

STRAIGHTFORWARDNESS IN BUSINESS.

It is the received opinion, that men find straightforwardness the best for business. It is thus that WOOD, EDDY & Co., the successors of Swan & Co., of Augusta, Ga., and Gregory & Maury, of Wilmington, Delaware, have secured their respect in public confidence. Their established lottery institution has been for many years in existence, and during the whole time their straightforward manner of doing business has put money into their own purses and fortunes into the pockets of those who have had dealings with them. Theirs is a legalized lottery, and their prizes are immediately paid on demand. By forwarding \$10, \$5, or \$2½ to either address, you will stand a chance of winning in return, the whole, half or quarter of their magnificent prizes.

Prof. Wood's Hair Restorative.

We cannot too earnestly recommend to the attention of our aged friends, or others who have been so unfortunate as to lose their hair, the restoring properties of Professor Wood's wonderful discovery. Certificates of its efficacy are constantly coming in, and a village can hardly be found in the West, where living witnesses cannot be found to testify from experience that it will not only restore gray hair to its original color, but will restore to the bald head the locks of youth and beauty, thus furnishing an effectual antidote for the ravages of time and disease. Among those who certify positively to its efficacy in accomplishing its work, is Judge Broese, of this Circuit, together with other responsible witnesses. Gray-headed bachelors and widowers who desire to make their market, and all others afflicted as above described, deserve to bear their misfortunes without sympathy, if they will not avail themselves of the offered remedy.

The undersigned, having become proprietors of the above well known establishment, being thankful for the liberal patronage extended towards the old firm, would respectfully request a continuance of the same, and, on account of increased facilities and improvements are prepared to accommodate all who may favor them with a call.

The establishment offers great inducements, not only on account of reduced rates of Board, but also from its central location to the avenues of trade, as well as the conveniences afforded by several Passenger Railways running past and contiguous to it, whereby guests can pass to and from the Hotel to the different Railroad Depots, at the mere nominal sum of five cents, should they be preferred to the regular omnibus belonging to the Hotel.

THE GREAT WONDER OF THE NINETEENTH CENTURY.

PROFESSOR WOOD'S HAIR RESTORATIVE.

Says the St. Louis, (Mo.) Democrat: Below we publish a letter to Dr. Wood, of this city, from a gentleman in Maine, which speaks glowingly of the superior merits of his hair tonic. Such evidence must have its effect, when coming from a reliable source.—If certificates are guarantees of truth, the Dr. needs no encomiums, nor useless puffery from the press:

BATH, MAINE, Jan. 20, 1856.

Professor O. J. Wood & Co.

GENTLEMEN: Having my attention called a few months since to the highly beneficial effects of your hair restorative, I was induced to make application of it upon my own hair, which had become quite gray, probably one-third white; my whiskers was of the same character. Some three months since I procured a bottle of your hair restorative, and used it. I soon found it was proving what I had wished. I used it about twice a week. I have since procured another bottle, of which I have used some. I can now certify to the world that the gray or white hair has totally disappeared, both on my head and face, and my hair has resumed its natural color, and I believe more soft and glossy than it has been before for twenty-five years. I am now sixty-two years old; my good wife at the age of fifty-two, has used it with the same effect.

The above notice I deem due to you for your valuable discovery. I am assured that whoever will rightly use, as per directions, will not have occasion to contradict my statements. I am a citizen of this city and a resident here for the last fifteen years, and am known to nearly every one and adjoining towns. Any use you may make of the above, with my name attached, is at your service, as I wish to preserve the beauties of nature in others as well as myself. I am, truly, yours, A. C. RAYMOND.

BALTIMORE, Jan. 23, 1858.

WOOD'S HAIR RESTORATIVE.

Professor Wood—Dear Sir: Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans in 1854, I was induced to make a trial of your preparation, and found it to answer the very thing needed. My hair is now thick and glossy, and words can express my obligations to you in giving to the afflicted such a treasure.

FINLEY JOHNSON.

The undersigned, Rev. J. K. Bragg, is a minister in regular standing, and pastor of the Orthodox Church at Brookfield, Mass. He is a gentleman of great influence and universally beloved. WM. DYER.

Brookfield, January 12, 1858.

Professor Wood—Dear Sir: Having made trial of your Hair Restorative, it gives me pleasure to say, that its effect has been excellent in removing inflammation, dandruff and a constant tendency to itching with which I have been troubled from my childhood; and has also restored my hair, which was becoming gray to its original color. I have used no other article with anything like the same pleasure or profit. Yours truly, J. K. BRAGG.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds ¼ a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for \$3 a bottle.

THE LIVER INVIGORATOR.

PREPARED BY DR. SANFORD,

Compounded entirely from Gums,

Is one of the best Purgative and Liver medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal organs of the human body, and when its functions are fully performed, the system is almost entirely dependent on the healthy action of the Liver for the proper performance of the system's functions; in fact, the bowels are at fault, & the whole system suffers in consequence—the Liver—having ceased to do its duty. For the disease of the organ, has made its history through twenty years, to wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last troubled with Liver its forms, has but to try a bottle, and compare the result with the system, supplying in flow of bile, invigorating the stomach, giving tone to the blood, giving tone to the whole machinery, effecting a radical cure.

Bilious attacks are better prevented, by the Liver Invigorator. One dose after each meal will cure Dyspepsia.

Only one dose taken before retiring, prevents Nightmare.

Only one dose taken at night, loosens the bowels gently, and cures Costiveness.

One dose taken after each meal will cure Dyspepsia.

Only one dose immediately relieves Cholera, while one dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for Jaundice removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.

One dose often repeated cures Chronic Diarrhea in its worst forms, while Summer and Bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by Worms in Children: there is no surer, safer or speedier remedy in the world, as it never fails.

Only a few bottles cures Dropsy, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for Fever & Ague, Chills and Fevers of a Bilious Type.

It operates with certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor.

It mixes in the mouth with the Invigorator, and swallow both together.

THE L
