Extraordinary as it may seem, this remarkable woman found her way a second time to the Samaritan who kept will probably recover. the baymow on the Underground road. She marched bravely up to the farmhouse in a blinding tempest of rain, at midnight. A light was streaming from an upper window, showing that some one of the family was about. While the others probably owing to a want of sufficient sheltered themselves under the lee of the water in the boiler, -if so, a culpable building, she knocked timidly at the door. It was opened by the good man of the house. He beckened her in having immediately recognized her, and motioned her to a chair which stood in the ball. Here she sat down. No persons were visible belo, but overhead she heard voices, and coming year, at which time will begin the footsteps, and sobbing. There was sore publication of a series of beautiful origisickness and grief in that house. The daughter who, on a former occasion, had washed her grandchildren's feet, and anointed them and bound them up was dytold the dripping fugitive the story of his of literature and the arts. We esteem child's sickness and approaching dissolu- the Home Journal one of the hest and tion, as he piloted her and her companions to the well remembered haymow .-But in his own grief he did not forget and heartily commend it to the patron- election. theirs.
