

THE ONLY ARTICLE UNRIVALED IN MARKET, WITH IMMENSE HOME AND EUROPEAN DEMAND.

The reason why, is that by Nature's own process it restores the natural color permanently after the hair becomes gray; supplies the natural fluids, and thus makes it grow on bald heads, removes all dandruff, itching, and heat from the scalp, quiets and tones up the nerves, and thus cures all nervous headache, and may be relied upon to cure all diseases of the scalp and hair; it will stop and keep it from falling off; makes it soft, glossy, healthy and beautiful; and if used by the young two or three times a week, it will never fall or become gray, then reader, read the following and judge for yourselves:

New York, Jan. 8, 1858.

Messrs. O. J. Wood & Co., Gentlemen: Having heard a good deal about Professor Wood's Hair Restorative, and my hair being quite gray, I made up my mind to lay aside the prejudice which I, in common with a great many persons, had against all manner of patent medicines, and a short time ago I commenced using your article, to test it for myself.

The result has been so very satisfactory that I am very glad I did so, and in justice to you, as well as for the encouragement of others who may be as grey as I was but who having my prejudice without my reasons for setting it aside, are unwilling to give your Restorative a trial till they have further proof, and the best proof being ocular demonstration, I write this letter, which you may show to any such, and also direct them to me for further proof, who am in and out of the N. Y. Wire Railing Establishment every day.

My hair is now its natural color and much improved in appearance every way, being glossier and thicker and much more healthy looking. I am, Yours, respectfully,

HENRY JENKINS.
Cor. Columbia & Carroll sts. Brooklyn.

Livingston, Ala., Feb. 14, 1858.

Prof. Wood.—Dear Sir: Your Hair Restorative has done much good in this part of the country. My hair has been slightly thinning for several years, caused, I suppose, from a slight burn when I was quite an infant. I have been using your Hair Restorative for six weeks and I find that I have a fine head of hair now growing, after having used all other remedies known, to no effect. I think it the most valuable remedy now extant, and advise all who are afflicted that way to use your remedy. You can publish this if you think proper. Yours, &c.

S. W. MIDDLETON.
Philadelphia, Sept. 9, 1857.

Prof. Wood.—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering—in fact bald. I have used but 2 half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it. Yours, respectfully,

D. R. THOMAS, M. D.
No. 464 Vine Street.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds $\frac{1}{2}$ a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for \$3 a bottle.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR. FROM THE Worst Scrupulous down to a common Pimple. Two bottles are warranted to cure a sore on your mouth. One to three bottles will cure the worst case of pimples on the face. Two or three bottles will clear the system of biles. Two bottles are warranted to cure the worst canker in the stomach. Three or five bottles are warranted to cure the worst kind of Erysipelas. One or two bottles are warranted to cure all humor in the eyes. Two bottles are warranted to cure running of the ears and blotches among the hair. Four or six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruptions of the skin. Two or three bottles are warranted to cure the worst kind of ringworm. Two or three bottles are warranted to cure the most desperate case of rheumatism. Three or four bottles are warranted to cure salt rheum. Five or eight bottles will cure the worst case of scrofula. One to three bottles are warranted to cure the worst case of dyspepsia. I know from the experience of thousands that it has, caused by a canker in the stomach. One to two bottles are warranted to cure sick headache. One to two bottles are warranted to regulate a costive state of the bowels. One to two bottles will regulate all derangement of the kidneys. Four to six bottles have cured the worst cases of dropsy. One to three bottles has cured the worst case of piles; a relief is always experienced. What a mercy to get relief in such an excruciating disease! Since its first discovery, I have from time to time added various other herbs to it; of one of them, Hippocrates, the Father of Medicine, says: "It is an herb of Jupiter, and in the sign Leo."

It opens obstructions of the liver, gall and spleen; it is an especial friend to the liver, worth all other herbs put together; cooling it when too hot, and warming it when too cold. It creates an appetite, cures all gone and staking feelings in the pit of the stomach, eases all pains and stitches in the side. It cures the jaundice by opening the gall, and restoreth the natural color of the bile. It expels all raw, viscous and slimy humors out of the body; it cleanseth all inward ulcers and congealed blood from the kidneys. By opening obstructions of the spleen, it purgeth all burnt cholera and melancholy vapors which rise to the head and brain, causing distressing headache, fearful foreboding of trouble, trembling of the heart, fainting and swooning. The herb boiled in wine is particularly good to revive the drooping spirit of the aged, and whoever has a lingering sickness, such as a fever, nothing restoreth him to health so quick as drinking the juice of this herb. The seeds boiled in water cure the most offensive breath, and drunk at bedtime, preventeth what is commonly called night mellow; people are liable to. The Father of Medicine says of another herb in this composition, that "it is an herb of the Sun, and in the sign Leo." The sun is the source of all life, and ruleth the heart; and this herb is the best curial, the greatest strengthener of the heart, of any that grows; it comforteth the heart, cures all palpitation thereof; taketh away trembling, fainting and smothering of it; yet it must be taken carefully, or severe gripings will ensue, which must be corrected with fennel seed or ginger.

"So much for this herb, between which and the adder there is the utmost antipathy; so much so that the adder will not touch him that has the herb about him." No change of diet ever necessary—eat the best you can get and enough of it. Directions for use. Adults one table spoonful—Children over ten years desert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day. Manufactured by DONALD KENNEDY, No. 120 Warren Street, Roxbury, Mass. Price \$1 00. Sold in Stroudsburg, by Hollinshead & Detrick, James N. Durling, and by all Druggists in City and Country in general. June 24, 1858.—1y.

Just Published, Gratis, the 20th Thousand.

A few words on the rational treatment, without Medicines, of a permanent or Local Weakness, Nocturnal Emissions, Genital and Nervous Debility, Impotency, and Impediments to Marriage generally, by B. DE LANEY, M. D.

The important fact that the many alarming complaints, originating in the immoderate and solitude of youth, may be easily removed without medicine, is in this small tract, clearly demonstrated; and the entirely new and highly successful treatment, as adopted by the Author, fully explained, by means of which every one is enabled to cure himself perfectly, and at the least possible cost, thereby avoiding the advertised nostrums of the day.

"No such Word as Fail."

HOLLOWAY'S OINTMENT. Circular to the Sick.

The first hospital surgeons and medical publicists of Europe admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidence of disease, and neutralize the fiery elements which feed and exasperate the malady.

Rheumatism, Scrofula, Erysipelas.

These are among the most terrible and agonizing diseases of the muscles, and fleshy fibre of the skin; yet in the worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antitoxic to pain and inflammation.

Salt Rheum, Fever Sores, Stiff Joints.

In cases of Salt Rheum, where medicated waters, lotions, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

Discharging Ulcers.

A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly until the orifice is filled up with sound material, and the ulcer radically cured.

A Word to Mothers.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the enervated sores which sometimes disfigure the heads and faces of children.

Significant Facts.

This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scorbutic affections, and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

AYER'S CHERRY PECTORAL,

For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, AND CONSUMPTION.

This remedy has won for itself such notoriety from its cures of every variety of pulmonary disease, that it is entirely unnecessary to recount the instances of its virtues in any community where it has been employed. So wide is the field of its usefulness, and so numerous the cases of its cures, that persons generally known of the country abound from alarming and even desperate diseases of the lungs by its use. When once tried its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs which are incident to our climate. And not only is it a formidable attack upon the lungs, but for the milder varieties of Coughs, Hoarseness, &c.; and for CHILDREN it is the pleasantest and safest medicine that can be administered in any form.

As it has long been in constant use throughout this section, we need not more than assure the people its quality is kept up to the best that it ever has been, and that the genuine article is sold by Samuel Rees, Jr., and by Hollinshead & Detrick, Stroudsburg, Pa. August 13, 1857.—1y.

AYER'S PILLS.

FOR ALL THE PURPOSES OF A FAMILY PHYSIC.

THERE has long existed a public demand for an effective purgative pill which could be relied on as safe and perfectly safe in its operation. This has been prepared, and it has been found that the same dose which would not act on one who should have a more delicate trial its virtues are conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to make the best of all pills—the system as to more the patient his嗜好, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It is perfectly safe and perfectly safe in its operation. It is made of purely vegetable matter, and from the best materials in any quantity; but it is better than any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by them, we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Langour and Loss of Appetite, Lowness of Spirits, Biliousness, Headache, Bilious Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the consequence of diseased action in the liver. As an aperient they afford prompt and sure relief in Constipation, Piles, Colic, Dysentery, Humors, Scrofula and Scoury, Colds with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is wanted, they are given on the box. Among the complaints which they have cured so singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, Erysipelas, Palpitation of the Heart, Pains in the Back, Stomach, and Side. They should be taken in the spring of the year, to purify the blood and prepare the system for the change of seasons. An occasional dose stimulates the stomach and bowels into healthy action, and restores the appetite and vigor of the body, and when taken in large quantities, they act as a powerful stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or dissipated energies of the whole organism. Hence an occasional dose is a most valuable and even though no serious derangement exists; but unnecessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The following diseases, which a physician is rarely called upon to treat, but which they suggest themselves to the reason of every body; and it is confidently believed this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine. Being sugar-wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity. For minute directions see wrapper on the Box.

Demijohns, from 1 to 5 gallons; bottles, and generally any thing that can be asked for in our line.

Landlords will find it greatly to their advantage to deal with me. I have no hired agents to sell and distribute liquors for me at great expense, which must be paid for by the consumer. Those dealing with me I intend shall be satisfied with the article they get, as well as the price, and whenever they are not, I will be pleased to have them return the liquor, and make the fact known, for I intend to make it a permanent business, and can only do so by dealing honestly. All orders sent me, by stage drivers or others, will be promptly attended to, the same as though the person was present dealing for himself.

HOWARD ASSOCIATION, PHILADELPHIA.

To all persons afflicted with Sexual Diseases, such as Syphilis, Scrofula, Seminal Weakness, Impotence, Gonorrhoea, Gleet, Syphilis, the Vice of Onanism, or self-abuse, &c. &c. THE HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deepening upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a charitable act, worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical advice gratis, to all who apply by letter, with a description of their condition (age, occupation, habits of life, &c.) and in cases of extreme poverty, to furnish medicines free of charge. It is needless to add that the Association command the highest medical skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, are assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just Published by the Association, a Report on Syphilis, or Seminal Weakness, the Vice of Onanism, Masturbation or Self Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed and receipt envelope) FREE OF CHARGE, on receipt of TWO STAMPS for postage. Address, Report or treatment, Dr. GEO. R. CALHOUN, Consulting Surgeon, Howard Association, No. 2 South Ninth Street Philadelphia, Pa.
