

Millions of Buffaloes. A correspondent of the St. Louis Republican, says that a Utah Mail party encountered on their journey, "millions of buffaloes, blocking up the highways so as to delay the mail, feeding upon the luxuriant grasses of the plains, while deer and antelope were more numerous than ever seen before."

Holloway's Ointment and Pills.—The idea that cancer is incurable cannot be entertained by persons who have witnessed the effect of these remedies on this terrible disease. The Ointment penetrates the substance of the cancer, and reaches its minutest ramifications in the flesh, checking its progress, and gradually restoring the parts affected to a sound condition, while the pills, acting upon the blood as a powerful detergent, destroy the seeds of the malady in the circulation.—The testimony on this head is abundant and conclusive.

THE GREAT ENGLISH REMEDY. SIR JAMES CLARKE'S Celebrated Female Pills.

PROTECTED BY ROYAL LETTERS PATENT. Prepared from a prescription of Sir J. Clarke, M. D. Physician Extraordinary to the Queen. A PROCLAMATION TO THE LADIES.

Whereas, it appears that the days of right, honor, and integrity are fast fading away, and whereas, the unscrupulous and ignorant are daily taking advantage of the profound and learned. Let it be known therefore, to all, whether Maids, Wives, or Widows, that Dr. Chesman's Female Pills are alone the certain panacea for the troubles incident to female disorganization; they alone correcting all painful menstruation, assuaging palpitations of the heart, disturbed sleep, pain in the side, and causing health and happiness to the whole sex; more especially to the married portion, as they are certain to bring on the monthly period with regularity. And whereas, these Pills are purely vegetable and entirely free from minerals, therefore perfectly harmless in their operations and wholly unlike other medicines thrust upon the public, purporting to effect the objects already detailed. Therefore, be it known, that nothing but the said Pills of Dr. Chesman will accomplish the desired object, when disappointment has been experienced under the regime of other Pills; and the LADIES will cause this Proclamation to spread amongst them, to their own everlasting benefit—always promising that said Proclamation in one case must be considered null and void; that is to say, that the Pills must not be taken when any female is in an interesting situation, otherwise a miscarriage will be the inevitable result.

Explicit directions, to be carefully read, accompany each box. Price \$1. Sent by mail on enclosing \$1 to Dr. Cornelius L. Chesman, Box 4,531, Post Office, New York City. Sold by one Druggist in every town in the United States.

Given under my hand and seal, C. L. CHESEMAN, M. D. R. B. HITCHMAN, General Agent for the United States, 165 Chambers-st., N. York. To whom all wholesale orders must be addressed. Sold in Stroudsburg by Hollinshead & Detrick; H. B. Seiple & Co. Easton. Feb. 25, 1858.—1y.

Dalley's Magical Pain Extractor.

In all diseases inflammation more or less predominates—now to allay inflammation strikes at the root of disease—hence an immediate cure.

Dalley's Magical Pain Extractor, and nothing else, will allay inflammation at once, and make a certain cure.

Dalley's Magical Pain Extractor will cure the following among a catalogue of diseases: Burns, scalds, cuts, chafes, sore nipples, corns, bunions, strains, bites, poison, chilblains, bites, scrofula, ulcers, fever sores, felons, ear ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barbers itch, small pox, measles, rash, &c., &c.

To some it may seem incredulous that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the salve is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder.

Dalley's Magical Pain Extractor

In its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, Manufacturing. For sale by all the Druggists and patent medicine dealers throughout the United States and Canada. Principal Depot, 165 Chambers St., New York. C. F. CHACE. Sold in Stroudsburg, by Hollinshead and Detrick. Feb. 25, 1858.—1y.

Cow Swallowing a Milk Maid.

The stomach of a cow recently killed in Kentucky, contained brass rings, a lot of hair pins, hooks and eyes, pieces of steel hoops, and a high-heeled shoe.—"Old Brindle" had probably swallowed the milk-maid.

DR. RAUMBACK in his travels on the Cape of Good Hope says: I found very frequently among the Dutch Boors of the back country, Ayer's Cherry Pectoral, which they keep hung up by a thong around the neck of the bottle to a peg over their hammocks. Indeed this seems to be their sole protection against the throat and lung disorders which are quite prevalent among them. I thought it a speaking comment on the practical genius of the American people, that they should furnish the staple, I believe the only remedy this people buy to use.—Asking if they used the same manufacturers Pills, they told me that better purgatives grew all around them than any body could prepare.

[From the New York NEWS.]

NOTHING SINCE THE FOUNDATION OF THE City of New York has produced the excitement among all classes that Prof. Wood's Hair Restorative has done. All classes from the gray and baldheaded sire, and the silver-haired matron, down to the sprightly youth and beautiful maiden with her glossy ringlets, are crowding the Depot at No. 312 Broadway; the former to be permanently restored, and the latter to possess themselves of that which will prevent the inroad of envious time, and cause the appearance of youth and beauty to linger to the greatest age. Besides all the popular Druggists in the country are constantly engaged in dealing out the Restorative to their customers, "and the cry is still they come."

CAUTION.—Beware of worthless inventions, as several are already in the market, called by different names. Use none unless the words (Professor Wood's Hair Restorative, Depot St. Louis, Mo., and New York.) are blown in the bottle.—Sold by all Druggists and Patent Medicine dealers, also by all Fancy and Toilet Goods dealers in the United States and Canada.

An Arm-Chair Stuffed with Bank Notes.

The French papers lately published an account of an old miser who had a habit of concealing his money and valuables in the covering of an ancient arm-chair, in which, invalided and unable to move, he passed his life. After his death this piece of furniture, worn with age, together with other household articles, was sold at auction for almost nothing, but subsequently was discovered by the lucky purchaser to contain upward of twenty thousand francs in good clean notes of the Bank of France! What a soft, pleasant chair, to be sure! How delicious must have been the repose it afforded!

A grocer firm in Norwalk, Connecticut, not being up as early as usual, a few days since, found on coming to the store, this label on the door:—"Closed on account of a Breakfast in the family."

"The Greatest Biography of the Age."

NOW READY: THE LIFE OF THOS. JEFFERSON, BY HENRY RANDALL, LL. D. In Three Volumes, Octavo.

THIS WORK contains upwards of 2,000 pages—is printed on fine paper, and handsomely bound in various styles. It is illustrated by several engravings on steel, and numerous fac-similes; among the former are two fine portraits of JEFFERSON. The fac-similes embrace, among others, the original draft of the Declaration of Independence, in JEFFERSON'S own handwriting. This is, in every sense, an authorized work; it was undertaken under the approbation of his family, and with an unreserved access to all the private papers of JEFFERSON in their possession; and has received the benefit of the recollections and opinions of every step. The work contains the expressions of JEFFERSON on every great public question which arose from his advent to public life to his death—a period of about sixty years, and embracing the whole forming period of the Republic. It contains JEFFERSON'S heretofore unpublished family correspondence; selections from his finest published letters, state papers, &c., &c.

OPINIONS OF THE PRESS.

"No other life of Jefferson ever published—probably none that ever will be published—can bear any comparison to this in thoroughness, fulness of incident and conscientious fidelity. * * * This biography has evidently been a labor of love, and the years of patient, assiduous toil it has cost, have been given with ungrudging, unostentatious enthusiasm."—N. Y. Tribune.

"At length the public have a Life of Thomas Jefferson that is not only fascinating, and therefore sure to be popular, but one that will stand the essential historic test—that of accuracy and truthfulness. It is seen that the ground-work of the whole is authentic contemporary material, and of the highest order. To gather it has been the work of years. We would not compare this volume with that inimitable and incomparable biography of Boswell, and yet so faithful is the portrait that Jefferson is made to draw of himself, that his nature, his very soul, is delineated with a distinctness not unlike that in which Johnson stands out in the pages of Boswell."—Boston Post.

"Imbued with that enthusiastic admiration of his subject, without which a biographer is rarely successful, Mr. Randall nevertheless does not seek to hide whatever faults he may find, either from himself or from the reader. He paints the picture as Cromwell insisted he should be painted, 'warts and all.' The picture gains by this in life-like coloring, without losing any of its majestic proportions."—Albany Eve. Jour.

"No one who runs his eye, however casually, over this work, will fail to be satisfied that Mr. Randall has added very largely to the stock of the world's information about Jefferson, that he has had access to sources hitherto unexplored, and that he has done more than was ever done by any one before him to illustrate the personality of that great statesman."—N. Y. Eve. Post.

"We have read with delight Mr. Randall's captivating details of Mr. Jefferson's personal history, which he has sedulously gathered, and admirably grouped together, from a great variety of authentic sources, hitherto unexplored. Out of the tempting richness of his materials, the able and clear-sighted author has constructed a book, at once most entertaining and instructive—one that should be studied by every patriot of the land."—Richmond Enquirer.

"There can be only one opinion as to the ability, general impartiality and industry which Mr. Randall has brought into combination in the composition of this biography. * * * He has worthily executed a much wanted book."—Phila. Press.

"It will take place among the choicest classics of American literature, and be consulted by every future historian of this country."—Phila. Eve. Bulletin.

"We like it because it neither conceals, palliates, exaggerates, nor distorts, but approaches, in every instance, and in every particular, the career of the noble character whose opinions have done so much to shape the domestic and foreign policy of the nation he contributed so greatly to call into existence."—N. O. True Delta.

"This work will be sold exclusively by subscription, at the low price of \$7.50—handsomely bound in cloth. Experienced Canvassing Agents wanted, in all parts of the country, to obtain subscribers for the work. Applicants should state what counties they would like to canvass. Specimen copies will be sent by mail, pre-paid, to any address, on receipt of the price. For full particulars address DERBY & JACKSON, Publishers, No. 119 Nassau-St., N. Y.

THE LIVER INVIGORATOR.

PREPARED BY DR. SANFORD, Compounded entirely from Gums. Is one of the best Purgative and Liver Medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human system, and when it performs its functions well, the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for its performance. If the stomach is at all diseased, and the whole system ceases to do its duty, the result is a state of debility, which is the cause of many of the diseases of the human system. The Liver Invigorator is a medicine which acts directly on the Liver, and restores it to its natural state of health. It is a powerful purgative, and its action is so gentle, that it may be taken by the most delicate constitution. It is a most valuable remedy for all diseases of the Liver, and for all cases of debility and weakness. It is a most valuable remedy for all diseases of the Liver, and for all cases of debility and weakness.

Only one dose taken before retiring, prevents Nightmare. Only one dose taken at night, loosens the bowels gently, and cures Costiveness. One dose taken after each meal will cure Dyspepsia. One dose of two teaspoonsful will always relieve Sick Headache. One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure. Only one dose immediately relieves Cholera, while one dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera. Only one bottle is needed to throw out of the system the effects of medicine after a long sickness. One bottle taken for Jaundice removes all sallowness or unnatural color from the skin. One dose taken a short time before eating gives vigor to the appetite, and makes food digest well. One dose often repeated cures Chronic Diarrhea in its worst forms, while Summer and Bowel complaints yield almost to the first dose. One or two doses cures attacks caused by Worms in Children; there is no surer, safer or speedier remedy in the world, as it never fails. A few bottles cures Dropsy, by exciting the absorbents. We take pleasure in recommending this medicine as a preventive for Fever & Ague, Chills, and all Fevers of a Bilious Type. It operates with certainty, and thousands are willing to testify to its wonderful virtues. All who use it are giving their unanimous testimony in its favor. Mix water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR

Is a Scientific Medical Discovery, and is daily working cures, almost too great to be believed. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver complaint, from the worst Jaundice or Dyspepsia to a common Headache, all of which are the result of a Diseased Liver. PRICE ONE DOLLAR PER BOTTLE. DR. SANFORD, Proprietor, 315 Broadway, New York. And retailed by all Drug Gists. Sold also by Hollinshead & Detrick, and James N. Durling, Stroudsburg, Pa. July 1, 1858.—1y.

LOTTERIES.

The Lotteries of Samuel Swan & Co., are chartered by the State of Georgia, and have sworn commissioners appointed to superintend their drawings, and certify that everything connected with the same is done in a strictly honorable manner.—They offer to the public a fair opportunity for investment, the interests of parties at a distance being as well protected as though they were present. The Managers would respectfully call attention to the fact that all persons have a legal right to send orders for tickets to Georgia, as the Lotteries of Samuel Swan & Co. are authorized by the Legislature of that State. A lottery will be drawn every Saturday throughout the year, all orders received being filled in the drawing next to take place after the same comes to hand. According to the scheme one ticket in every nine must draw a prize. Tickets are \$10; halves, \$5; quarters, \$2.50. No tickets sent unless the money accompanies the order. The drawings are upon the principle of one number on each ticket, and are so simple that none can fail to understand them. There is no combination of numbers to mystify the buyer. Prizes vary from \$40 to \$70,000; every prize being drawn, and result of drawing forwarded to all purchasers. A list of the numbers that are drawn from the wheel, and the amount that each prize is entitled to, will be published after every drawing; in the following papers:—New Orleans Delta, Mobile Register, Charleston Standard, Nashville Gazette, Atlanta Intelligencer, Savannah News and New York Weekly Day Book, and New York Sunday Dispatch. Write your address plainly, and direct to S. SWAN & CO., Augusta, Georgia. Prizes paid in full—no percentage deducted from prizes as in other lotteries. All communications strictly confidential.
