self in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the convenience and trouble of going so far .--Hence the necessity of obtaining the services purposes. of e dentist near home. All work warranted.

Mc'REAS CELEBRATED

LIQUID GLUE,

THE GREAT ADDESIVE. Most useful article ever invented, for house, store and office, surpassing in utility every other glue, gum, mucilage, paste or cement ever known.

Always ready for Application. ADHESIVE ON PAPER, CLOTH, LEATHER, FURNI

TURE, PORCELAIN, CHINA, MARBLE OR GLASS. For manufacturing Fancy Articles, Toys, etc., it has no superior, not only possessing greater strength than any other known article, but adheres more quickly, leaving no stain where the parts are joined. NEVER

Within the last three years upwards of 250,000 bottles of this justly celebrated LIQUID GLUE have been sold, and the great convenience which it has proved in every case, has deservedly secured for it a de- Medicine throughout the United States and mand which the Manufacturer has found it, the civilized world, in boxes at 25 cents, 62 at t mes, difficult to meet; acknowledged by 1.2 cents, and \$1 each. all who have used it, that its merits are far above any similar article or imitation ever the larger sizes. offered to the public.

IMPORTANT DISCOVERY. CONSUMPTION

adelphia last weallA din and aidelpha have sworn commissioners appointed to Diseases of the Lungs and Throat ARE POSITIVELY CURABLE BY INHALATION,

Which conveys the remedies to the cavities in the lungs through the air passages, and Gleets, Gravel, Diabetes, Diseases of the at a distance being as well protracted as neutralizes the tubercular matter, allays the Kidneys and Bladder, Mercurial Rheu-matism, Scrofula, Pains in the Bones and gers would respectfully call attention to heals the lungs, purifies the blood, impartthe fact that all persons have a legal right renewed vitality to the nervous system, give Limbs, Cancers, Dropsy, Epileptic Fits, to send orders for tickets to Georgia, as ing that tone and energy so indispensable for St. Vita's Dunce, and all diseases arising the lotteries of Samuel Swan & Co. are the restoration of health. To be able to state from a derangement of the Sexual Organs authorized by the Legislature of that confidently that Consumption is curable be inhalation, is to me a source of unalloyed pleasure. It is much under the control of ever, in the last stages, Inhalation affords extraordinary relief to the suffering attending

Truly the quiver of death has no arrow so fatal as Consumption. In all ages it has been drawn from the wheel, with the amount the great enemy of life, for it spares neither age nor sex, but sweeps off alike the brave. the beautiful, the graceful and the gifted. By me in promising to the afflicted who may lished after every drawing; in the follow- the help of that Supreme Being from whom place themselves under my care, a perfect ing papers: - New O leans Delta, Mobile cometh every good and perfect gift, I am enand most speedy cure. Secret diseases are Register, Charleston Standard, Nasville abled to offer to the afflicted a permanent and the greatest enemies to health, as they are Gazette, Atlanta Intellingencer, Savannah speedy cure in Consumption. The first cause of tubercles is from impure blood, and the immediate effect produced by their deposition in the lungs is to prevent the free admission of air into the air cells, which causes a weakened vitality through the entire system .--Then surely it is more rational to expect greater good from medicines entering the cavities of the lungs than from those administered through the stomach; the patient will always find the lungs free and the breathing easy, after 'ahaling remedies. Thus, Inhahalation is a local remedy, nevertheless it acts constitutionally, and with more power and certainty than remedies administered by the stomach. To prove the powerful and direct influence of this more of administration, chloroform inhaled will entirely destroy sensibility in a few minutes, paralyzing the entire ing and consigning them to an early grave Old sores, Cuts, Burns, Bruises, and Pains nervous system, so that a limb may be amputated without the slightest pain; inhaling the ordinary burning gas will destroy life in a few hours.

The inhalation of ammonia will rouse the system when faining or apparently dead .-The odor of many of the medicines is perceptible in the skin a few minutes after being inhaled, and may be immediately detected in the blood, A convincing proof of the constitutional effects of inhalation, is the fact that sickness is always produced by breathing foul air-is not this positive evidence that proper remedies, carefully prepared and judiciously Thousands of Certificates have been re- administered through the lungs should proyears' practice, many thousands suffering permanent and speedy cure can be effected. with certificates from unknown persons, or from diseases of the lungs and throat, have given by those who have never used the me been under my care, and I have effected many remarkable cures, even after the sufferers have been pronounced in the last stages, to any one who will prove that he ever pub. which fully satisfies me that consumption is no longer a fatal disease. My treatment of consumption is original, and founded on long Call on the agents and get a Phampnlet experience and a thorough investigation. My take it internally, Dr. Tobias has taken the sumption, and apply the proper remedies, rarelybeing mistaken even in a single case. This familiarity, in connection with certain pathological and microscopic discoveries, enables me to relieve the lungs from the effects of compound a Liniment called Venetian. contracted chests, to enlarge the chest, purify the blood, impart to it renewed vitality, giving energy and tone to the entire system.

Medicines with full directions sent to any part of the United States and Canadas by patients communicating their symptoms by letter. But the cure would be more certain if the patient should pay me a visit, which would give me an opportunity to examine the lungs and enable me to prescribe with much greater certainty, and then the cure could be effected without my seeing the patient again.
