

We learn from the Wilkesbarre times, that Earl Carpenter, of Scott township, (Luzerne Co.) committed suicide by hanging. He ate a hearty dinner, and upon leaving the table he picked up a rope, remarking that "that was no place for a dirty rope," and went immediately to the barn and committed the fatal deed. The cause is not known.

There are sixteen thousand Texas cattle now on the Plains, moving toward, that will be in Illinois, Iowa, Missouri and Kansas in the fall.

AYER'S PILLS.

FOR ALL THE PURPOSES OF A FAMILY PHYSIC.

THERE has long existed a public demand for an effective purgative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to make the best of all pills—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunately for the patient, however, that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These pills produce no irritation or pain, unless it arise from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the ailments which they have been specially cured by them, we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languor and Loss of Appetite, Laitnessness, Irritability, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the consequence of diseased action in the liver. As an aperient they afford prompt and sure relief in Constiveness, Piles, Colic, Dysentery, Hemorrhoids, Scarcity and Scanty, Colds with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required. They have also produced almost singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, Erysipelas, Eruption of the Heart, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of seasons. An occasional dose stimulates the stomach and bowels into healthy action, and restores the appetite and vigor. They purify the blood, and, by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous, even though no serious derangement exists; but unnecessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed that this will answer a better purpose than any thing which has hitherto been employed to mankind. When their merits are once known, the public will no longer doubt what remedy to employ in need of a cathartic medicine. Being sugar-wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity. For minute directions see wrapper on the Box.

AYER'S CHERRY PECTORAL,

For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

THIS remedy has won for itself such notoriety from its cures of every variety of pulmonary disease, that it is entirely unnecessary to recount the evidences of its virtues in any community where it has been employed. So wide is the field of its usefulness, and so numerous the cases of its cures that almost every section of the country abounds with persons publicly known, who have restored to life and even desperate diseases of the lungs by its use. When once tried its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate to purchase it, and its use is becoming more and more general. It is a pleasant and efficacious remedy for the relief of the pulmonary organs which are incident to our climate. And not only in formidable attacks upon the lungs, but for the milder varieties of Croup, Hoarseness, &c., and for Children it is the pleasantest and safest medicine that can be obtained. As it has long been in constant use throughout the country, we need not do more than assure the people its quality is kept up to the best that it ever has been, and that the genuine article is sold by Samuel Rees, Jr., and by Hollinshead & Detrick, Stroudsburg, Pa. August 13, 1857.—ly.

A PROCLAMATION TO THE LADIES.

Whereas, it appears that the days of right, honor, and integrity are fast fading away, and whereas, the unscrupulous and ignorant are daily taking advantage of the profound and learned. Be it known therefore, to all, whether Maids, Wives, or Widows, that Dr. Cheesman's Female Pills are alone the certain panacea for the troubles incident to female disorganization; they alone correcting all painful menstruation, assuaging palpitations of the heart, disturbed sleep, pain in the side, and causing health and happiness to the whole sex; more especially to the married portion, as they are certain to bring on the monthly period with regularity. And whereas, these Pills are purely vegetable and entirely free from minerals, therefore perfectly harmless in their operations and wholly unlike other medicines thrust upon the public, purporting to effect the objects already detailed. Therefore, be it known, that nothing but the said Pills of Dr. Cheesman will accomplish the desired object, when disappointment has been experienced under the regime of other Pills; and the LADIES will cause this Proclamation to spread amongst them, to their own everlasting benefit—always remembering that said Proclamation in one case must be considered null and void; that is to say, that the Pills must not be taken when any female is in an interesting situation, otherwise a miscarriage will be the inevitable result. Explicit directions, to be carefully read, accompany each box. Price \$1. Sent by mail on enclosing \$1 to Dr. Cornelius L. Cheesman, Box 4,531, Post Office, New York City. Sold by one Druggist in every town in the United States.

Dalley's Magical Pain Extractor.

In all diseases inflammation more or less predominates—now to allay inflammation strikes at the root of disease—hence an immediate cure.

Dalley's Magical Pain Extractor will cure the following among a catalogue of diseases; burns, scalds, cuts, chafes, sore nipples, corns, bunions, strains, bites, poison, chilblains, bites, scrofula, ulcers, fever sores, felon, ear ache, piles, sore eyes, goit, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ring worm, barbers itch, small pox, measles, rash, &c., &c.

To some it may seem incredulous that all many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the salve is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder.

Dalley's Magical Pain Extractor In its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving with the name of Henry Dalley, manufacturer, and for sale by all the Druggists and patent medicine dealers throughout the United States and Canada.
