

THE ONLY ARTICLE UNRIVALED IN MARKET, WITH IMMENSE HOME AND EUROPEAN DEMAND.

The reason why, is that by Nature's own process it restores the natural color permanently after the hair becomes gray; supplies the natural fluids, and thus makes it grow on bald heads, removes all dandruff, itching, and heat from the scalp, cures and tones up the nerves, and thus cures all nervous headache, and may be relied upon to cure all diseases of the scalp and hair; it will stop and keep it from falling off; makes it soft, glossy, healthy and beautiful; and if used by the young two or three times a week, it will never fall or become gray, then reader, read the following and judge for yourselves:

New York, Jan. 8, 1858.
Messrs. O. J. Wood & Co.,
Gentlemen: Having heard a good deal about Professor Wood's Hair Restorative, and my hair being quite gray, I made up my mind to lay aside the prejudice which I, in common with a great many persons, had against all manner of patent medicines, and a short time ago I commenced using your article, to test it for myself.

The result has been so very satisfactory that I am very glad I did so, and in justice to you, as well as for the encouragement of others who may be as grey as I was but who having no prejudice without my reasons for setting it aside, are unwilling to give your Restorative a trial till they have further proof, and the best proof being ocular demonstration, I write this letter, which you may show to any such, and also direct them to me for further proof, who am in and out of the N. Y. Wire Railing Establishment every day.

My hair is now its natural color and much improved in appearance every way, being glossier and thicker and much more healthy looking. I am, Yours, respectfully,
HENRY JENKINS,
Cor. Columbia & Carroll sts. Brooklyn.

Livingston, Ala., Feb. 14, 1858.

Prof. Wood—Dear Sir: Your Hair Restorative has done much good in this part of the country. My hair has been slightly diminishing for several years, caused, I suppose, from a slight burn when I was quite an infant. I have been using your Hair Restorative for six weeks and I find that I have a fine head of hair now growing, after having used all other remedies known, to no effect. I think it the most valuable remedy now extant, and advise all who are afflicted that way to use your remedy. You can publish this if you think proper. Yours, &c.
S. W. MIDDLETON,
Philadelphia, Sept. 9, 1857.

Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering—was in fact bald. I have used but 2 half pint bottles of your Restorative, and now the top of my head is well covered with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it. Yours, respectfully,
D. R. THOMAS, M. D.,
No. 461 Vine street.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1 pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small; retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for \$3 a bottle.

A PROCLAMATION TO THE LADIES.

Whereas, it appears that the days of right, honor, and integrity are fast fading away, and whereas, the unscrupulous and ignorant are daily taking advantage of the profound and learned. But it knows therefore, to all, whether Maids, Wives, or Widows, that Dr. Cheesman's Female Pills are alone the certain panacea for the troubles incident to female disorganization; they alone correct all painful menstruation, assuaging palpitations of the heart, disturbed sleep, pain in the side, and causing health and happiness to the whole sex; more especially to the married portion, as they are certain to bring on the monthly period with regularity. And whereas, these Pills are purely vegetable and entirely free from minerals, therefore perfectly harmless in their operations and wholly unlike other medicines thrust upon the public, purporting to effect the objects already detailed. Therefore, be it known, that nothing but the said Pills of Dr. Cheesman will accomplish the desired object, when disappointment has been experienced under the regime of other Pills; and the LADIES will cause this Proclamation to spread among their friends, to their own everlasting benefit—always printing that said Proclamation in one case must be considered null and void; that is to say, that the Pills must not be taken when any female is in an interesting situation, otherwise a miscarriage will be the inevitable result.

One to two bottles will regulate all derangement of the kidneys.
Four to six bottles have cured the worst cases of dropsy.
One to three bottles has cured the worst case of piles; a relief is always experienced. What a mercy to get relief in such an excruciating disease!

Since its first discovery, I have from time to time added various other herbs to it; of one of them, Hippocrates, the Father of Medicine, says: "It is an herb of Jubbiter, and in the sign Leo."
"It openeth obstructions of the liver, gall and spleen; it is an especial friend to the liver, worth all other herbs put together; cooling it when too hot, and warming it when too cold."
"It createth an appetite, cureth all gone and sinking feelings in the pit of the stomach, easeth all pains and stitches in the side."
"It cureth the jaundice by opening the gall, and restoreth the native color of the body."
"It expels all raw, viscoo and slimy humors out of the body; it cleanseth all inward ulcers and congealed blood from the kidneys."
"It createth an appetite, cureth all gone and sinking feelings in the pit of the stomach, easeth all pains and stitches in the side."
"It cureth the jaundice by opening the gall, and restoreth the native color of the body."
"It expels all raw, viscoo and slimy humors out of the body; it cleanseth all inward ulcers and congealed blood from the kidneys."

"By opening obstructions of the spleen, it purgeth all burnt cholera and melancholy vapors which riseth to the head and brain, causing distressing headache, fearful foreboding of trouble, trembling of the heart, fainting and swooning."
"The herb boiled in wine is particularly good to revive the drooping spirit of the aged, and whosoever has a lingering sickness after a fever, nothing restoreth him to health so quick as drinking the juice of this herb."
"The seeds boiled in water curath the most offensive breath, and drank at bedtime, preventeth what is commonly called night mare, and all melancholy dreams, a disease bilious people are liable to."
The Father of Medicine says of another herb in this composition, that "it is an herb of the Sun, and in the sign Leo."
"The sun is the source of all life, and ruleth the heart; and this herb is the best cordial, the greatest strengthener of the heart, of any that grows; it comforteth the heart, cureth all palpitation thereof; taketh away trembling, fainting and smothering of it; yet it must be taken carefully, or severe gripings will ensue, which must be corrected with fennel seed or ginger."
"So much for this herb, between which and the adder there is the utmost antipathy; so much so that the adder will not touch him that has the herb about him."
No change of diet ever necessary—eat the best you can get and enough of it.
Directions for use. Adults one table spoonful per day—Children over ten years, desert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

CHARLTON BURNET,
Attorney at Law,
STRODSBURG, MONROE COUNTY, PA.
Office on Elizabeth street, formerly occupied by Wm. D. vis, Esq.

A Card from Dr. James M. Jarrett, of THE NEW YORK LUNG INFIRMARY.

My connection for the past eight years with the above Institution, as Chief Physician, and a twelve years course of steady devotion to the Cure of Pulmonary Consumption and its kindred diseases, together with my unrivalled opportunities and advantage of pathological research—aided not a little by a perfect system of Medical Inhalation—has enabled me to arrive at a decisive, direct, and successful course of treatment for the positive and radical cure of all diseases of the Throat, Lungs and Air Passages. By Inhalation, the vapor and curative properties of medicines are directly addressed to the diseased organs and the integument. I do not advise the use of Medical Inhalation of any kind, to the exclusion of general treatment; and although I consider it a useful adjunct in the proper management of those fearful and often fatal diseases, yet I deem it very necessary that each patient should have the benefit of both general and local treatment. The success of my treatment in the above diseases, and the high character of the Institution over which I have so long had the honor to preside, are too well known to need any eulogy or comment from me. At the solicitation of many private and professional friends, through whose philanthropic aid the above charity has been long and liberally supported, and after due consideration, I have concluded to make such arrangements as will bring the benefits of my experience and treatment within the reach of all, and not confine myself, as heretofore, to those who entered the Infirmary, or who were able to visit me at my office. Hoping therefore that the arrangement will give entire satisfaction, both to my professional brethren and the public, I would respectfully announce in conclusion, that I can now be consulted personally or by letter, on all diseases as above, and that the medicines, the same as is used in the Institution, prepared to suit each individual case, Inhalng Vapors, Medical Inhalers, &c. &c., will be forwarded by express to any part of the United States or the Canadas. TERMS—My treated by letter are as follows, viz: \$12 per month for each patient, which will include medicine sufficient for one month's use; also Inhalng Vapor, and an Inhalng Apparatus. Payment on receipt of the box of Medicine, and balance \$6 at the expiration of the month, if the patient be cured or is entirely satisfied with the treatment. Patients, by giving a full history of their case, and their symptoms in full, can be treated as well by letter as by personal examination. Patients availing themselves of Dr. Jarrett's treatment may rely upon immediate and permanent relief, as he seldom has to treat a case over thirty days. Letters for advice promptly answered. For further particulars address,
JAMES M. JARRETT, M. D.,
No. 820 Broadway, cor. Tenth St. N. Y.
P. S.—Physicians and others are respectfully invited to call at the Infirmary, where many interesting cases can be witnessed, and where our improved apparatus for the Inhalation of medicated vapor can be seen and inspected.

LOTTERIES.

The Lotteries of Samuel Swan & Co., are chartered by the State of Georgia, and have sworn commissioners appointed to superintend their drawings, and certify that everything connected with the same is done in a strictly honorable manner.—They offer to the public a fair opportunity for investment, the interests of parties at a distance being as well protected as though they were present. The Managers would respectfully call attention to the fact that all persons have a legal right to send orders for tickets to Georgia, as the lotteries of Samuel Swan & Co. are authorized by the Legislature of that State. A lottery will be drawn every Saturday throughout the year, all orders received being filled in the drawing next to take place after the same comes to hand. Prizes vary from \$40 to \$70,000; every prize being drawn, and result of drawing forwarded to all purchasers.
A list of the numbers that are drawn from the wheel, with the amount that each prize is entitled to, will be published after every drawing; in the following papers:—New Orleans Delta, Mobile Register, Charleston Standard, Nashville Gazette, Atlanta Intelligencer, Savannah News and New York Weekly Day Book, and New York Sunday Dispatch.

THE LIVER INVIGORATOR.

Prepared by Dr. SANFORD.
Compounded entirely from Gums, is one of the best Purgative and Liver Medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver Remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and when it performs its functions the system are fully mach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions; when the stomach is at fault, and the whole sequence of one or more of its duties is deranged, it is not only a practice of more than twenty years, to wherewith to counteract to which the principal remedy is at last found, has but to move all morbid or system, supplying in its place a healthy and health to the moving the cause of a radical cure.

One dose after each meal will cure Chronic Diarrhea in its worst forms, while Summer and Bowel complaints yield almost to the first dose.
One or two doses cures attacks caused by Worms in Children; there is no surer, safer or speedier remedy in the world, as it never fails.
A few bottles cures Dropsy, by exciting the absorbents.
We take pleasure in recommending this medicine as a preventive for Fever & Ague, Cholera, and all Fevers of a Bilious Type. It operates with certainty, and thousands are willing to testify to its wonderful virtues. All who use it are giving their unanimous testimony in its favor.
It is a powerful medicine in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR is a Scientific Medical Discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver complaint, from the worst Jaundice or Dyspepsia to a common Headache, all of which are the result of a Diseased Liver.
PRICE ONE DOLLAR PER BOTTLE.

Mutual Fire Insurance Comp'y

The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.
The net profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the greatest security against loss or damage by fire, on the most advantageous and reasonable terms.
Applications for Insurance to be made in person, or by letters addressed to

A Benevolent Institution, established by special endorsement for the relief of the sick and distressed, afflicted with Venereal and Epidemic diseases.
To all persons afflicted with Sexual Diseases, such as Spermatorrhoea, Seminal Weakness, Impotence, Gonorrhoea, Gleet, Syphilis, the Vice of Onanism, or self abuse, &c. &c. in view of the awful destruction of human life caused by Sexual diseases, and the deception practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a charitable act, worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical advice gratis, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in cases of extreme poverty, to furnish medicines free of charge. It is need less to add that the Association commands the highest medical skill of the age, and will furnish the most approved modern treatment.
The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

J. LANZ, DENTIST

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.
