**A PROCLAMATION TO THE LADIES.**

Whereas, it appears that the days of right, honor, and integrity are fast fading away, and whereas, the unscrupulous and ignorant are daily taking advantage of the profound and learned. But it is known, therefore, to all, whether Maids, Wives, or Widows, that **Dr. Cheesman's Female Pills** are alone the certain panacea for the troubles incident to female disorganization; they alone correct all painful menstruation, assuaging palpitations of the heart, disturbed sleep, pain in the side, and causing health and happiness to the whole sex; more especially to the married portion, as they are certain to bring on the monthly period with regularity. And whereas, these Pills are purely vegetable and entirely free from minerals, therefore perfectly harmless in their operations and wholly unlike other medicines thrust upon the public, purporting to effect the objects already detailed. Therefore, be it known, that nothing but the said Pills of **Dr. Cheesman** will accomplish the desired object, when disappointment has been experienced under the regime of other Pills; and the LADIES will cause this Proclamation to spread among them, to their own everlasting benefit—always promising that said Proclamation in one case must be considered null and void; that is to say, that the Pills must not be taken when any female is in an interesting situation, otherwise a miscarriage will be the inevitable result.

Explicit directions, to be carefully read, accompany each box. Price \$1. Sent by mail on enclosing \$1 to Dr. Cornelius L. Cheesman, Box 4,531, Post Office, New-York City. Sold by one Druggist in every town in the United States.

**DALEY'S MAGICAL PAIN EXTRACTOR.**

In all diseases inflammation more or less predominates—now to assay inflammation strikes at the root of disease—hence an immediate cure.

**Dalley's Magical Pain Extractor,** and nothing else, will allay inflammation at once, and make a certain cure.

**Dalley's Magical Pain Extractor** will cure the following among a catalogue of diseases; burns, scalds, cuts, chafes, sore nipples, corns, bunions, strains, bites, poison, chilblains, bites, scrofula, ulcers, fever sores, feline, ear ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barbers itch, small pox, measles, rash, &c., &c.

To some it may seem incredulous that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the saline is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder.

**Dalley's Magical Pain Extractor** In its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Daley, Manufacturer, For sale by all the Druggists and patent medicine dealers throughout the United States and Canada.

**PROF. WOOD'S HAIR RESTORATIVE**—For the year past we been advertising the above named Hair Restorative, and month by month its sale has gradually increased, until it now commands a more ready sale than any other article of its kind, giving in almost every instance entire satisfaction. A clergyman, resident in a neighboring town who had for years suffered from a burning sensation in the head, with an occasionally dry, itching humor, which prematurely turned his hair gray, and latterly causing it to come off rapidly, leaving the crown nearly bare, seeing the advertisement of the article in the Gazette, was induced to try it, and now, after the use of two bottles only, his hair has turned quite dark, and is very soft, the scalp clean, and the recently bald spots covered with a beautiful growth of silky dark hair, the sight of which, with his commendation of the Restorative, will command an increased sale.—We would state to any who may wish to know, that we are permitted, privately, to give the name of the individual to whose case we refer.

Sold in Stroudsburg, by Hollinshead & Detrick, and James N. Darling, Druggists. See advertisement in another column.

**IT IS NOT TOO MUCH TO SAY**  
 SINCE ALL  
**OLD AND YOUNG,**  
 AFFIRM ITS TRUTH,  
 Viz: Professor Wood's Hair Restorative

Will preserve infallibly the growth and color of the hair, if used two or three times a week, to any imaginable age. Perfectly restores the gray, cover the bald with nature's own ornament, the hair; make it more soft and beautiful than any oil, and preserve the scalp free from all disease to the greatest age. Statesmen, Judges, Attorneys, Doctors, Clergymen, Professional men and Gentlemen and Ladies of all classes, all over the world, bear testimony that we do not say too much in its favor. Read the following, and judge:

**HICKORY GROVE, St. Charles Co. Mo.**  
 November 19, 1857.

Prof. O. J. Wood—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effect were so wonderful, we feel it our duty to you and the afflicted, to report it.

Our little son's head for some time had been perfectly covered with sores, and some called it scald head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative, we did so with little hope of success, but to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can, therefore, and do hereby, recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair. We are yours respectfully,

**GEO. W. HIGGINBOTHAM,**  
**SARAH A. HIGGINBOTHAM.**

Prof. Wood—Dear Sir: My hair had, for several years, been becoming prematurely gray, accompanied by a harshness which rendered the constant application of oil necessary in dressing it. When I commenced using your Hair Restorative about two months ago it was in that condition; and having continued its use till within the last three weeks, it has turned to its natural color, and assumed a softness and lustre greatly to be preferred to those produced by the application of oils or any other preparation I have ever used.—I regard it as an indispensable article for every lady's toilet, whether to be used as a Hair Restorative or for the simple purpose of dressing or beautifying the hair. You have permission to refer to me all who entertain any doubt of its performing all that is claimed for it.

**MRS. C. SYMONDS,**  
 Cincinnati, O. Feb. 10, 1857. 114, 3d st.

**WELLINGTON, Mo. Dec. 5, 1857.**

Prof. Wood—Dear Sir: By the advice of a friend of mine, who had been using your Hair Restorative, I was induced to try it. I had the fever, some time last May, and nearly every hair in my head came out. Now my hair has come in a great deal thicker than ever it was. Nothing but a duty and sympathy that I feel to communicate to others who are afflicted as I have been, would induce me to give this public acknowledgement of the benefit I have received from Prof. Wood's Hair Restorative. Yours respectfully,

**A. R. JACOBS.**

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 4/10 pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for \$3 a bottle.
