[From the Rockland GAZETTE, Me.] PROF. WOOD'S HAIR RESTORATIVE.—For the year past we have been advertising the above named Hair Restorative, and month by month its sale has gradually increased, until it now commands a more ready sale than any other article of its kind, giving in almost every instance entire satisfaction.

A clergyman, resident in a neighboring town who had for years suffered from a burning sensation in the head, with an occasionally dry, itching humor, which prematurely turned his hair gray, and latterly causing it to come off rapidly, leaving the crown nearly bare, seeing the advertisement of the article in the Gazette, was induced to try it, and now, after the use of two bottles only, his hair has turned quite dark, and is very soft, the scalp clean, and the recently bald spots covered with a beautiful growth of silky dark hair, the sight of which, with his commendation of the Restorative, will command an increased sale.—We would state to any who may wish to know, that we are permitted, privately, to give the name of the individual to whose case we refer.

Sold in Stroudsburg, by Hollinshead & Detrick, and James N. Durling, Druggists. See advertisement in another column.

IT IS NOT TOO MUCH TO SAY SINCE ALL

OLD AND YOUNG, AFFIRM ITS TRUTH.

Prof. Wood's Hair Restorative

Will preserve infallibly the growth and color of the hair, if used two or three times a week, to any imaginable age. Perfectly restores the gray, cover the bald with nature's own ornament, the hair; make it more soft and beautiful than any oil, and preserve the scalp free from all disease to the greatest age.

Statesmen, Judges, Attorneys, Doctors, Clergymen, Professional men and Gentlemen and Ladies of all classes, all over the world, bear testimony that we do not say too much in its favor. Read the following, and judge:

HICKORY GROVE, St. Charles Co. Mo. November 19, 1857.

Prof. O. J. Wood—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effect were so wonderful, we feel it our duty to you and the afflicted, to report it.

Our little son's head for some time had been perfectly covered with sores, and some called it scald head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative, we did so with little hope of success, but to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can, therefore, and do hereby, recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair. We are yours respectfully,

GEO. W. HIGGINBOTHAM, SARAH A. HIGGINBOTHAM.

Prof. Wood—Dear Sir: My hair had, for several years, been becoming prematurely gray, accompanied by a harshness which rendered the constant application of oil necessary in dressing it. When I commenced using your Hair Restorative about two months ago it was in that condition; and having continued its use till within the last three weeks, it has turned to its natural color, and assumed a softness and lustre greatly to be preferred to those produced by the application of oils or any other preparation I have ever used. I regard it as an indispensable article for every lady's toilet, whether to be used as a Hair Restorative or for the simple purpose of dressing or beautifying the hair. You have permission to refer to me all who entertain any doubt of its performing all that is claimed for it. MRS. C. SYMONDS, Cincinnati, O. Feb. 10, 1857. 114, 3d st.

WELLINGTON, Mo. Dec. 5, 1857.

Prof. Wood—Dear Sir: By the advice of a friend of mine, who had been using your Hair Restorative, I was induced to try it. I had the fever, some time last May, and nearly every hair in my head came out. Now my hair has come in a great deal thicker than ever it was. Nothing but a duty and sympathy that I feel to communicate to others who are afflicted as I have been, would induce me to give this public acknowledgment of the benefit I have received from Prof. Wood's Hair Restorative. Yours respectfully,

A. R. JACOBS.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/2 a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for \$3 a bottle.
