One to two bottles are warranted to cure  
sick headache.

One to two bottles are warranted to regu-  
late a costive state of the bowels.  
One to two bottles will regulate all de-  
rangements of the kidneys.  
Four to six bottles have cured the worst  
cases of dropsy.

Two or three bottles has cured the worst  
case of piles; a relief is always experienced.  
What a mercy to get relief in such an ex-  
cruciating disease!

Since its first discovery, I have from time  
to time added various other herbs to it; of  
one of them, Hippocrates, the Father of  
Medicine, says: "It is an herb of Jubbiter,  
and in the sign Leo."  
"It opens the obstructions of the liver, gall  
and spleen; it is an especial friend to the  
liver, with all other heres put together;  
cooling it when too hot, and warming it  
when too cold."  
"It creeth an appetite, cureth all  
sinking and sinking feelings in the pit of the  
stomach, easeth all pains and stitches in the  
side."  
"It cureth the jaundice by opening the  
gall, and restoreth the native color of the  
body."  
"It expels all raw, viscid and slimy hu-  
mors out of the body; it cleanseth all inward  
ulcers and congealed blood from the kid-  
neys."  
"By opening obstructions of the spleen,  
it purgeth all burnt cholera and melancholy  
vapors which rise to the head and brain,  
causing distressing headache, fearful fore-  
boding, trouble, trembling of the heart,  
fainting and swooning."  
"The herb boiled in wine is particularly  
good to revive the drooping spirit of the  
aged, and whoever has a lingering sickness  
after a fever, nothing restoreth him to health  
so quick as drinking the juice of this herb."  
"The seeds boiled in water cureth the  
most offensive breath, and drank at bedtime,  
preventeth what is commonly called night-  
mare, and all melancholy dreams, a disagree-  
able humors are in the body."  
"The Father of Medicine says of another  
herb in this composition, that "it is an herb  
of the Sun, and in the sign Leo."  
"The sun is the source of all life, and  
ruleth the heart; and this herb is the best  
cordial, the greatest strengthener of the heart,  
of any that grows; it comforteth the heart,  
cureth all palpitation thereof; taketh away  
trembling, fainting and smothering of it; yet  
it must be taken carefully, or severe grip-  
ings will ensue, which must be corrected  
with fennel seed or ginger."  
"So much for this herb, between which  
and the added there is the utmost antipathy;  
so much so that the one will not touch  
him that has the herb about him."  
No change of diet ever necessary—eat  
the best you can get and enough of it.  
Directions for use. Adults one table  
spoonful per day—Children over ten years,  
desert spoonful—Children from five to eight  
years, tea spoonful. As no directions  
can be applicable to all constitutions, take

**A Card from Dr. James  
M. Jarrett, of THE NEW YORK  
LUNG INFIRMARY.**—My connection for  
the past eight years with the above Insti-  
tution, as Chief Physician, and a twelve  
year's course of steady devotion to the Cure  
of Pulmonary Consumption and its kindred  
diseases, together with my unrivaled oppor-  
tunities and advantage of pathological re-  
search—aided not a little by a perfect system  
of Medical Inhalation—has enabled me to  
arrive at a decisive, direct, and successful  
mode of treatment for the positive and rad-  
ical cure of all diseases of the Throat, Lungs  
and Air Passages. By Inhalation, the ves-  
ticular and curative properties of medicines are  
directly addressed to the diseased organs and  
the integument. I do not advise the use of  
Medicine of general treatment; and although I  
consider it a useful adjunct in the proper  
management of those fearful and often fatal  
diseases, yet I deem it very necessary that  
each patient should have the benefit of both  
general and local treatment. The success  
of my treatment in the above diseases, and  
the high character of the Institution over  
which I have so long had the honor to pre-  
side, are too well known to need any eulogy  
or comment from me. At the solicitation of  
many private and professional friends, through  
whose philanthropic aid the above charity has  
been long and liberally supported, and after  
due consideration, I have concluded to make  
such arrangements as will bring the benefits  
of my experience and treatment within the  
reach of all, and not confine myself, as heretofore,  
to those who entered the Infirmary, or  
who were able to visit me at my office. Hop-  
ing therefore that the arrangement will give  
entire satisfaction, both to my professional  
brethren and the public, I would respectfully  
announce in conclusion, that I can now be  
consulted personally or by letter, on all dis-  
eases as above, and that the medicines, the  
same as is used in the Institution, prepared  
to suit each individual case. *Inhaling Vapors,*  
*Medical Inhalers, &c. &c.*, will be forward-  
ed by express to any part of the United States  
or the Canada. Terms—My terms of treat-  
ment by letter are as follows, viz: \$12 per month  
for each patient, which will include medicine  
sufficient for one month's use; also Inhal-  
ing Vapor, and an Inhaler Apparatus. Pay-  
ment as follows: \$6 to be paid in Express Ad-  
vance on receipt of the box of Medicine, and  
balance \$6 at the expiration of the month, if  
the patient be cured or is entirely satisfied  
with the treatment. Patients, by giving a  
full history of their case, and their symptoms  
in full, can be treated as well by letter as by  
personal examination. Patients availing  
themselves of Dr. Jarrett's treatment may re-  
ly upon immediate and permanent relief, as  
he seldom fails to treat a case over thirty days.  
Letters of advice promptly answered. For  
further particulars address

**LOTTERIES.**  
The Lotteries of Samuel Swan & Co.,  
are chartered by the State of Georgia, and  
have sworn commissioners appointed to  
superintend their drawings, and certify  
that everything connected with the same  
is done in a strictly honorable manner.—  
They offer to the public a fair opportu-  
nity for investment, the interests of parties  
at a distance being as well protected as  
though they were present. The Managers  
would respectfully call attention to the  
fact that all persons have a legal right  
to send orders for tickets to Georgia, as  
the lotteries of Samuel Swan & Co. are  
authorized by the Legislature of that  
State. A lottery will be drawn every  
Saturday throughout the year, all orders  
received being filled in the drawing next  
to take place after the same comes to  
hand. According to the scheme one ticket  
in every nine must draw a prize. Tick-  
ets are \$10; halves, \$5; quarters, \$2.50.  
No tickets sent unless the money accom-  
panies the order. The drawings are upon  
the principle of one number on each  
ticket, and are so simple that none can  
fail to understand them. There is no  
combination of numbers to mystify the  
buyer. Prizes vary from \$40 to \$70,000,  
every prize being drawn, and result of  
drawing forwarded to all purchasers.

A list of the numbers that are  
drawn from the wheel, with the amount  
that each prize is entitled to, will be pub-  
lished after every drawing; in the follow-  
ing papers:—New Orleans Delta, Mobile

Gazette, Atlanta Intelligencer, Savannah  
News and New York Weekly Day Book,  
and New York Sunday Dispatch.

ducted from prizes as in other lotteries.

**THE LIVER  
INVIGORATOR.**  
PREPARED BY DR. SANFORD,  
Compounded entirely from Gums.

Is one of the best Purgative and Liver me-  
dicines now before the public, that acts as a  
Cathartic, easier, milder, and more effectual  
than any other medicine known. It is not  
only a Cathartic, but a Liver remedy, acting  
first on the Liver to eject its morbid matter,  
then on the stomach and bowels to carry off  
that matter, thus accomplishing two pur-  
poses effectually, without any of the painful  
feelings experienced in the operations of  
most Cathartics. It strengthens the system  
at the same time that it purges it; and when  
taken daily in moderate doses, will strength-  
en and build it up with unusual rapidity.

The Liver is one of the most important  
organs of the human body, and when it per-  
forms its functions the system is fully  
nourished. It is almost entirely dependent  
on the healthy action of the Liver for the  
per performance of its functions; when  
the Liver is diseased, the system suffers in-  
consequence of the Liver's in-activity. For the  
disease of the Liver is a disease of the  
system, and the system is a part of the  
Liver. The Liver is the source of the  
bile, and the bile is the source of the  
blood. The Liver is the source of the  
energy, and the energy is the source of the  
life. The Liver is the source of the  
strength, and the strength is the source of  
the power. The Liver is the source of the  
wisdom, and the wisdom is the source of  
the knowledge. The Liver is the source of  
the love, and the love is the source of the  
mercy. The Liver is the source of the  
truth, and the truth is the source of the  
justice. The Liver is the source of the  
good, and the good is the source of the  
blessing. The Liver is the source of the  
life, and the life is the source of the  
eternity. The Liver is the source of the  
glory, and the glory is the source of the  
honor. The Liver is the source of the  
power, and the power is the source of the  
dominion. The Liver is the source of the  
wisdom, and the wisdom is the source of  
the knowledge. The Liver is the source of  
the love, and the love is the source of the  
mercy. The Liver is the source of the  
truth, and the truth is the source of the  
justice. The Liver is the source of the  
good, and the good is the source of the  
blessing. The Liver is the source of the  
life, and the life is the source of the  
eternity. The Liver is the source of the  
glory, and the glory is the source of the  
honor. The Liver is the source of the  
power, and the power is the source of the  
dominion.

To prove that this  
remedy is at last  
troubled with Liver  
its forms, has but to  
victorious is certain.  
These Gums re-  
lead matter from the  
their place a healthy  
gest well, purifying  
and health to the  
moving the cause of  
ing a radical cure.  
Bilious attacks are  
better, prevented, by  
the Liver Invigorator.

relieve the stomach  
from rising and sou-  
Only one dose taken before retiring, pre-  
vents Nightmares.  
Only one dose taken at night, loosens the

One dose taken after each meal will cure  
Dyspepsia.  
One dose of two teaspoonsfuls will  
always relieve Sick Headache.  
One bottle taken for female obstruction  
removes the cause of the disease, and makes  
a perfect cure.  
Only one dose immediately relieves Chol-  
era, while one dose often repeated is a sure  
cure for Cholera Morbus, and a preventive  
of Cholera.  
Only one bottle is needed to throw out  
of the system the effects of medicine ad-  
ministered for a long sickness.  
One bottle taken for Jaundice removes  
all sallowness or unnatural color from the  
skin.  
One dose taken a short time before eating  
gives vigor to the appetite, and makes food  
digest well.  
One dose often repeated cures Chronic  
Diarrhoea in its worst forms, while Summer  
and Bowel complaints yield almost to the  
first dose.  
One or two doses cures attacks caused by  
Worms in Children: there is no surer, safer  
or speedier remedy in the world, as it never  
fails.  
LPA few bottles cures Dropsy, by excit-  
ing the absorbents.  
We take pleasure in recommending this  
medicine as a preventive for Fever & Ague,  
Chill Fever, and all Fevers of a Bilious Type.  
It operates with certainty, and thousands  
are willing to testify to its wonderful virtues.  
All who use it are giving their unanimous  
testimony in its favor.

**THE LIVER INVIGORATOR**

daily working cures, almost too great to be-  
lieve. It cures as if by magic, even the first

Liver complaint, from the worst Jaundice  
or Dyspepsia to a common Headache, all of  
which are the result of a Diseased Liver.

—A RADICAL CURE.  
January 28, 1857.—1y.

**Mutual Fire Insurance Comp'y**  
The rate of Insurance is one dollar on  
the thousand dollars insured, after  
which payment no subsequent tax will  
be levied, except to cover actual loss or  
damage by fire, that may fall upon mem-  
bers of the company.  
The net profits arising from interest  
or otherwise, will be ascertained yearly,  
for which each member in proportion to  
his, her, or their deposit, will have a  
credit in the company. Each insurer in  
or with the said company will be a mem-  
ber thereof during the term of his or her  
policy. The principle of Mutual Insurance  
has been thoroughly tested—has  
been tried by the unerring test of experi-  
ence, and has proved successful and be-  
come very popular. It affords the great-  
est security against loss or damage by  
fire, on the most advantageous and reason-  
able terms.  
Applications for Insurance to be made  
in person, or by letters addressed to

**Howard Association,**  
PHILADELPHIA.  
A Benevolent Institution, established by spe-  
cial enactment for the relief of the sick  
and distressed, afflicted with Viru-  
lent and Epidemic diseases.  
To all persons afflicted with Sexual Dis-  
eases, such as Spermatorrhea, Seminal Weak-  
ness, Impotence, Gonorrhoea, Gleet, Syphilis,  
the Vice of Onanism, or self abuse, &c. &c.  
The HOWARD ASSOCIATION, in  
view of the awful destruction of human life  
caused by Sexual diseases, and the decep-  
tion practised upon the unfortunate victims  
of such diseases by Quacks, several years  
ago directed their Consulting Surgeon, as  
a charitable act, worthy of their name, to  
open a Dispensary for the treatment of this  
class of diseases, in all their forms, and to  
give Medical advice gratis, to all who apply  
by letter, with a description of their con-  
dition (age, occupation, habits of life, &c.)  
and in cases of extreme poverty, to fur-  
nish medicines free of charge. It is use-  
less to add that the Association commands  
the highest medical skill of the age, and  
will furnish the most approved modern treat-  
ment.  
The Directors, on a review of the past  
feel assured that their labors in this sphere  
of benevolent effort, have been of great  
benefit to the afflicted, especially to the  
young, and they have resolved to devote  
themselves, with renewed zeal, to this very  
important but much despised cause.  
Just published by the Association, a Re-  
port on Spermatorrhea, or Seminal Weak-  
ness, the Vice of Onanism, Masturbation or  
Self Abuse, and other Diseases of the Sex-  
ual Organs, by the Consulting Surgeon,  
which will be sent by mail, (in a sealed  
letter envelope) FREE OF CHARGE, on re-  
ceipt of TWO STAMPS for postage.  
Address, Report or treatment, Dr. GEO.  
R. CALHOUN, Consulting Surgeon, How-  
ard Association, No. 2 South Ninth Street,  
Philadelphia, Pa.  
By order of the Directors,  
EZRA D. HEARTWELL, President.

**J. LANZ, DENTIST**  
Has permanently located him-  
self in Stroudsburg, and moved  
his office next door to Dr. S.  
Walton, and nearly opposite S. Rees's Hat &  
Cap store, where he is fully prepared to treat  
the natural teeth, and also to insert incorrupt-  
ible artificial teeth on pivot and plate, in the  
latest and most improved manner. Most per-  
sons know the danger and folly of trusting  
their work to the ignorant as well as the  
traveling dentist. It matters not how much  
experience a person may have, he is liable to  
have some failures out of a number of cases,  
and if the dentist lives at a distance, it is fre-  
quently put off until it is too late to save the  
tooth or teeth as it may be, otherwise the in-  
convenience and trouble of going so far.—  
Hence the necessity of obtaining the services  
of a dentist near home. All work warranted.

**New Wholesale and Retail  
WINE & LIQUOR STORE,**  
Stroudsburg, Pa.  
The undersigned would inform Land-  
lords and the public generally, that he  
continues the above business in Strouds-  
burg, in the store house formerly occupied  
by John H. Melick as a Jewelry Store, and  
has on hand a large stock of  
**WINE AND LIQUORS**  
of all kinds and of the best quality, direct from  
the Custom House, which he is prepared  
to sell to Landlords and others on the most  
reasonable terms. Our stock consists of French  
Brandy, dark and pale. Also, Peach, Black-  
berry, Cinnamon and Cherry Brandy; Hol-  
land Gin, N. E. Rum; Irish, Rye and Apple  
Whiskey; Lisbon, Claret, Port, Sweet Mala-  
ga, Currant and Champagne Wine, &c. &c.  
Also, on hand a large stock of Bitters of all  
kinds.  
Demijohns, from 1 to 5 gallons; bottles, and  
generally any thing that can be asked for in  
our line.  
Landlords will find it greatly to their ad-  
vantage to deal with me. I have no hired  
agents to sell and distribute liquors for me  
at great expense, which must be paid for by  
the consumer. Those dealing with me I intend  
shall be satisfied with the article they get, as  
well as the price, and whenever they are not,  
I will be pleased to have them return the  
liquor, and make the fact known, for I in-  
tend to make it a permanent business, and  
can only do so by dealing honorably. All  
orders sent by stage drivers or others, will  
be promptly attended to, the same as though  
the person was present dealing for himself.
