The Kansas Election --- The English Bribe Rejected.

The land bribe did not prove tempting their tracks, and were so standing when searcely any abatement of the interest. enough to induce the voters of Kansas to found. accept a detested and offensive Constitution. They have given the English finality its quietus, and consigned the Lecompton Cynstitution to an ignominious grave. Nobly, gloriously have the people of Kansas redeemed themselves, and shown to the world that they are incorruptible; that they are not to be bought; and although they have suffered long and patiently in a\$4 30. their struggle to plant free institutions on the virgin soil of Kansas, they are still willing to suffer on until they can come into the Union with a Constitution of their own choice, untsinted with slavery .---They are not to be seduced by flattery or promises of reward from their stern resistance to slavery, which was designed to be forced upon them by the most barefaced fraud. They have a third time put 72 years, 5 months and 3 days. their feet upon the neck of the monster which a corrupt Administration intended to fasten upon their necks-and the last time more decidedly and indignantly than at the first trials. A voice is again sent up from that di-tant and down-trodden Territory, repudiating the in-ults which President Buchapap intended to affix uringing in the ears of a venal and cor- tain panacea for the troubles incident to ferupt Administration, who scrupled at no male disorganization; they alone correcting scheme of wickedness in order to force all painful menstruation, assuaging palpita-Lecompton through Congress. Well may tions of the heart, disturbed sleep, pain in the

rublic sentiment in Kansas.

A Cure for Deafness.

An "exchange" gives the following recipe as an infallible cure for deafness, which it alleges has been tried frequently To whom all wholesale orders must be adand with perfect success:

"A gentleman of this city who was afflicted with deafness for five years having trick ; H. B. Semple & Co. Easton. been shown the receipt, and supplied with the honey, followed the directions, and was cured of his deafness:-Take a vial. fill it three parts of humble-bce honey, set it upright in a loaf of bread before putting it in an oven to bake; leave it there until the loaf is baked, and all the PROTECTED impurities will come to the top. Now put in your car, before retiring, one drop of BY ROYAL this, and the next night a drop of sweet Prepared from a presription of Sir J. Clarke, oil; continue this alternately from night to night until the cure is effected."

Hail Storm.

was visited on Sauday afternoon with a be relied on severe hail storm. I left a drift seven inches deep in Franklin, Norfolk county, after cutting down growing crop-, knocking apples from the trees, killing the tirds, and frightening the cattle and women folks. In Attleboro' it was such a Central House was struck by lightning. ham the storm was about half a mile wide and three long, in a northeast direction from Marlboro' line, and in this space which should be carefully preserved. every green thing was whipped into fiddle strings. In Sherborn, adjoining, the desolation was such that one larmer estimates his loss at \$500.

Straws for Mint Juleps.

loons in St. Lois, it is said, are furnished with straws for sucking mint juleps, by one man who sells them for one and a half or two doilars a thousand; from about two acres of laud, on which he grows rye annually, he sells about twenty-four hundred dollars' worth of straws. They are also packed in barrels, containing about leans, St. Paul, and the intermediate pla- will cure the following among a catalogue of ces, and the demand is increasing.
