It is peculiarly suited. It will, in a short time, bring on the monthly period with regularity.

These Pills should not be taken by females during the FIRST THREE MONTHS of Pregnancy, as they are sure to bring on Miscarriage, but at any other time they are safe.

In all cases of Nerves and Spinal Affections, pain in the back and limbs, fatigue on slight exertion, palpitation of the heart, hysterics and whites, these Pills will effect a cure when all other means have failed; and although a powerful remedy, do not contain iron, calomel, antimony, or anything hurtful to the constitution. Full directions in the pamphlet around each package, which should be carefully preserved.

Sole Agent for the United States and Canada, J. N. DURLING, Agent, 108 N. B. - \$1.00 and 5 cent stamps enclosed to any authorized Agent, will insure a bottle, containing 30 pills by return mail. For sale in Stroudsburg, Pa., by J. N. DURLING, Agent, July 1, 1858 - 19.

A PROCLAMATION TO THE LADIES.

Whereas, it appears that the days of right, honor, and integrity are fast fading away, and whereas, the unscrupulous and ignorant are daily taking advantage of the profound and learned. But it is known therefore, to all, whether Maids, Wives, or Widows, that *Dr. Chessman's Female Pills* are alone the certain panacea for the troubles incident to female disorganization; they alone correcting all painful menstruation, assuaging palpitations of the heart, disturbed sleep, pain in the side, and causing health and happiness to the whole sex; more especially to the married portion, as they are certain to bring on the monthly period with regularity. And whereas, these Pills are purely vegetable and entirely free from minerals, therefore perfectly harmless in their operations and wholly unlike other medicines thrust upon the public, purporting to effect the objects already detailed. Therefore, be it known, that nothing but the said Pills of *Dr. Chessman* will accomplish the desired object, when disappointment has been experienced under the regime of other Pills; and the LADIES will cause this Proclamation to spread amongst them, to their own everlasting benefit—always premising that said Proclamation in one case must be considered null and void; that is to say, that the Pills must not be taken when any female is in an interesting situation, otherwise a miscarriage will be the inevitable result.

Explicit directions, to be carefully read, accompany each box. Price \$1. Sent by mail on enclosing \$1 to Dr. Cornelius L. Chessman, Box 4,531, Post-Office, New York City. Sold by one Druggist in every town in the United States.

Given under my hand and seal, C. L. CHEESEMAN, M. D. R. B. Hatching, General Agent for the United States, 165 Chambers-st., N. York.

Walley's Magical Pain Extractor.
In all diseases inflammation more or less predominates—now to allay inflammation strikes at the root of disease—hence an immediate cure.

Walley's Magical Pain Extractor.
and nothing else, will allay inflammation at once, and make a certain cure.

Walley's Magical Pain Extractor.
will cure the following among a catalogue of diseases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, strains, bites, poison, chilblains, ulcers, scrofula, ulcers, fever sores, felons, ear ache, piles, sore eyes, gonorrhea, rheumatism, sea-sickness, salt rheum, baldness, erysipelas, ringworm, barbers itch, small pox, measles, rash, &c., &c.

To those it may seem incredulous that so many diseases should be reached by one article, such an idea will vanish when reflection points to the fact, that the salve is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder.

Walley's Magical Pain Extractor.
In its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Walley, Manufacturer, For sale by all the Druggists and patent medicine dealers throughout the United States and Canada.

Principal Depot, 165 Chambers St., New York. C. F. CHACE. Sold in Stroudsburg, by Hollinshead and Detrick. Feb. 25, 1858 - 19.

WIGS—WIGS—WIGS.
BATCHELOR'S WIGS and TOUPES surpasses all. They are elegant, light, easy and durable. Fitting to a curl—no turning up behind—no shrinking of the head; indeed, this is the only Establishment where these things are properly understood and made. (Dec. 9, 1858 - 19.)

The New York Herald sums up a review of the gold fields of the United States, with the following estimate of our future gold crop: "California gives us a million a week. All the other fields, we can safely say with what fact we already have, will give us at least half as much. Our gold crop is therefore likely to be for years to come at the rate of a million and a half per week, or seventy-seven millions dollars per annum—equal to one half of the value of the cotton crop of the country."

ONE DOLLAR!—It is too much, exclaims the person desiring cheap articles for the restoration of the hair! We have, however, in our experience found that articles which command seemingly exorbitant prices, are in the end cheapest to the purchaser. Precious articles are always put up in small packages, and efficacious medicines are not considered dear at any price. One dollar being the price of Professor Wood's Hair Restorative, for the smallest size or trial bottle, is a sufficient guarantee that the trial bottle contains most precious ingredients, in proof of which its sale has increased one hundred fold within the past year.

CAUTION.—Beware of worthless imitations, as several are already in the market, called by different names. Use none unless the words (Professor Wood's Hair Restorative, Depot, St. Louis, Mo., and New York) are blown in the bottle. Sold by all Druggists and Patent Medicine Dealers. Also by all Fancy and Toilet goods dealers in the United States and Canada.

Sold in Stroudsburg by Hollinshead & Detrick, and James N. Durling. See advertisement in another column.

IT IS NOT TOO MUCH TO SAY SINCE ALL

OLD AND YOUNG.

AFFIRM ITS TRUTH, Viz: Professor Wood's Hair Restorative

Will preserve infallibly the growth and color of the hair, if used two or three times a week, to any imaginable age. Perfectly restores the gray, cures the bald with nature's own ornament, the hair; make it more soft and beautiful than any oil, and preserve the scalp free from all disease to the greatest extent. Statesmen, Judges, Attorneys, Doctors, Clergymen, Professional men and Gentlemen and Ladies of all classes, all over the world, bear testimony that we do not say too much in its favor. Read the following, and judge: HICKORY GROVE, St. Charles Co. Mo. } November 19, 1857. } Prof. O. J. Wood—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effect were so wonderful, we feel it our duty to you and the afflicted, to report it.

Our little son's head for some time had been perfectly covered with sores, and some called it scald head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative, we did so with little hope of success, but to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can, therefore, do hereby, recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair. We are yours respectfully,

GEO. W. HIGGINBOTHAM, SARAH A. HIGGINBOTHAM. Prof. Wood—Dear Sir: My hair had, for several years, been becoming prematurely gray, accompanied by a harshness which rendered the constant application of oil necessary in dressing it. When I commenced using your Hair Restorative about two months ago it was in that condition; and having continued its use until within the last three weeks, it has turned to its natural color, and assumed a softness and lustre greatly to be preferred to those produced by the application of oils or any other preparation I have ever used.—I regard it as an indispensable article for every lady's toilet, whether to be used as a Hair Restorative or for the simple purpose of dressing or beautifying the hair. You have permission to refer to me all who entertain any doubt of its performing all that is claimed for it. MRS. C. SYMONDS, Cincinnati, O. Feb. 10, 1857. 114, 3d st. WELLINGTON, Mo. Dec. 5, 1857.

Prof. Wood—Dear Sir: By the advice of a friend of mine, who had been using your Hair Restorative, I was induced to try it. I had the fever, some time last May, and nearly every hair in my head came out. Now my hair has come in a great deal thicker than ever it was. Nothing but a duty and sympathy that I feel to communicate to others who are afflicted as I have been, would induce me to give this public acknowledgment of the benefit I have received from Prof. Wood's Hair Restorative. Yours respectfully, A. R. JACOBS.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds $\frac{1}{2}$ pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small; the large holds a quart, 40 per cent more in proportion, and retails for \$3 a bottle.
