicit directions, to be carefully read, accompany each box. Price \$1. Sent by mail on enclosing \$1 to Dr. Cornelius L. Cheesman, Box 4531, Post Office, New-York City. Sold by one Druggist in every town in the United States.

**Dalley's Magical Pain Extractor.**

In all diseases inflammation more or less predominates—now to allay inflammation strikes at the root of disease—hence an immediate cure.  
**Dalley's Magical Pain Extractor,** and nothing else, will allay inflammation at once, and make a certain cure.  
**Dalley's Magical Pain Extractor** will cure the following among a catalogue of diseases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, strains, bites, poison, chilblains, bites, scrofula, ulcers, fever sores, felons, ear ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barbers itch, small pox, measles, rash, &c., &c.  
To some it may seem incredulous that all many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the salve is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder.

**Dalley's Magical Pain Extractor**

In its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.  
No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, Manufacturer, For sale by all the Druggists and patent medicine dealers throughout the United States and Canada.

**J. H. WATSON, DENTIST**

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

**J. H. WALTON, ATTORNEY AT LAW,**

Has removed his office to his dwelling-house, first door below the office of the "Jeffersonian Office," and directly opposite S. J. Hollinshead's hotel, Elizabeth street.
