

THE ONLY ARTICLE UNRIVALED IN MARKET, WITH IMMENSE HOME AND EUROPEAN DEMAND.

The reason why, is that by Nature's own process it restores the natural color permanently after the hair becomes gray; supplies the natural fluids, and thus makes it grow on bald heads, removes all dandruff, itching, and heat from the scalp, quiets and tones up the nerves, and thus cures all nervous headache, and may be relied upon to cure all diseases of the scalp and hair; it will stop and keep it from falling off; makes it soft, glossy, healthy and beautiful; and it used by the young two or three times a week, it will never fall or become gray, then read the following and judge for yourselves:

New York, Jan. 8, 1858.
Messrs. O. J. Wood & Co.
Gentlemen: Having heard a good deal about Professor Wood's Hair Restorative, and my hair being quite gray, I moved up my mind to lay aside the prejudice which I, in common with a great many persons, had against all manner of patent medicines, and a short time ago I commenced using your article, to test it for myself.

The result has been so very satisfactory that I am very glad I did so, and in justice to you, as well as for the encouragement of others who may be as gray as I was but who having my prejudice without my reasons for setting it aside, are unwilling to give your Restorative a trial till they have further proof, and the best proof being ocular demonstration, I write this letter, which you may show to any such, and also direct them to use for further proof, who am in and out of the N. Y. Wire Railing Establishment every day.

My hair is now its natural color and much improved in appearance every way, being glossier and thicker and much more healthy looking. I am, Yours, respectfully,
HENRY JENKINS,
Cor. Columbia & Carroll sts. Brooklyn.

Livingston, Ala., Feb. 14, 1858.
Prof. Wood—Dear Sir: Your Hair Restorative has done much good in this part of the country. My hair has been slightly thinning for several years, caused, I suppose, from a slight burn when I was a child. I have been using your Hair Restorative for six weeks and I find that I have a fine head of hair now growing, and having used all other remedies known, to no effect. I think it the most valuable remedy now extant, and advise all who are afflicted that way to use your remedy. You can publish this if you think proper.
Yours, &c.
S. W. MIDDLETON.

Philadelphia, Sept. 9, 1857.
Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial. My hair, the front, and also the back part of my head almost lost its covering—was in a bald. I have used but 2 half pint bottles of your Restorative, and now the top of my head is well stocked with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal observation, I can induce many others to try it. Yours, respectfully,
D. R. THOMAS, M. D.
No. 464 Vine street.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/4 a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more a proportion, and retails for \$3 a bottle.

O. J. WOOD & CO. Proprietors, No. 312 Broadway, New York, (in the great N. Y. Wire Railing Establishment,) and 114 Market st., St. Louis, Mo.
And sold by all good Druggists and Fancy Goods Dealers.

LOTTERIES.

The Lotteries of Samuel Swan & Co., are chartered by the State of Georgia, and have sworn commissioners appointed to superintend their drawings, and certify that everything connected with the same is done in a strictly honorable manner. They offer to the public a fair opportunity for investment, the interests of parties at a distance being as well protected as though they were present. The Managers would respectfully call attention to the fact that all persons have a legal right to send orders for tickets to Georgia, as the lotteries of Samuel Swan & Co. are authorized by the Legislature of that State. A lottery will be drawn every Saturday throughout the year, all orders received being filled in the drawing next to take place after the same comes to hand. According to the scheme one ticket in every nine must draw a prize. Tickets are \$10; halves, \$5; quarters, \$2.50. No tickets sent unless the money accompanies the order. The drawings are upon the principle of one number on each ticket, and are so simple that none can fail to understand them. There is no combination of numbers to mystify the buyer. Prizes vary from \$40 to \$70,000; every prize being drawn, and result of drawing forwarded to all purchasers.

A list of the numbers that are drawn from the wheel, with the amount that each prize is entitled to, will be published after every drawing; in the following papers:—New Orleans Delta, Mobile Register, Charleston Standard, Nashville Gazette, Atlanta Intelligencer, Savannah News and New York Weekly Day Book, and New York Sunday Dispatch.
Write your address plainly, and direct to S. SWAN & CO., Augusta, Georgia.
Prizes paid in full—no percentage deducted from prizes as in other lotteries. All communications strictly confidential.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR, FROM THE WORST SCROFULA DOWN TO A COMMON PIMPLE.

Two bottles are warranted to cure a turning sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will clear the system of biles.
Two bottles are warranted to cure the worst cancer in the stomach.
Three or five bottles are warranted to cure the worst kind of Erysipelas.
One or two bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two or three bottles are warranted to cure the worst kind of ringworm.
Two or three bottles are warranted to cure the most desperate case of rheumatism.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.

One to three bottles are warranted to cure the worst case of dyspepsia. I know from the experience of thousands that it has, caused by a canker in the stomach.
One to two bottles are warranted to cure sick headache.
One to two bottles are warranted to regulate a costive state of the bowels.
One to two bottles will regulate all derangement of the kidneys.
Four to six bottles have cured the worst cases of dropsy.

One to three bottles have cured the worst case of piles; a relief is always experienced. What a mercy to get relief in such an excruciating disease!
Since its first discovery, I have from time to time added various other herbs to it; of one of them, Hippocrates, the Father of Medicine, says: "It is an herb of Jubiter, and in the sign Leo."
"It openeth obstructions of the liver, gall and spleen; it is an especial friend to the liver, worth all other herbs put together; cooling it when too hot, and warming it when too cold."
"It creates an appetite, cures all gone and sinking feelings in the pit of the stomach, ease all pains and stitches in the side."
"It cures the jaundice by opening the gall, and restoreth the native color of the body."
"It expels all raw, viscid and slimy humors out of the body; it cleanseth all inward ulcers and congealed blood from the kidneys."
"By opening obstructions of the spleen, it purgeth all burnt cholera and melancholy vapors which riseth to the head and brain, causing distressing headache, fearful foreboding of trouble, trembling of the heart, fainting and swooning."
"The herb boiled in wine is particularly good to revive the drooping spirit of the aged, and whoever has a lingering sickness after a fever, nothing restores him to health so quick as drinking the juice of this herb."
"The seeds boiled in water cureth the most offensive breath, and drink at bedtime, preventeth what is commonly called night-mare, and all melancholy dreams, a disease bilious people are liable to."
"The Father of Medicine says of another herb in this composition, that "it is an herb of the Sun, and in the sign Leo."
"The sun is the source of all life, and ruleth the heart; and this herb is the best cordial, the greatest strengthener of the heart, of any that grows; it comforteth the heart, cureth all palpitation thereof; taketh away trembling, fainting and smothering of it; yet it must be taken carefully, or severe gripings will ensue, which must be corrected with fennel seed or ginger."
"So much for this herb, between which and the adder there is the utmost antipathy; so much so that the adder will not touch him that has the herb about him."
"No change of diet ever necessary—eat the best you can get and enough of it."
Directions for use. Adults one table-spoonful per day—Children over ten years, desert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

Manufactured by DONALD KENNEDY, No. 120 Warren Street, Roxbury, Mass. Price \$1.00.
Sold in Stroudsburg by Hollinshead & Detrick, James N. Durling, and by all Druggists in City and Country in general.

NATIONAL HOTEL.
RACE STREET, ABOVE THIRD, SIDES & CARMANY, Proprietors.
Prices reduced to suit the times.—TERMS, \$1.25 per day.
The undersigned, having become proprietors of the above well known establishment, being thankful for the liberal patronage extended towards the old firm, would respectfully request a continuance of the same, and, on account of increased facilities and improvements are prepared to accommodate all who may favor them with a call.
The establishment offers great inducements, not only on account of reduced rates of Board, but also from its central location to the avenues of trade, as well as the conveniences afforded by several Passenger Railways running past and contiguous to it, whereby guests can pass to and from the Hotel to the different Railroad Depots, at the mere nominal sum of five cents, should they be preferred to the regular omnibus belonging to the Hotel.
We are determined to devote our whole attention to business, and flatter ourselves with the conviction that we shall be able to give general satisfaction.
Respectfully yours,

"No such Word as Fail." A RESISTLESS REMEDY.

HOLLOWAY'S OINTMENT. Circular to the Sick.

The first hospital surgeons and medical publicists of Europe admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidence of disease, and neutralize the fiery elements which feed and exasperate the malady.
Rheumatism, Scrofula, Erysipelas.

These are among the most terrible and agonizing diseases of the muscles, and fleshy fibre of the skin; yet in the worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antidote to pain and inflammation.
Salt Rheum, Fever Sores, Stiff Joints.

In cases of Salt Rheum, where medical waters, lotions, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.
Discharging Ulcers.

A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly until the orifice is filled up with sound material, and the ulcer radically cured.
A Word to Mothers.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the enervated sores which sometimes disfigure the heads and faces of children.
Significant Facts.

This Ointment is universally used on board the Atlantic and Pacific whaling fleets as a cure for scrofulic affections, and as the best possible remedy for wounds and bruises.—Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.
Both the Ointment and Pills should be used in the following cases:
Bunions, Skin Diseases, Swelled Glands, Chapped Hands, Sore Legs, Chilblains, Sore Breasts, Fistula, Sore Heads, Gout, Sore Throats, Sprains, Lumbago, Mercurot Eruptions, Sores of all kinds, Piles, Tetter, Rheumatism, Ulcers, Ringworm, Venereal Sores, Salt Rheum, Scalds, Wounds of all kinds.

Caution.—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each tin or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.
*Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes at 25 cents, 62 1/2 cents, and \$1 each.
There is a considerable saving by taking the larger sizes.
N. B.—Directions for the guidance of patients in every disorder are affixed to each box.

THE LIVER INVIGORATOR.

PREPARED BY DR. SANFORD, Comounded entirely from Gums, is one of the best Purgative and Liver Medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and when its system is fully developed, the system is entirely dependent on the Liver for the proper performance of its functions; when the Liver is diseased, the bowels are affected, the stomach is deranged, and the whole system suffers in consequence. For the disease of the Liver—hardly a day passes without its being the cause of some of the most distressing and dangerous diseases of the human body. It is the source of all the morbid humors, and the cause of all the diseases of the system. It is the source of all the morbid humors, and the cause of all the diseases of the system. It is the source of all the morbid humors, and the cause of all the diseases of the system.

One dose taken before retiring, prevents Nightmare.
One dose taken at night, loosens the bowels gently, and cures Costiveness.
One dose taken after each meal will cure Dyspepsia.
One dose of two teaspoonfuls will always relieve Sick Headache.
One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.
Only one dose immediately relieves Cholera, while one dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.
One bottle taken for Jaundice removes all sallowness or unnatural color from the skin.
One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.
One dose often repeated cures Chronic Diarrhea in its worst forms, while Summer and Bowel complaints yield almost to the first dose.
One or two doses cures attacks caused by Worms in Children; there is no surer, safer or speedier remedy in the world, as it never fails.
A few bottles cures Dropsy, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for Fever & Ague, Chills, and all Fevers of a Bilious Type. It operates with certainty, and thousands are willing to testify to its wonderful virtues. All who use it are giving their unanimous testimony in its favor.
Mix water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR
Is a Scientific Medical Discovery, and is daily working cures, almost too great to be here. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver complaint, from the worst Jaundice or Dyspepsia to a common Headache, all of which are the result of a Diseased Liver.
PRICE ONE DOLLAR PER BOTTLE.

Mutual Fire Insurance Company.

The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.

Each insurer in or with the said company will be a member thereof during the term of his or her policy. Howard Association, PHILADELPHIA.
A Benevolent Institution, established by special endowment for the relief of the sick and distressed, afflicted with Virulent and Epidemic diseases.
To all persons afflicted with Sexual Diseases, such as Spermatorrhea, Seminal Weakness, Impotence, Gonorrhoea, Gleet, Syphilis, the Vice of Onanism, or self abuse, &c. &c. THE HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deception practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a charitable act, worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical advice gratis, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in cases of extreme poverty, to furnish medicines free of charge. It is needless to add that the Association commands the highest medical skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.
Just Published by the Association, a Report on Spermatorrhea, or Seminal Weakness, the Vice of Onanism, Masturbation or Self Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope,) FREE OF CHARGE, on receipt of TWO STAMPS for postage.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.
