

There were five deaths from heat in Philadelphia on Sunday last. The thermometer stood at 96 degrees in the shade.

Frack of Nature.

The Hollidaysburg *Whig* says, on Sunday last, a heifer belonging to Mr. Daniel Young, of this place, had four calves at one birth. They were all developed and perfect, exhibiting a beautiful sight, although, unfortunately, all born dead. The cause of their death is attributed to an injury the mother received some two or three weeks ago, she having been forced over the Juniata when the water was up. The mother of the calves is only three years old, this being the second time that she has given birth to her progeny. This is an anomaly in births from cows.

The Philadelphia *North American* states that one farmer sent to that city, one day last week, eighteen hundred quarts of strawberries, which sold at ten cents per quart.

THE ONLY ARTICLE UNRIVALED IN MARKET, WITH IMMENSE HOME AND EUROPEAN DEMAND.

The reason why, is that by Nature's own process it restores the natural color permanently after the hair becomes gray; supplies the natural fluids, and thus makes it grow on bald heads, removes all dandruff, itching, and heat from the scalp, quiets and tones up the nerves, and thus cures all nervous headache, and may be relied upon to cure all diseases of the scalp and hair; it will stop and keep it from falling off; makes it soft, glossy, healthy and beautiful and if used by the young two or three times a week, it will never fall or become gray, then reader, read the following and judge for yourselves:

New York, Jan. 8, 1858. Messrs. O. J. Wood & Co., Gentlemen: Having heard a good deal about Professor Wood's Hair Restorative, and my hair being quite gray, I made up my mind to lay aside the prejudice which I, in common with a great many persons, had against all manner of patent medicines, and a short time ago I commenced using your article, to test it for myself.

The result has been so very satisfactory that I am very glad I did so, and in justice to you, as well as for the encouragement of others who may be as grey as I was but who having my prejudice without my reasons for setting it aside, are unwilling to give your Restorative a trial till they have further proof, and the best proof being ocular demonstration, I write this letter, which you may show to any such, and also direct them to me for further proof, who am in and out of the N. Y. Wire Railing Establishment every day.

My hair is now its natural color and much improved in appearance every way, being glossier and thicker and much more healthy looking. I am, Yours, respectfully,

HENRY JENKINS. Cor. Columbia & Carroll sts. Brooklyn.

Livingston, Ala., Feb. 14, 1858. Prof. Wood—Dear Sir: Your Hair Restorative has done much good in this part of the country. My hair has been slightly diminishing for several years, caused, I suppose, from a slight burn when I was quite an infant. I have been using your Hair Restorative for six weeks and I find that I have a fine head of hair now growing, after having used all other remedies known, to no effect. I think it the most valuable remedy now extant, and advise all who are afflicted that you to use your remedy. You can publish this if you think proper. Yours, &c.

S. W. MIDDLETON. Philadelphia, Sept. 9, 1857. Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering—was in fact bald. I have used but 2 half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it. Yours, respectfully,

D. R. THOMAS, M. D. No. 464 Vine street.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/4 a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, and retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for \$3 a bottle.

THE LIVER INVIGORATOR.

PREPARED BY DR. SANFORD.

Compounded entirely from Gums.

Is one of the best Purgative and Liver medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and when it performs its functions well, the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for its performance of its functions; when the stomach is at fault, and the whole sequence of one or more of its organs ceases to do its duty. For the diseases of that organ, has made it his study, than twenty years, to whereunto to counteract the morbid action of the Liver, and to prove that this remedy is at last found, any person Complain in any of the organs, has but to try a bottle, and can more all morbid or system supplying in their place a healthy and well purifying, giving tone and health to the moving the cause of a radical cure.

Bilious attacks are better prevented, by the Liver Invigorator. One dose after each meal will cure the stomach from rising and souring. Only one dose taken before retiring, prevents Nightmare. Only one dose taken at night, loosens the bowels gently, and cures Costiveness. One dose taken after each meal will cure Dyspepsia. Only one dose of two teaspoonsful will always relieve Sick Headache. One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure. Only one dose immediately relieves Cholera, while one dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness. One bottle taken for Jaundice removes all sallowness or unnatural color from the skin. One dose taken a short time before eating gives vigor to the appetite, and makes food digest well. One dose often repeated cures Chronic Diarrhea in its worst forms, while Summer and Bowel complaints yield almost to the first dose. One or two doses cures attacks caused by Worms in Children; there is no surer, safer or speedier remedy in the world, as it never fails.

LFA few bottles cures Dropsy, by exciting the absorbents. We take pleasure in recommending this medicine as a preventive for Fever & Ague, Chills, and all Fevers of a Bilious Type. It operates with certainty, and thousands are willing to testify to its wonderful virtues. All who use it are giving their unanimous testimony in its favor.

Mix water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR is a Scientific Medical Discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver complaint, from the worst Jaundice or Dyspepsia to a common Headache, all of which are the result of a Diseased Liver.

PRICE ONE DOLLAR PER BOTTLE. Dr. SANFORD, Proprietor, 343 Broadway, New York. And retailed by all Drugists. Sold also by Hollishead & Detrick, and James N. Durling, Stroudsburg, Pa. July 1, 1858.—1y.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR, FROM THE Worst Scrufula down to a common Pimple.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face. Two or three bottles will clear the system of biles.

Two bottles are warranted to cure the worst canker in the stomach. Three or five bottles are warranted to cure the worst kind of Erysipelas. One or two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst kind of ringworm. Two or three bottles are warranted to cure the most desperate case of rheumatism. Three to four bottles are warranted to cure salt rheum. Five to eight bottles will cure the worst case of scrofula.

One to three bottles are warranted to cure the worst case of dyspepsia. I know from the experience of thousands that it has, caused by a canker in the stomach. One to two bottles are warranted to cure sick headache. One to two bottles are warranted to regulate a costive state of the bowels.

One to two bottles will regulate all derangement of the kidneys. Four to six bottles have cured the worst cases of dropsy. One to three bottles has cured the worst case of piles, a relief is always experienced. What a mercy to get relief in such an excruciating disease!

Since its first discovery, I have from time to time added various other herbs to it; of one of them, Hippocrates, the Father of Medicine, says: "It is an herb of Jubiter, and in the sign Leo." "It openeth obstructions of the liver, gall and spleen; it is an especial friend to the liver, worth all other herbs put together; cooling it when too hot, and warming it when too cold.

"It creteth an appetite, cureth all gone and sinking feelings in the pit of the stomach, easeth all pains and stitches in the side. "It cureth the jaundice by opening the gall, and restoreth the native color of the body.

"It expels all raw, visco us and slimy humors out of the body; it cleanseth all inward ulcers and congealed blood from the kidneys.

"By opening obstructions of the spleen, it purgeth all burnt cholera and melancholy vapors which rise to the head and brain, causing distressing headache, fearful foreboding of trouble, trembling of the heart, fainting and swooning.

"The herb boiled in wine is particularly good to revive the drooping spirit of the aged, and whoever has a lingering sickness after a fever, nothing restoreth him to health so quick as drinking the juice of this herb.

"The seeds boiled in water cureth the most offensive breath, and drunk at bedtime, preventeth what is commonly called nightmare, and all melancholy dreams, a disease bilious people are liable to."

The Father of Medicine says of another herb in this composition, that "it is an herb of the Sun, and in the sign Leo."

"The sun is the source of all life, and ruleth the heat; and this herb is the best cordial, the greatest strengthener of the heart, of any that grows; it comforteth the heart, cureth all palpitation thereof; it taketh away trembling, fainting and smothering of it; yet it must be taken carefully, or severe gripings will ensue, which must be corrected with fennel seed or ginger."

"So much for the herb, between which and the adder there is the utmost antipathy; so much so that the adder will not touch him that has the herb about him."

No change of diet ever necessary—eat the best you can get and enough of it. Directions for use. Adults one table spoonful per day—Children over ten years, desert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
