THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures
EVERY KIND OF HUMOR,
FROM THE
Worst Scrofula down to a common Pimple.
Two bottles are warranted to cure a living sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will clear the system of biles.
Two bottles are warranted to cure the worst canker in the stomach.
Three or five bottles are warranted to cure the worst kind of Erysipelas.
One or two bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two or three bottles are warranted to cure the worst kind of ringworm.
Two or three bottles are warranted to cure the most desperate case of rheumatism.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
One to three bottles are warranted to cure the worst case of dyspepsia. I know from the experience of thousands that it has, caused by a canker in the stomach.
One to two bottles are warranted to cure sick headache.
One to two bottles are warranted to regulate a costive state of the bowels.
One to two bottles will regulate all derangement of the kidneys.
Four to six bottles have cured the worst cases of dropsy.
One to three bottles has cured the worst case of piles; a relief is always experienced.
What a mercy to get relief in such an excruciating disease!

Since its first discovery, I have from time to time added various other herbs to it; of one of them, Hippocrates, the Father of Medicine, says: "It is an herb of Jubbiter, and in the sign Leo."
"It openeth obstructions of the liver, gall and spleen; it is an especial friend to the liver, worth all other herbs put together; cooling it when too hot, and warming it when too cold."
"It creatheth an appetite, cureth all gone and sinking feelings in the pit of the stomach, easeth all pains and stitches in the side."
"It cureth the jaundice by opening the gall, and restoreth the native color of the body."
"It expels all raw, viscid and slimy humors out of the body; it cleanseth all inward ulcers and congealed blood from the kidneys."
"By opening obstructions of the spleen, it purgeth all burnt cholera and melancholy vapors which rise to the head and brain, causing distressing headache, fearful foreboding of trouble, trembling of the heart, fainting and swooning."
"The herb boiled in wine is particularly good to revive the drooping spirit of the aged, and whoever has a lingering sickness after a fever, nothing restoreth him to health so quick as drinking the juice of this herb."
"The seeds boiled in water cureth the most offensive breath, and drunk at bedtime, preventeth what is commonly called night mare, and all melancholy dreams, a disease bilious people are liable to."
The Father of Medicine says of another herb in this composition, that "it is an herb of the Sun, and in the sign Leo."
"The sun is the source of all life, and ruleth the heart; and this herb is the best cordial, the greatest strengthener of the heart, of any that grows; it comforteth the heart, cureth all palpitation thereof; taketh away trembling, fainting and smothering of it; yet it must be taken carefully, or severe gripings will ensue, which must be corrected with fennel seed or ginger."
"So much for this herb, between which and the aeder there is the utmost antipathy; so much so that the aeder will not touch him that has the herb about him."
No change of diet ever necessary—eat the best you can get and enough of it.
Directions for use. Adults one table spoonful per day—Children over ten years, desert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

A Card from Dr. James M. Jarrett, of the NEW YORK LUNG INFIRMARY.—My connection for the past eight years with the above Institution, as Chief Physician, and a twelve year's course of steady devotion to the Cure of Pulmonary Consumption and its kindred diseases, together with my unrivaled opportunities and advantage of pathological research—aided not a little by a perfect system of Medical Inhalation—has enabled me to arrive at a decisive, direct, and successful course of treatment for the positive and radical cure of all diseases of the Throat, Lungs and Air Passages. By Inhalation, the vapor and curative properties of medicines are directly addressed to the diseased organs and the integument. I do not advise the use of Medical Inhalation of any kind, to the exclusion of general treatment; and although I consider it a useful adjuvant in the proper management of those fearful and often fatal diseases, yet I deem it very necessary that each patient should have the benefit of both general and local treatment. The success of my treatment in the above diseases, and the high character of the Institution over which I have so long had the honor to preside, are too well known to need any eulogy or comment from me. At the solicitation of many private and professional friends, through whose philanthropic aid the above charity has been long and liberally supported, and after due consideration, I have concluded to make such arrangements as will bring the benefits of my experience and treatment within the reach of all, and not confine myself, as heretofore, to those who entered the Infirmary, or who were able to visit me at my office. Hoping therefore that the arrangement will give entire satisfaction, both to my professional brethren and the public, I would respectfully announce in conclusion, that I can now be consulted personally or by letter, on all diseases as above, and that the medicines, the same as is used in the Institution, prepared to suit each individual case, *Inhaling Vapors, Medical Inhalers, &c. &c.*, will be forwarded by express to any part of the United States or the Canadas. **TERMS.**—My terms of treatment are as follows, viz: \$12 per month for each patient, which will include medicine sufficient for one month's use; also *Inhaling Vapor*, and an *Inhaling Apparatus*. Payment as follows: \$6 to be paid to Express Agent on receipt of the box of Medicine, and balance \$6 at the expiration of the month, if the patient be cured or is entirely satisfied with the treatment. Patients, by giving a full history of their case, and their symptoms in full, can be treated as well by letter as by personal examination. Patients availing themselves of Dr. Jarrett's treatment may rely on immediate and permanent relief, as he seldom has to treat a case over thirty days. Letters for advice promptly answered. For further particulars address
JAMES M. JARRETT, M. D.,
No. 820 Broadway, cor. Twelfth St. N. Y.

P. S.—Physicians and others are respectfully invited to call at the Infirmary, where many interesting cases can be witnessed, and where our improved apparatus for the Inhalation of medicated vapor can be seen and inspected.

LOTTERIES.
The Lotteries of Samuel Swan & Co. are chartered by the State of Georgia, and have sworn commissioners appointed to superintend their drawings, and certify that everything connected with the same is done in a strictly honorable manner.—They offer to the public a fair opportunity for investment, the interests of parties at a distance being as well protected as though they were present. The Managers would respectfully call attention to the fact that all persons have a legal right to send orders for tickets to Georgia, as the lotteries of Samuel Swan & Co. are authorized by the Legislature of that State. A lottery will be drawn every Saturday throughout the year, all orders received being filled in the drawing next to take place after the same comes to hand. According to the scheme one ticket is every nine must draw a prize. Tickets are \$10; halves, \$5; quarters, \$2.50. No tickets sent unless the money accompanies the order. The drawings are upon the principle of one number on each ticket, and are so simple that none can fail to understand them. There is no combination of numbers to mystify the buyer. Prizes vary from \$40 to \$70,000; every prize being drawn, and result of drawing forwarded to all purchasers.
A list of the numbers that are drawn from the wheel, with the amount that each prize is entitled to, will be published after every drawing; in the following papers:—New Orleans Delta, Mobile Register, Charleston Standard, Nashville Gazette, Atlanta Intelligencer, Savannah News and New York Weekly Day Book, and New-York Sunday Dispatch.
Write your address plainly, and direct to S. SWAN & CO., Augusta, Georgia. Prizes paid in full—no percentage deducted from prizes as in other lotteries. All communications strictly confidential. April 16, 1858.—1f.

THE LIVER INVIGORATOR.
PREPARED BY DR. SANFORD,
MONROE COUNTY.

Compounded entirely from Gums.
Is one of the best Purgative and Liver medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.
The Liver is one of the principal regulars of the human body, and when it performs its functions the system are fully developed. The stomach is almost in the healthy action of the stomach is at fault, & the whole sequence of one or more organs ceases to do its duty. For the disease of the proprietors in a practice of more find some remedy to rectify the many defects of the system, which is at last remedied by the Liver Invigorator. It is sufficient to prevent the food from rising and souring, and what is the occasional use of it.
Only one dose taken before retiring, prevents Nightmare.
Only one dose taken at night, loosens the bowels gently, and cures Costiveness.
One dose taken after each meal will cure Dyspepsia.
One dose of two teaspoonsful will always relieve Sick Headache.
One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.
Only one dose immediately relieves Cholera, while one dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.
Only one bottle is needed to throw out of the system the effects of medicine at a long sickness.
One bottle taken for Jaundice removes all sallowiness or unnatural color from the skin.
One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.
One dose often repeated cures Chronic Diarrhea in its worst forms, while Summer and Bowel complaints yield almost to the first dose.
One or two doses cures attacks caused by Worms in Children: there is no surer, safer or speedier remedy in the world, as it never fails.
A few bottles cures Dropsy, by exciting the absorbents.
We take pleasure in recommending this medicine as a preventive for Fever & Ague, Chills Fever, and all Fevers of a Bilious Type.
It operates with certainty, and thousands are willing to testify to its wonderful virtues. All who use it are giving their unanimous testimony in its favor.
Mix water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR
Is a Scientific Medical Discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver complaint, from the worst Jaundice or Dyspepsia to a common Headache, all of which are the result of a Diseased Liver.
PRICE ONE DOLLAR PER BOTTLE.

Mutual Fire Insurance Comp'y
The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.
The net profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the greatest security against loss or damage by fire, on the most advantageous and reasonable terms.

Howard Association,
PHILADELPHIA.
A Benevolent Institution, established by special enactment for the relief of the sick and distressed, afflicted with Venereal and Epidemic diseases.
To all persons afflicted with Sexual Diseases, such as Spermatorrhoea, Seminal Weakness, Impotence, Gonorrhoea, Gleet, Syphilis, the Vice of Onanism, or self-abuse, &c. &c. the HOWARD ASSOCIATION, in view of the awful destruction of human life caused by Sexual diseases, and the deception practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a charitable act, worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical advice gratis, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in cases of extreme poverty, to furnish medicines free of charge. It is needless to add that the Association commands the highest medical skill of the age, and will furnish the most approved modern treatment.
The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.
Just published by the Association, a Report on Spermatorrhoea, or Seminal Weakness, the Vice of Onanism, Masturbation or Self-abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope,) FREE OF CHARGE, on receipt of TWO STAMPS for postage.

J. LANTZ, DENTIST
Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far—Hence the necessity of obtaining the services of a dentist near home. All work warranted.
