

MONROE COUNTY

Mainal Fire Insurance Comp'y

The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.

The nett profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested-has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the greatest security against loss or damage by fire, on the most advantageous and rea- To sonable terms.

THE AGE MR. KENNEDY, of Roxbury, has disrovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR, FROM THE

Worst Scruofula down to a common Pimple. Two bottles are warranted to cure a nursing sore mouth

One to three bottles will cure the worst kind of pimples on the face. Two or three bottles will clear the system of biles.

Two bottles are warranted to cure the worst canker in the stomach Three or five bottles are warranted to cure the worst kind of Erysipelas.

One or two bottles are warranted to cure all humor in the eves. Two bottles are warranted to cure running of the ears and blotches among the

Four to six bettles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst kind of ringworm. Two or three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure salt theum. Five to eight bottles will cure the worst case of scrofula. One to three bottles are warranted to cure

the worst case of dyspepsia. I know from the experience of thousants that it has, caused 94 by a canker in the stomach. One to two bottles are warranted to cure 28 sick headache.

One to two bottles are warranted to regulate a costive state of the bowels. One to two bottles will regulate all derangement of the kidneys. Four to six bottles have cured the worst

cases of dropsy. One to three bottles has cured the worst 2 case of piles; a relief is always experienced-What a mercy to get relief in such an ex-61 cruciating disease! Since its first discovery, I have from time

to time added various other berbs to it; of one of them, Hippocrates, the Father of 65 Medicine, says: "It is an herb of Jubiter, and in the sign Leo. "It openeth obstructions of the liver, gall

16 and spicen; it is an especial friend to the 53 liver, worth all other heros put together; cooling it when too hot, and warming it when too cold. "It createth an appetite, cureth all gone

and sinking feelings in the pit of the stomach, easeth all pains and stitches in the side. "It cureth the jaundice by opening the gall, and restoreth the native color of the body. "It expels all raw, viscous and slimy hu-

mors out of the body; it cleanseth all inward ulcers and congealed blood from the kid-"By opening obstructions of the spleen,

78 it purgeth all burnt choler and melancholy 11 vapors which riseth to the head and brain, causing distressing headache, fearful foreboding of trouble, trembling of the heart, 52 fainting and swooning.

'The herb boiled in wine is particularly 30 good to revive the drooping spirit of the aged, and whoever has a lingering sickness 15 after a fever, nothing restoreth him to health so quick as drinking the juice of this herb. "The seeds boiled in water cureth the most offensive breath, and drank at bedtime. preventeth what is commonly called nightmare, and all melancholy dreams, a disease 30 billious people are liable to."

The Father of Medicine says of another 53 herb in this composition, that "it is an herb of the Sun, and in the sign Leo.

"The sun is the source of all life, and ruleth the heart; and this herb is the best cor-16 dial, the greatest strengthener of the heart, of any that grows; it comforteth the heart, 93 cureth all palpitation thereof; taketh away 23 trembling, fainting and smothering of it; yet 53 it must be taken carefully, or severe gripings will easue, which must be corrected with fennel seed or ginger.

"So much for this herb, between which 74 and the adder there is the utmost antipathy; 75 so much so that the adder will not touch 09 him that has the herb about him " No change of diet ever necessary-eat

the best you can get and enough of it. Directions for use. Adults one table spoonful per day-Children over ten years. 67 47 desert spoonful-Children from five to eight 6 61 years, tea spoonful. As no directions can be applicable to all constitutions, take \$0,000 00 sufficient to opearte on the bowels twice a
