**A PROCLAMATION TO THE LADIES.**

Whereas, it appears that the days of right, honor, and integrity are fast fading away, and whereas, the unscrupulous and ignorant are daily taking advantage of the profound and learned. But it known therefore, to all, whether Maids, Wives, or Widows, that Dr. Cheesman's Female Pills are alone the certain panacea for the troubles incident to female disorganization; they alone correcting all painful menstruation, assuaging palpitations of the heart, disturbed sleep, pain in the side, and causing health and happiness to the whole sex; more especially to the married portion, as they are certain to bring on the monthly period with regularity. And whereas, these Pills are purely vegetable and entirely free from minerals, therefore perfectly harmless in their operations and wholly unlike other medicines thrust upon the public, purporting to effect the objects already detailed. Therefore, be it known, that nothing but the said Pills of Dr. Cheesman will accomplish the desired object, when disappointment has been experienced under the regime of other Pills; and the LADIES will cause this Proclamation to spread amongst them, to their own everlasting benefit—always premising that this Proclamation in one case must be considered null and void; that is to say, that the Pills must not be taken when any female is in an interesting situation, otherwise a miscarriage will be the inevitable result.

**THE GREATEST MEDICAL DISCOVERY OF THE AGE.**

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

**EVERY KIND OF HUMOR,**  
 FROM THE  
**Worst Scrupulous down to a common Pimple.**

Two bottles are warranted to cure a nursing sore mouth.  
 One to three bottles will cure the worst kind of pimples on the face.  
 Two or three bottles will clear the system of biles.  
 Two bottles are warranted to cure the worst canker in the stomach.  
 Three or five bottles are warranted to cure the worst kind of Erysipelas.  
 One or two bottles are warranted to cure all humor in the eyes.  
 Two bottles are warranted to cure running of the ears and blotches among the hair.  
 Four to six bottles are warranted to cure corrupt and running ulcers.  
 One bottle will cure scaly eruptions of the skin.  
 Two or three bottles are warranted to cure the worst kind of ringworm.  
 Two or three bottles are warranted to cure the most desperate case of rheumatism.  
 Three to four bottles are warranted to cure salt rheum.  
 Five to eight bottles will cure the worst case of scrofula.  
 One to three bottles are warranted to cure the worst case of dyspepsia. I know from the experience of thousands that it has, caused by a canker in the stomach.  
 One to two bottles are warranted to cure sick headache.  
 Two to three bottles are warranted to regulate a custive state of the bowels.  
 One to two bottles will regulate all derangement of the kidneys.  
 Four to six bottles have cured the worst cases of dropsy.  
 One to three bottles has cured the worst case of piles; a relief is always experienced. What a mercy to get relief in such an excruciating disease!

Since its first discovery, I have from time to time added various other herbs to it; of one of them, Hippocrates, the Father of Medicine, says: "It is an herb of Jubiter, and in the sign Leo."  
 "It openeth obstructions of the liver, gall and spleen; it is an especial friend to the liver, worketh all other herbs put together; cooling it when too hot, and warming it when too cold."  
 "It createth an appetite, cureth all gone and sinking feelings in the pit of the stomach, easeth all pains and stitches in the side."  
 "It cureth the jaundice by opening the gall, and restoreth the native color of the body."  
 "It expels all raw, viscid and slimy humors out of the body; it cleanseth all inward ulcers and congealed blood from the kidneys."  
 "By opening obstructions of the spleen, it purgeth all burnt cholera and melancholy vapors which riseth to the head and brain, causing distressing headache, fearful foreboding of trouble, trembling of the heart, fainting and swooning."  
 "The herb boiled in wine is particularly good to revive the drooping spirit of the aged, and whoever has a lingering sickness after a fever, nothing restoreth him to health so quick as drinking the juice of this herb."  
 "The seeds boiled in water cureth the most offensive breath, and drank at bedtime, preventeth what is commonly called nightmare, and all melancholy dreams, a disease bilious people are liable to."  
 The Father of Medicine says of another herb in this composition, that "it is an herb of the Sun, and in the sign Leo."  
 "The sun is the source of all life, and rotheth the heart; and this herb is the best cordial, the greatest strengthener of the heart, of any that grows; it comforteth the heart, cureth all palpitation thereof; taketh away trembling, fainting and smothering of it; yet it must be taken carefully, or severe gripings will ensue, which must be corrected with fennel seed or ginger."  
 "So much for this herb, between which and the adder there is the utmost antipathy; so much so that the adder will not touch him that has the herb about him."  
 No change of diet ever necessary—eat the best you can get and enough of it.

**Directions for use.** Adults one table spoonful per day—Children over ten years, desert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

**LOTTERIES.**  
 The Lotteries of Samuel Swan & Co., are chartered by the State of Georgia, and have sworn commissioners appointed to superintend their drawings, and certify that everything connected with the same is done in a strictly honorable manner.—They offer to the public a fair opportunity for investment, the interests of parties at a distance being as well protected as though they were present. The Managers would respectfully call attention to the fact that all persons have a legal right to send orders for tickets to Georgia, as the lotteries of Samuel Swan & Co. are authorized by the Legislature of that State. A lottery will be drawn every Saturday throughout the year, all orders received being filled in the drawing next to take place after the same comes to hand. According to the scheme one ticket in every nine must draw a prize. Tickets are \$10; halves, \$5; quarters, \$2.50. No tickets sent unless the money accompanies the order. The drawings are upon the principle of one number on each ticket, and are so simple that none can fail to understand them. There is no combination of numbers to mystify the buyer. Prizes vary from \$40 to \$70,000, every prize being drawn, and result of drawing forwarded to all purchasers.

A list of the numbers that are drawn from the wheel, with the amount that each prize is entitled to, will be published after every drawing; in the following papers:—New Orleans Delta, Mobile Register, Charleston Standard, Nashville Gazette, Atlanta Intelligencer, Savannah News and New York Weekly Day Book, and New York Sunday Dispatch.

Write your address plainly, and direct to S. SWAN & CO., Augusta, Georgia.  
 Prizes paid in full—no percentage deducted from prizes as in other lotteries.  
 All communications strictly confidential.

**NATIONAL HOTEL.**  
 RACE STREET, ABOVE THIRD,  
**SIDES & CARMAN, Proprietors.**  
 Prices reduced to suit the times.—  
 TERMS, \$1.25 per day.

The undersigned, having become proprietors of the above well known establishment, being thankful for the liberal patronage extended towards the old firm, would respectfully request a continuance of the same, and, on account of increased facilities and improvements are prepared to accommodate all who may favor them with a call.

The establishment offers great inducements, not only on account of reduced rates of board, but also from its central location to the avenues of trade, as well as the conveniences afforded by several Passenger Railways running past and contiguous to it, whereby guests can pass to and from the Hotel to the different Railroad Depots, at the mere nominal sum of five cents, should they be preferred to the regular omnibus belonging to the Hotel.

We are determined to devote our whole attention to business, and flatter ourselves with the conviction that we shall be able to give general satisfaction.

Respectfully yours,

 Attorney at Law,  
 STROUDSBURG, MONROE COUNTY, PA.  
 Office on Elizabeth street, formerly occupied by Wm. Davis, Esq.

**A Card from Dr. James M. Jarrett, of THE NEW YORK LUNG INFIRMARY.**

My connection for the past eight years with the above Institution, as Chief Physician, and a twelve year's course of steady devotion to the Cure of Pulmonary Consumption and its kindred diseases, together with my unrivaled opportunities and advantage of pathological research—aided not a little by a perfect system of Medical Inhalation—has enabled me to arrive at a decisive, direct, and successful course of treatment for the positive and radical cure of all diseases of the Throat, Lungs and Air Passages. By Inhalation, the vapor and curative properties of medicines are directly addressed to the diseased organs and the integument. I do not advise the use of Medical Inhalation of any kind, to the exclusion of general treatment; and although I consider it a useful adjunct in the proper management of those fearful and often fatal diseases, yet I deem it very necessary that each patient should have the benefit of both general and local treatment. The success of my treatment in the above diseases, and the high character of the Institution over which I have so long had the honor to preside, are too well known to need any eulogy or comment from me. At the solicitation of many private and professional friends, through whose philanthropic aid the above charity has been long and liberally supported, and after due consideration, I have concluded to make such arrangements as will bring the benefits of my experience and treatment within the reach of all, and not confine myself, as heretofore, to those who entered the Infirmary, or who were able to visit me at my office. Hoping therefore that the arrangement will give entire satisfaction, both to my professional brethren and the public, I would respectfully announce in conclusion, that I can now be consulted personally or by letter, on all diseases as above, and that the medicines, the same as is used in the Institution, prepared to suit each individual case, *Inhaling Vapors, Medical Inhalers, &c. &c.*, will be forwarded by express to any part of the United States, or the Canada. Terms—My terms of treatment by letter are as follows, viz: \$12 per month for each patient, which will include medicine sufficient for one month's use; also Inhaler Vapor, and an Inhaling Apparatus. Payment as follows: \$6 to be paid to Express Agent on receipt of the box of Medicine, and balance \$6 at the expiration of the month, if the patient be cured or is entirely satisfied with the treatment. Patients, by giving a full history of their case, and their symptoms in full, can be treated as well by letter as by personal examination. Patients availing themselves of Dr. Jarrett's treatment may rely upon immediate and permanent relief. As he seldom has to treat a case over thirty days. Letters for advice promptly answered. For further particulars address

JAMES M. JARRETT, M. D.,  
 No. 820 Broadway, cor. Tweelfth St. N. Y.

P. S.—Physicians and others are respectfully invited to call at the Infirmary, where many interesting cases can be witnessed, and where our improved apparatus for the Inhalation of medicated vapor can be seen and inspected.

**THE LIVER INVIGORATOR.**

Prepared by Dr. SANFORD,  
 Compounded entirely from Gums.

Is one of the best Purgative and Liver medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and when it performs its functions the system are fully formed. The Liver is almost entirely dependent on the healthy action of the stomach for its performance of its functions; when the stomach is at fault, the bowels are system suffers in consequence—the Liver—hardly.

For the diseases of that organ, in a practice of more than twenty years, I have found no remedy so effectual as this. It is at last a remedy is at last found, in any form, that will cure the Liver, and restore it to its natural state. These Gums read matter from their place a healthy and health to the stomach, purifying the blood, giving tone and health to the whole machinery, and preventing the food from being converted into bile, which is the cause of the disease—effecting a radical cure.

Bilious attacks are cured, and what is the occasional use of the Liver Invigorator is sufficient to relieve the stomach from rising and souring.

Only one dose taken before retiring, prevents Nightmare.

Only one dose taken at night, loosens the bowels gently, and cures Constipation.

One dose taken after each meal will cure Dyspepsia.

One dose of two teaspoonsful will always relieve Sick Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Cholera, while one dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for Jaundice removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.

One dose often repeated cures Chronic Diarrhea in its worst forms, while Summer and Bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by Worms in Children; there is no surer, safer or speedier remedy in the world, as it never fails.

A few bottles cures Dropsy, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for Fever & Ague, Chills, and all Fevers of a Bilious Type. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor.

Mix water in the mouth with the Invigorator, and swallow both together.

**THE LIVER INVIGORATOR**  
 Is a Scientific Medical Discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver complaint, from the worst Jaundice or Dyspepsia to a common Headache, all of which are the result of a Diseased Liver.

PRICE ONE DOLLAR PER BOTTLE.

 The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.

The nett profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the greatest security against loss or damage by fire, on the most advantageous and reasonable terms.

**HOWARD ASSOCIATION,**  
 PHILADELPHIA.

A Benevolent Institution, established by special endorsement for the relief of the sick and distressed, afflicted with Virulent and Epidemic diseases.

To all persons afflicted with Sexual Diseases, such as Spermatorrhea, Seminal Weakness, Impotence, Gonorrhoea, Gleet, Syphilis, the Vice of Onanism, or self abuse, &c. &c. The HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deep depression practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a charitable act, worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical advice gratis, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in cases of extreme poverty, to furnish medicines free of charge. It is needless to add that the Association commands the highest medical skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just Published by the Association, a Report on Spermatorrhea, or Seminal Weakness, the Vice of Onanism, Masturbation or Self-Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope), FREE OF CHARGE, on receipt of TWO STAMPS for postage.

Address, Report or treatment, Dr. GEO. R. CALHOUN, Consulting Surgeon, Howard Association, No. 2 South Ninth Street, Philadelphia, Pa.

**J. LANTZ, DENTIST**  
 Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

**MONROE COUNTY Mutual Fire Insurance Comp'y**  
 The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.

The nett profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the greatest security against loss or damage by fire, on the most advantageous and reasonable terms.

Applications for Insurance to be made in person, or by letters addressed to

WM. K. HAVILAND, Secretary.

**HOWARD ASSOCIATION,**  
 PHILADELPHIA.

A Benevolent Institution, established by special endorsement for the relief of the sick and distressed, afflicted with Virulent and Epidemic diseases.

To all persons afflicted with Sexual Diseases, such as Spermatorrhea, Seminal Weakness, Impotence, Gonorrhoea, Gleet, Syphilis, the Vice of Onanism, or self abuse, &c. &c. The HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deep depression practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a charitable act, worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical advice gratis, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in cases of extreme poverty, to furnish medicines free of charge. It is needless to add that the Association commands the highest medical skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just Published by the Association, a Report on Spermatorrhea, or Seminal Weakness, the Vice of Onanism, Masturbation or Self-Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope), FREE OF CHARGE, on receipt of TWO STAMPS for postage.

Address, Report or treatment, Dr. GEO. R. CALHOUN, Consulting Surgeon, Howard Association, No. 2 South Ninth Street, Philadelphia, Pa.

By order of the Directors,  
 EZRA D. HARTWELL, President.  
 GEO. FAIRCHILD, Secretary.

**J. LANTZ, DENTIST**  
 Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

The undersigned would inform Landlords and the public generally, that he continues the above business in Stroudsburg, in the store house formerly occupied by John H. Melick as a Jewelry Store, and has on hand a large stock of

**WINES AND LIQUORS**  
 of all kinds and of the best quality, direct from the Custom House, which he is prepared to sell to Landlords and others on the most reasonable terms. Our stock consists of French Brandy, dark and pale. Also, Peach, Blackberry, Cinnamon and Cherry Brandy; Holland Gin, N. E. Rum; Irish, Rye and Apple Whiskey; Lisbon, Claret, Port, Sweet Malaga, Currant and Champagne Wine, &c. &c. Also, on hand a large stock of Bitters of all kinds.

Demijohns, from 1 to 5 gallons; bottles, and generally any thing that can be asked for in our line.

Landlords will find it greatly to their advantage to deal with me. I have no hired agents to sell and distribute liquors for me at great expense, which must be paid for by the consumer. Those dealing with me I intend shall be satisfied with the article they get, as well as the price, and whenever they are not, I will be pleased to have them return the liquor, and make the fact known, for I intend to make it a permanent business, and can only do so by dealing honorably. All orders sent me, by stage drivers or others, will be promptly attended to, the same as though the person was present dealing for himself.
