

**The Gouldy Tragedy--Death of one of the Family.**

Elizabeth Carr, one of the victims to the murderous assault of young Gouldy, died on Sunday morning from the effects of her injuries. She was one of the domestics who were wounded, and it was supposed that her wounds were comparatively slight, but on Saturday an alarming change for the worse took place, and death soon ensued. Johanna Murphy, the other servant, is rapidly improving, and her recovery is confidently expected. Mr. Gouldy is still in a precarious situation. At times he is rational and inquires for his son, who, he supposes, is in prison. Nathaniel is rapidly recovering, as is also Mrs. Gouldy, but Charles, the youngest son, will probably sink under his wounds.

**PROF. WOOD'S HAIR RESTORATIVE.** For the year past we have been advertising the above named Hair Restorative, and month by month its sale has gradually increased, until it now commands a more ready sale than any other article of its kind, giving in almost every instance entire satisfaction. A clergyman, resident in a neighboring town who had for years suffered from a burning sensation in the head, with an occasionally dry, itching humor, which prematurely turned his hair gray, and latterly causing it to come off rapidly, leaving the crown nearly bare, seeing the advertisement of the article in the Gazette, was induced to try it, and now, after the use of two bottles only, his hair has turned quite dark, and is very soft, the scalp clean, and the recently bald spots covered with a beautiful growth of silky dark hair, the sight of which, with his commendation of the Restorative, will command an increased sale. We would state to any who may wish to know, that we are permitted, privately, to give the name of the individual to whose case we refer.

**Dalley's Magical Pain Extractor.**

In all diseases inflammation more or less predominates—now to allay inflammation strikes at the root of disease—hence an immediate cure.

Dalley's Magical Pain Extractor, and nothing else, will allay inflammation at once, and make a certain cure.

Dalley's Magical Pain Extractor will cure the following among a catalogue of diseases; burns, scalds, cuts, chafes, sore nipples, corns, bunions, strains, bites, fever sores, chilblains, bites, scrofula, ulcers, fever sores, felons, ear ache, piles, sore eyes, gout, swellings, rheumatism, neuralgia, salt rheum, baldness, erysipelas, ringworm, barbers itch, small pox, measles, rash, &c., &c.

To some it may seem incredulous that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the salve is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder.

Dalley's Magical Pain Extractor In its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, Manufacturer. For sale by all the Druggists and patent medicine dealers throughout the United States and Canada. Principal Depot, 165 Chambers St., New-York. C. F. CHACE.
