

**THE ONLY ARTICLE UNRIVALED IN MARKET, WITH IMMENSE ROME AND EUROPEAN DEMAND.**

The reason why, is that by Nature's own process it restores the natural color permanently after the hair becomes gray; supplies the natural fluids, and thus makes it grow on bald heads, removes all dandruff, itching, and heat from the scalp, quiets and tones up the nerves, and thus cures all nervous headache, and may be relied upon to cure all diseases of the scalp and hair; it will stop and keep it from falling off; makes it soft, glossy, healthy and beautiful and if used by the young two or three times a week, it will never fall or become gray, then reader, read the following and judge for yourselves.

New York, Jan. 8, 1858.  
Messrs. O. J. Wood & Co.,  
Gentlemen: Having heard a good deal about Professor Wood's Hair Restorative, and my hair being quite gray, I made up my mind to lay aside the prejudice which I, in common with a great many persons, had against all manner of patent medicines, and a short time ago I commenced using your article, to test it for myself.

The result has been so very satisfactory that I am very glad I did so, and in justice to you, as well as for the encouragement of others who may be as grey as I was but who having my prejudice without my reasons for setting it aside, are unwilling to give your Restorative a trial till they have further proof, and the best proof being ocular demonstration, I write this letter, which you may show to any such, and also direct them to me for further proof, who am in and out of the N. Y. Wire Railing Establishment every day.

My hair is now its natural color and much improved in appearance every way, being glossier and thicker and much more healthy looking. I am, Yours, respectfully,  
HENRY JENKINS,  
Cor. Columbia & Carroll sts. Brooklyn.

Livingston, Ala., Feb. 14, 1858.  
Prof. Wood—Dear Sir: Your Hair Restorative has done much good in this part of the country. My hair has been slightly diminishing for several years, caused, I suppose, from a slight burn when I was quite an infant. I have been using your Hair Restorative for six weeks and I find that I have a fine head of hair now growing, after having used all other remedies known, to no effect. I think it the most valuable remedy now extant, and advise all who are afflicted that way to use your remedy. You can publish this if you think proper. Yours, &c.  
S. W. MIDDLETON.

Philadelphia, Sept. 9, 1857.  
Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering was in fact bald. I have used two 4 half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it. Yours, respectfully,  
D. R. THOMAS, M. D.  
No. 464 Vine street.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 4 a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for \$3 a bottle.

**THE GREATEST MEDICAL DISCOVERY OF THE AGE.**

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR, FROM THE

Worst Scrofula down to a common Pimple Two bottles are warranted to cure a nursing sore mouth

One or three bottles will cure the worst kind of pimples on the face. Two or three bottles will clear the system of Biles. Two bottles are warranted to cure the worst canker in the stomach. Three or five bottles are warranted to cure the worst kind of Erysipelas. One or two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst kind of ringworm. Two or three bottles are warranted to cure the most desperate case of rheumatism. Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula. One to three bottles are warranted to cure the worst case of dyspepsia. I know from the experience of thousands that it has, caused by a canker in the stomach.

One to two bottles are warranted to cure sick headache. One to two bottles are warranted to regulate a costive state of the bowels. One to two bottles will regulate all derangements of the kidneys.

Four to six bottles have cured the worst cases of dropsy. One to three bottles has cured the worst case of piles; a relief is always experienced. What a mercy to get relief in such an excruciating disease!

Since its first discovery, I have from time to time added various other herbs to it; of one of them, Hippocrates, the Father of Medicine, says: "It is an hero of Jupiter, and in the sign Leo."

"It openeth obstructions of the liver, gall and spleen; it is an especial friend to the liver, worth all other herbs put together; cooling it when too hot, and warming it when too cold."

"It creteth an appetite, cureth all gone and sinking feelings in the pit of the stomach, easeth all pains and stitches in the side. It cureth the jaundice by opening the gall, and restoreth the native color of the body."

"It expels all raw, viscus and slimy humors out of the body; it cleanseth all inward ulcers and congealed blood from the kidneys."

"By opening obstructions of the spleen, it purgeth all burnt cholera and melancholy vapors which rise to the head and brain, causing distressing headache, fearful foreboding of trouble, trembling of the heart, fainting and swooning."

"The herb boiled in wine is particularly good to revive the drooping spirit of the aged, and whoever has a lingering sickness after a fever, nothing restoreth him to health so quick as drinking the juice of this herb."

"The seeds boiled in water cureth the most offensive breath, and drank at bedtime, preventeth what is commonly called nightmare, and all melancholy dreams, a disease obnoxious people are liable to."

"The Father of Medicine says of another herb in this composition, that 'it is an hero of the Sun, and in the sign Leo.' 'The sun is the source of all life, and ruleth the heart; and this herb is the best cordial, the greatest strengthener of the heart, of any that grows; it comforteth the heart, cureth all palpitation thereof; it keth away trembling, fainting and smothering of it; yet it must be taken carefully, or severe gripings will ensue, which must be corrected with fennel seed or ginger."

"So much for this herb, between which and the adder there is the utmost antipathy; so much so that the adder will not touch him that has the herb about him."

No change of diet ever necessary—eat the best you can get and enough of it. Directions for use. Adults one table spoonful per day—Children over ten years, desert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

Manufactured by DONALD KENNEDY, No. 120 Warren Street, Roxbury, Mass. Price \$1.00. Sold in Stroudsburg, by Hollinshead & Detrick, James N. Durling, and by all Druggists in City and Country in general. June 24, 1858.—1y.

**THE MEDICINE OF THE MILLION. PHILOSOPHY AND FACT.**

**HOLLOWAY'S PILLS. The Exciting Cause of Sickness.**

The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its production is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

**The National Complaint.**  
Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and happily to this teaching and unerring remedy.

**Bilious Affections.**  
The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.

**Bowel Complaints.**  
Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhoea, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled.

**A Word to Females.**  
The local debility and irregularities which are the especial annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alterative.

Holloway's Pills are the best remedy known in the world for the following diseases:  
Asthma, Bowel Complaints, Coughs, Colds, Chest Diseases, Constiveness, Dropsy, Diarrhoea, Piles, Dropsy, Debility, Fever and Ague, Female Complaints, Headaches, Indigestion, Influenza, Jaundice, Liver Weakness, Lowness of Spirits, Rheumatism, Scurvy, Skin Diseases, Stomachic Disorders, Venereal Affections, Worms of all kinds.

**CAUTION**—None are genuine unless the words 'Holloway, New York and London' are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

\*Sold at the Manufactory of Professor Holloway, 50 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes at 25 cents, 62 1/2 cents, and \$1 each.

There is a considerable saving by taking the larger sizes.  
N. B.—Directions for the guidance of patients in every disorder are affixed to each box.

The important fact that the many alarming complaints, originating in the impudence and solitude of youth, may be easily removed without medicine, is in this small tract, clearly demonstrated; and the entirely new and highly successful treatment, as adopted by the Author, fully explained, by means of which every one is enabled to cure himself perfectly and at the least possible cost, thereby avoiding the advertised nostrums of the day.

**THE LIVER INVIGORATOR.**

Prepared by Dr. Sanford, Compounded entirely from Gums. Is one of the best Purgative and Liver Medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it, and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human system, and when it perverts its functions, the system is fully deranged. The Liver is almost entirely dependent on the Liver for the proper performance of its functions; when the stomach is at fault, the bowels are system suffers in consequence of the Liver's duty. For the disease of that organ, has made it his study for twenty years, to wherewith to counteract the morbid influences to which it is liable.

To prove that any person is afflicted with Liver Complaint, in any of its forms, has but to try a bottle, and convince himself. These Gums fed matter from their place a healthy state, get well, purifying and health to the moving the cause of a radical cure.

Bilious attacks are better, prevented, by the Liver Invigorator. One dose after a relief the stomach from rising and souring.

Only one dose taken before retiring, prevents Nightmare. Only one dose taken at night, lessens the bowels gently, and cures Costiveness. One dose taken after each meal will cure Dyspepsia.

Only one dose of two teaspoonsfuls will always relieve Sick Headache. One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Cholera, while one dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.

Only one bottle is needed to throw out of the system the effects of medicine at a long sickness. One bottle taken for Jaundice removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well. One dose often repeated cures Chronic Diarrhoea in its worst forms, while Summer and Bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by Worms in Children; there is no surer, safer or speedier remedy in the world, as it never fails.

A few bottles cures Dropsy, by exciting the absorbents. We take pleasure in recommending this medicine as a preventive for Fever & Ague, Child Fever, and all Fevers of a Bilious Type. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor. Mix water in the mouth with the Invigorator, and swallow both together.

**THE LIVER INVIGORATOR** is a Scientific Medical Discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver complaint, from the worst Jaundice or Dyspepsia to a common Headache, all of which are the result of a Diseased Liver.

PRICE ONE DOLLAR PER BOTTLE. DR. SANFORD, Proprietor, 315 Broadway, New York. And retailed by all Druggists. Sold also by Hollinshead & Detrick, and James N. Durling, Stroudsburg, Pa. July 1, 1858.—1y.

The HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deception practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a charitable act, worthy of his name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical advice gratis, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in cases of extreme poverty, to furnish medicines free of charge. It is needless to add that the Association commands the highest medical skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.
