Dalley's Magical Pain Extractor. In all diseases inflammation more or less predominates—now to allay inflammation strikes at the root of disease—hence an immediate cure.

Dalley's Magical Pain Extractor, and nothing else, will allay inflammation at once, and make a certain cure.

Dalley's Magical Pain Extractor will cure the following among a catalogue of diseases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, strains, bites, poison, chilblains, bites, scrofula, ulcers, fever sores, felon, ear ache, pimple, sore eyes, god, swelling, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barber's itch, small pox, measles, rash, &c., &c.

To some it may seem incredulous that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the salve is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder.

Dalley's Magical Pain Extractor. In its effects is unequalled, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, Manufacturer, For sale by all the Druggists and patent medicine dealers throughout the United States and Canada.

Principal Depot, 165 Chambers St., New-York. C. F. CHACE. Sold in Stroudsburg, by Hollinshead and Detrick. Feb. 25, 1858.—1y.

IT IS NOT TOO MUCH TO SAY

OLD AND YOUNG,

AFFIRM ITS TRUTH, Viz: Professor Wood's Hair Restorative Will preserve infallibly the growth and color of the hair, if used two or three times a week, to any imaginable age. Perfectly restores the gray, cures the bald with nature's own ornament, the hair; make it more soft and beautiful than any oil, and preserve the scalp free from all disease to the greatest advantage. Statesmen, Judges, Attorneys, Doctors, Clergymen, Professional men and Gentlemen and Ladies of all classes, all over the world, bear testimony that we do not say too much in its favor. Read the following, and judge: Hickory Grove, St. Charles Co. Mo. } November 19, 1857. } Prof. O. J. Wood—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effect were so wonderful, we feel it our duty to you and the afflicted, to report it. Our little son's head for some time had been perfectly covered with sores, and some called it scald head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative, we did so with little hope of success, but to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can, therefore, and do hereby, recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair. We are yours respectfully, GEO. W. HIGGINBOTHAM, SARAH A. HIGGINBOTHAM. Prof. Wood—Dear Sir: My hair had, for several years, been becoming prematurely gray, accompanied by a harshness which rendered the constant application of oil necessary in dressing it. When I commenced using your Hair Restorative about two months ago it was in that condition, and having continued its use till within the last few weeks, it has turned to its natural color, and assumed a softness and lustre greatly to be preferred to those produced by the application of oils or any other preparation I have ever used.—I regard it as an indispensable article for every lady's toilet, whether to be used as a Hair Restorative or for the simple purpose of dressing or beautifying the hair. You have permission to refer to me all who entertain any doubt of its performing all that is claimed for it. MRS. C. SYMONDS, Cincinnati, O. Feb. 10, 1857. 114, 3d st. WELLINGTON, Mo. Dec. 5, 1857. Prof. Wood—Dear Sir: By the advice of a friend of mine, who had been using your Hair Restorative, I was induced to try it. I had the fever, some time last May, and nearly every hair in my head came out. Now my hair has come in a great deal thicker than ever it was. Nothing but a duty and sympathy that I feel to communicate to others who are afflicted as I have been, would induce me to give this public acknowledgment of the benefit I have received from Prof. Wood's Hair Restorative. Yours respectfully, A. R. JACOBS. The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/4 pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for \$3 a bottle. O. J. WOOD & CO. Proprietors, No 312 Broadway, New York, (in the great N. Y. Wire Railing Establishment,) and 114 Market st., St. Louis, Mo. And sold by all good Druggists and Fancy Goods Dealers. "No such Word as Fail."

A RESISTLESS REMEDY.

HOLLOWAY'S OINTMENT. Circular to the Sick.

The first hospital surgeons and medical publicists of Europe admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidence of disease, and neutralize the fiery elements which feed and exasperate the malady.

Rheumatism, Scrofula, Erysipelas.

These are among the most terrible and agonizing diseases of the muscles, and fleshy fibre of the skin; yet in the worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antidote to pain and inflammation.

Salt Rheum, Fever Sores, Stiff Joints.

In cases of Salt Rheum, where medical waters, lotions, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

Discharging Ulcers.

A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter.—This process goes on more or less rapidly until the orifice is filled up with sound material, and the ulcer radically cured.

A Word to Mothers.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the enervated sores which sometimes disfigure the heads and faces of children.

Significant Facts.

This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scrobutic affections, and as the best possible remedy for wounds and bruises.—Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

Both the Ointment and Pills should be used in the following cases: Bunions, Skin Diseases, Swelled Glands, Bruises, Chapped Hands, Sore Legs, Chilblains, Sore Breasts, Fistula, Sore Heads, Gout, Sore Throats, Lumbago, Sore of all kinds, Mercurial Eruptions, Sprains, Piles, Stiff Joints, Rheumatism, Tetter, Ringworms, Salt Rheum, Venereal Sores, Scalds, Wounds of all kinds.

Caution—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes at 25 cents, 63 1-2 cents, and \$1 each.

There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each box. Sold in Stroudsburg by Hollinshead & Detrick. July 31, 1857.—1y.
