

A Strange Disease.

A singular disease has made its appearance at Jefferson City, Mo. The Inquirer of that city gives the following account of its symptoms:

"The unfortunate patient, as soon as the word abolitionist is mentioned in his hearing, begins to sweat, jump, hop, skip, rear, charge, tear, snort, snip, rip, tumble, sneeze, cough, spit, whoop, stammer, equal, howl, moan, groan, bellow, bewail, lament, despond, turn pale, look savage, froth at the mouth, roll his eyes, stamp his feet upon the ground, wheel round and round, fall down, get up again, and then does all that over again. O, horrible!"

The same disease prevails to some extent in this State, where it is known by the name of National Democracy. It is believed that a certain cure has recently been discovered, which fact cannot fail to send a thrill of pleasure through every philanthropic heart.

Vermin Riddance.

Half an ounce of soap boiled in a pint of water, and put on with a brush while boiling hot, infallibly destroys the bug and their eggs.

Rats and mice speedily disappear by mixing equal quantities of clove and powdered squills. They devour this mixture with great greediness, while it is innocuous to man.

When it is remembered how many persons have lost their lives by swallowing in mistake mixtures of strychnine, rat-bane, corrosive sublimate, which are commonly employed for this purpose, it becomes a matter of humanity to publish these items.

House ants ravenously devour the kernels of walnuts, and shellbarks or hickory nuts. Crack some of these, and place them on a plate near the infested places, and when the plate is full of ants, throw the contents in the fire.

Cockroaches, as well as ants, are driven away by streaking elderberry leaves on the shelves and other places frequented by these troublesome insects. — *Hull's Journal.*

Richmond boasts the largest flouring mill in the world. It is ninety-six feet front, one hundred and twenty-one feet high in front, divided into twelve stories. Each floor contains about 13,500 superficial feet; including the two floors in the roof, the total would be about 155,000 square feet, or rather more than three and a half acres. Altogether, the available space within the walls is about 500,000 square feet.

THE EGG TRADE.—Findlay, Hancock county, Ohio, which, from the 12th of April last, exported some 45,000 dozen of eggs, has been outdone by Wooster, which, according to the Republican of that place, shipped over 95,000 dozen the same period.

The Ocean (N. J.) Emblem says that the cashier of the bank at Tom's River, after banking hours have expired, walks quietly about with the institution in his pocket during the remainder of the day.

A book has just been published in New Orleans, entitled "How to get a rich wife," which contains a list of the names of all the rich marriageable ladies and gentlemen in Louisiana and the adjoining States, with the amount of rhino possessed by each.

The number of foreigners reaching the United States in the last fifteen years, is nearly four millions.

THE POETRY OF PHYSIC.—Doses have always been associated in our minds with very faces, and medicine has seemed from the days of childhood, another word for nausea and disgust. Its remedies were the worst part of sickness, and pain was not so hard to bear as the revolting portions we are compelled to swallow for its relief. Dr. Ayer's preparations herald another era. His Cherry Pectoral is like honey on the tongue, and healing balm on the stomach. His Pills! Try them—they are sweet morsels to taste, and glide sugar-sweet over the palate but their energy although wrapped up, is there, and strikes with telling force to the very foundations of disease. — *Cincinnati Citizen.*

Holloway's Ointment and Pills.—Ulcers and sores drain the system of its vital energy. Their diseased action is kept up by virulent matter in the vessels of the glands and skin. This matter is neutralized by the disinfecting operation of the Ointment. The Pills cure indigestion in all its forms. Purchasers are hereby informed of a certain test as to the genuineness of these remedies; it is necessary to see that each leaf of the book of directions around each pot and box shows the words, "Holloway, New York and London," as a Water-mark, in semi-transparent letters. All not thus authenticated are frauds.

CURE FOR THE AGUE.—A gentleman recently from Central America—a great place for the shakes—informs us that he has seen many obstinate cases cured by wearing finely pulverized rock salt between the feet and the stockings. We cannot vouch for the value of this remedy, but consider it worthy of trial. — *Genesee Farmer.*

A PROCLAMATION TO THE LADIES.

Whereas, it appears that the days of right, honor, and integrity are fast fading away, and whereas, the unscrupulous and ignorant are daily taking advantage of the profound and learned. But it known therefore, to all, whether Maids, Wives, or Widows, that Dr. Cheesman's Female Pills are alone the certain panacea for the troubles incident to female disorganization; they alone correcting all painful menstruation, assuaging palpitations of the heart, disturbed sleep, pain in the side, and causing health and happiness to the whole sex; more especially to the married portion, as they are certain to bring on the monthly period with regularity. And whereas, these Pills are purely vegetable and entirely free from minerals, therefore perfectly harmless in their operations and wholly unlike other medicines thrust upon the public, purporting to effect the objects already detailed. Therefore, be it known, that nothing but the said Pills of Dr. Cheesman will accomplish the desired object, when disappointment has been experienced under the regime of other Pills; and the Ladies will cause this Proclamation to spread amongst them, to their own everlasting benefit—always premising that said Proclamation in one case must be considered null and void; that is to say, that the Pills must not be taken when any female is in an interesting situation, otherwise a miscarriage will be the inevitable result.

Explicit directions, to be carefully read, accompany each box. Price \$1. Sent by mail on enclosing \$1 to Dr. Cornelius L. Cheesman, Box 4,531, Post Office, New York City. Sold by one Druggist in every town in the United States.

Delley's Magical Pain Extractor. In all diseases inflammation more or less predominates—now to allay inflammation strikes at the root of disease—hence an immediate cure. Delley's Magical Pain Extractor, and nothing else, will allay inflammation at once, and make a certain cure. Delley's Magical Pain Extractor will cure the following among a catalogue of diseases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, strains, bites, poison, chilblains, bites, scrofula, ulcers, fever sores, felons, ear ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barbers itch, small pox, measles, rash, &c., &c.

To some it may seem incredulous that so many diseases should be reached by one article, such an idea will vanish when reflection points to the fact, that the salve is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder. Delley's Magical Pain Extractor

In its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it. No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Delley, Manufacturer. For sale by all the Druggists and patent medicine dealers throughout the United States and Canada. Principal Depot, 165 Chambers St., New-York. C. F. CHACE. Sold in Stroudsburg, by Hollinshead and Detrick. Feb. 25, 1858.—1y.
