

**THE ONLY ARTICLE UNRIVALED IN MARKET, WITH IMMENSE HOME AND EUROPEAN DEMAND.**

The reason why, is that by Nature's own process it restores the natural color permanently after the hair becomes grey; supplies the natural fluids, and thus makes it grow on bald heads, removes all dandruff, itching, and may be relied upon to cure all diseases of the scalp and hair; it will stop and keep it from falling off; makes it soft, glossy, healthy and beautiful and if used by the young two or three times a week, it will never fall or become grey, then read the following and judge for yourselves:

New York, Jan. 8, 1858.  
Messrs. O. J. Wood & Co.,  
Gentlemen: Having heard a good deal about Professor Wood's Hair Restorative, and my hair being quite grey, I made up my mind to lay aside the prejudice which I, in common with a great many persons, had against all manner of patent medicines, and a short time ago I commenced using your article, to test it for myself.

The result has been so very satisfactory that I am very glad I did so, and in justice to you, as well as for the encouragement of others who may be as grey as I was but who having my prejudice without my reasons for setting it aside, are unwilling to give your Restorative a trial till they have further proof, and the best proof being ocular demonstration, I write this letter, which you may show to any such, and also direct them to me for further proof, who am in and out of the N. Y. Wire Railing Establishment every day.

My hair is now its natural color and much improved in appearance every way, being glossier and thicker and much more healthy looking. I am, Yours, respectfully,  
HENRY JENKINS.  
Cor. Columbia & Carroll sts. Brooklyn.  
Livingston, Ala., Feb. 14, 1858.

Prof. Wood—Dear Sir: Your Hair Restorative has done much good in this part of the country. My hair has been slightly dimming for several years, caused, I suppose, from a slight burn when I was quite an infant. I have been using your Hair Restorative for six weeks and I find that I have a fine head of hair now growing, after having used all other remedies known, to no effect. I think it the most valuable remedy now extant, and advise all who are afflicted that way to use your remedy. You can publish this if you think proper. Yours, &c.  
S. W. MIDDLETON.  
Philadelphia, Sept. 9, 1857.

Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering—was in fact bald. I have used but 2 half pint bottles of your Restorative, and now the top of my head is well stored with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it. Yours, respectfully,  
D. R. THOMAS, M. D.  
No. 464 Vine street.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/4 a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for \$3 a bottle.

**THE GREATEST MEDICAL DISCOVERY OF THE AGE.**

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

**EVERY KIND OF HUMOR,**  
FROM THE  
Worst Scrupulous down to a common Pimple.

Two bottles are warranted to cure a nursing sore mouth  
One to three bottles will cure the worst kind of pimples on the face.  
Two or three bottles will clear the system of humors.

Two bottles are warranted to cure the worst canker in the stomach.  
Three or five bottles are warranted to cure the worst kind of Erysipelas.

One or two bottles are warranted to cure all humors in the eyes.  
Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.  
One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst kind of ringworm  
Two or three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure scaly rheum.  
Five to eight bottles will cure the worst case of scrofula.

One to three bottles are warranted to cure the worst case of dyspepsia. I know from the experience of thousands that it has, caused by a canker in the stomach.

One to two bottles are warranted to cure sick headache.  
One to two bottles are warranted to regulate a costive state of the bowels.

One to two bottles will regulate all derangement of the kidneys.  
Four to six bottles have cured the worst cases of dropsy.

One to three bottles has cured the worst case of piles; a relief is always experienced. What a mercy to get relief in such an excruciating disease!

Since its first discovery, I have from time to time added various other herbs to it; of one of them, Hippocrates, the Father of Medicine, says: "It is an herb of Jupiter, and in the sign Leo."

"It openeth obstructions of the liver, gall and spleen; it is an especial friend to the liver, worth all other herbs put together; cooling it when too hot, and warming it when too cold.

"It creteth an appetite, cureth all general and sinking feelings in the pit of the stomach, easeth all pains and stitches in the side.

"It cureth the jaundice by opening the gall, and restoreth the native color of the body.

"It expels all raw, viscoso and slimy humors out of the body; it cleanseth all inward ulcers and congealed blood from the kidneys.

"By opening obstructions of the spleen, it purgeth all burnt cholera and melancholy vapors which riseth to the head and brain, causing distressing headache, fearful foreboding of trouble, trembling of the heart, fainting and swooning.

"The herb boiled in wine is particularly good to revive the drooping spirit of the aged, and whoever has a lingering sickness after a fever, nothing restoreth him to health so quick as drinking the juice of this herb.

"The seeds boiled in water cureth the most offensive breath, and drank at bedtime, preventeth what is commonly called nightmare, and all melancholy dreams, a disease bilious people are liable to."

The Father of Medicine says of another herb in this composition, that "it is an herb of the Sun, and in the sign Leo."

"The sun is the source of all life, and ruleth the heart; and this herb is the best cordial, the greatest strengthener of the heart, cureth all palpitation thereof; it taketh away trembling, fainting and smothering of it; yet it must be taken carefully, or severe gripings will ensue, which must be corrected with fennel seed or ginger.

"So much for this herb, between which and the adder there is the utmost antipathy; so much so that the adder will not touch him that has the herb about him."

No change of diet ever necessary—eat the best you can get and enough of it.  
Directions for use. Adults one table spoonful per day—Children over ten years, desert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

**THE MEDICINE OF THE MILLION. PHILOSOPHY AND FACT.**

**HOLLOWAY'S PILLS.**

**The Extinguish Cause of Sickness.**  
The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The Stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

**The National Complaint.**  
Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; be whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and happily to this teaching and unerring remedy.

**Bilious Affections.**  
The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.

**Bowel Complaints.**  
Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhoea, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming case of bowel complaint are promptly controlled.

**A Word to Females.**  
The local debility and irregularities which are the especial annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alterative.

Holloway's Pills are the best remedy known in the world for the following diseases:

- |                   |                      |
|-------------------|----------------------|
| Asthma            | Headache             |
| Bowel Complaints  | Indigestion          |
| Coughs            | Influenza            |
| Cold              | Inflammation         |
| Chest Diseases    | Inward Weakness      |
| Constipation      | Liver Complaints     |
| Dyspepsia         | Lowliness of Spirits |
| Diarrhoea         | Piles                |
| Dropsy            | Scour and Gravel     |
| Dribbling         | Secondary Symptoms   |
| Fever and Ague    | Veneral Affections   |
| Female Complaints | Worms of all kinds   |

**Caution—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any person rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.**

**AYER'S PILLS,**

A new and singularly successful remedy for the cure of all Bilious diseases—Costiveness, Indigestion, Jaundice, Dropsy, Rheumatism, Fevers, Gout, Humors, Nervousness, Irritability, Inflammations, Headache, Pains in the Breast, Side, Back, and Limbs, Female Complaints, &c. &c. Indeed, very few are the diseases in which a Purgative Medicine is not more or less required, and much sickness and suffering might be prevented, if a harmless but effectual Cathartic were more freely used. No person can feel well while a costive habit of body prevails; besides it soon generates serious and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This is alike true of Colds, Feversish symptoms, and Bilious derangements. They all tend to become or produce the deep seated and formidable distempers which load the bowels all over the land. Hence a reliable family physic is of the first importance to the public health, and this Pills has been perfected with consummate skill to meet that demand. An extensive trial of its virtues by Physicians, Professors, and Patients, has shown results surpassing anything hitherto known of any medicine. Cures have been effected beyond belief, were they not substantiated by persons of such elevated position and character as to forbid the suspicion of untruth.

Among the many eminent gentlemen who have testified in favor of these Pills, we may mention:—  
DR. A. A. HAYES, Analytical Chemist of Boston and State Assayer of Massachusetts, whose high professional character is endorsed by the  
HON. EDWARD EVERETT, Senator of the U. S.  
ROBERT C. WINTHROP, Ex-Speaker of the House of Representatives.

Also, DR. J. R. CHILTON, Minister Plen. to England & JOHN B. FITZPATRICK, Cath. Bishop of Boston  
N. B.—We are authorized by the  
HON. W. L. MARCY, Secretary of State.  
WM. B. ASTOR, the richest man in America.  
S. LELAND & Co., Proprietors of the Metropolitan Hotel, and others.

Did space permit, we could give many hundred certificates, from all parts where the Pills have been used, but evidence even more convincing than the experience of eminent public men is found in their effects upon trials.

These Pills, the result of long investigation and study, are offered to the public as the best and most complete which the present state of medicine affords. They are compounded not of the drugs themselves, but of the medicinal virtues of Vegetable remedies, extracted by chemical process in a state of purity, and combined together in such a manner as to insure the best results. This system of composition for medicines has been first in the Cherry Pectoral and Pills both, to produce a more efficient remedy than had hitherto been obtained by any process. The reason is, as we have stated, while by the old mode of composition, every medicine is burdened with more or less of acrimonious and injurious qualities, by this each individual virtue only that is desired for the medicinal purpose, is retained in the medicine. Hence it is self-evident the effects should be more powerful and more permanent, and the Pills a surer more powerful antidote to disease than any other medicine known to the world.

As it is frequently expedient that my medical should be taken under the counsel of an attending Physician, and as he could not properly judge of a remedy without knowing its composition, I have supplied the accurate Formula by which both my Cherry Pectoral and Pills are made, to the whole body of Physicians in the United States and British American Provinces. If, however, there should be any one who has not received them, they will be promptly forwarded by mail to his or her address. Of all the Patent Medicines that are offered, few would be taken if their composition was known. Their life consists in their mystery. I have my mysteries.

The composition of my preparations is laid out to all men, and all who are competent to judge of the subject freely acknowledge their convictions of their intrinsic merits. The Cherry Pectoral was pronounced by scientific men to be a wonderful medicine before its effects were known. Many eminent Physicians have declared the same thing of my Pills, and even more confidently, and are willing to certify that their anticipations were more than realized by their effects upon trials.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and all the organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Being sugar wrapped they are pleasant to take, and are purely vegetable, no harm can arise from their use in any quantity.

For minute directions, see wrapper &c. &c.

THE HOWARD ASSOCIATION, in view of the awful destruction of human life caused by Sexual diseases, and the deception practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a charitable act, worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical Advice gratis to all who apply by letter, with a description of their condition (age, occupation, habits of life, &c.) and in cases of extreme poverty, to furnish medicines free of charge. It is need less to add that the Association commands the highest medical skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.
