

MONROE COUNTY Mutual Fire Insurance Company

The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.

The net profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the greatest security against loss or damage by fire, on the most advantageous and reasonable terms.

Applications for Insurance to be made in person, or by letters addressed to WM. K. HAYLAND, Secretary, MANAGERS.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR, FROM THE Worst Scrofula down to a common Pimple.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face. Two or three bottles will clear the system of all humors.

Two bottles are warranted to cure the worst canker in the stomach. Three or five bottles are warranted to cure the worst kind of Erysipelas.

One or two bottles are warranted to cure all humors in the eyes. Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst kind of ringworm. Two or three bottles are warranted to cure the most severe case of rheumatism.

Three to four bottles are warranted to cure salt rheum. Five to eight bottles will cure the worst case of scrofula.

One to three bottles are warranted to cure the worst case of dyspepsia. I know from the experience of thousands that it has, caused by a canker in the stomach.

One to two bottles are warranted to cure sick headache. One to two bottles are warranted to regulate a costive state of the bowels.

One to two bottles will regulate all derangement of the kidneys. Four to six bottles have cured the worst cases of dropsy.

One to three bottles has cured the worst case of piles; a relief is always experienced. What a mercy to get relief in such an excruciating disease!

Since its first discovery, I have from time to time added various other herbs to it; one of them, Hippocrates, the Father of Medicine, says: "It is an herb of Jupiter, and in the sign Leo."

"It openeth obstructions of the liver, gall and spleen; it is an especial friend to the liver, worth all other herbs put together; cooling it when too hot, and warming it when too cold."

"It createth an appetite, cureth all galle and sinking feelings in the pit of the stomach, easeth all pains and stitches in the side."

"It cureth the jaundice by opening the gall, and restreth the native color of the body."

"It expels all raw, viscous and slimy humors out of the body; it cleanseth all inward obstructions and congealed blood from the kidneys."

"By opening obstructions of the spleen, it purgeth all rict and cholera, melancholy vapors which rush to the head and brain, causing distressing headache, fearful foreboding, trembling of the heart, fainting and swooning."

"The herb boiled in wine is particularly good to revive the drooping spirit of the aged, and whoever has a lingering sickness after a fever, nothing restoreth him to health so quick as drinking the juice of this herb."

"The seeds boiled in water cureth the most offensive breath, and drunk at bedtime, preventeth what is commonly called night-mare, and all melancholy dreams, a disease bilious people are liable to."

The Father of Medicine says of another herb in this composition, that "it is an herb of the Sun, and in the sign Leo."

"The sun is the source of all life, and ruleth the heart; and this herb is the best cordial, the greatest strengthener of the heart, of any that grows; it comforteth the heart, cureth all palpitation thereof; taketh away trembling, fainting and smothering of it; yet it must be taken carefully, or severe gripings will ensue, which must be corrected with fennel seed or ginger."

"So much for this herb, between which and the adder there is the utmost antipathy; so much so that the adder will not touch him that has the herb about him."

No change of diet ever necessary—eat the best you can get and enough of it. Directions for use. Adults one table spoonful per day—Children over ten years, desert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

THE GREAT WONDER OF THE NINETEENTH CENTURY. PROFESSOR WOOD'S HAIR RESTORATIVE.

Says the St. Louis (Mo.) Democrat: Below we publish a letter to Dr. Wood, of this city, from a gentleman in Maine, which speaks glowingly of the superior merits of his hair tonic. Such evidence must have its effect, when coming from a reliable source—If certificates are guarantees of truth, the Dr. needs no encomiums, nor useless puffery from the press:

BATH, MAINE, Jan. 20, 1856. Professor O. J. Wood & Co. GENTLEMEN: Having my attention called a few months since to the highly beneficial effects of your hair restorative, I was induced to make application of it upon my own hair, which had become quite gray, probably one-third white; my whiskers was of the same character. Some three months since I procured a bottle of your hair restorative, and used it. I soon found it was proving what I had wished. I used it about twice a week. I have since procured another bottle, of which I have used some. I can now certify to the world that the gray or white hair has totally disappeared, both on my head and face, and my hair has resumed its natural color, and I believe more soft and glossy than it has been before for twenty-five years. I am now sixty years old; my good wife at the age of fifty-two, has used it with the same effect.

The above notice I deem due to you for your valuable discovery. I am assured that whoever will rightly use, as per directions, will not have occasion to contradict my statements. I am a citizen of this city and a resident here for the last fifteen years, and am known to nearly every one and adjoining towns. Any use you may make of the above, with my name attached, is at your service, as I wish to preserve the beauties of nature in others as well as myself. I am, truly, yours, A. C. RAYMOND.

BALTIMORE, Jan. 23, 1858. WOOD'S HAIR RESTORATIVE.

Professor Wood—Dear Sir: Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans in 1854, I was induced to make a trial of your preparation, and found it to answer the very thing needed. My hair is now thick and glossy, and words can not express my obligations to you in giving to the afflicted such a treasure.

FINLEY JOHNSON. The undersigned, Rev. J. K. Bragg, is a minister in regular standing, and pastor of the Orthodox Church at Brookfield, Mass. He is a gentleman of great influence and universally beloved. WM. DYER.

BROOKFIELD, January 12, 1858. Professor Wood—Dear Sir: Having made trial of your Hair Restorative, it gives me pleasure to say, that its effect has been excellent in removing inflammation, dandruff and a constant tendency to itching with which I have been troubled from my childhood; and has also restored my hair, which was becoming gray to its original color. I have used no other article with anything like the same pleasure or profit. Yours truly, J. K. BRAGG.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/2 a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for \$3 a bottle.

THE LIVER INVIGORATOR.

PREPARED BY DR. SANFORD, Compounded entirely from Gums. Is one of the best Purgative and Liver medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human system, and when it perverts its functions, the system are fully and entirely dependent on its healthy action for performance of its functions; when the Liver is diseased, the bowels are system suffers in consequence—the Liver—being one of the proprietors in a practice of more find some remedy to correct the many de it is liable.

To prove that this remedy is at last found, any person Complain, in any of try a bottle, and con more all morbid or system, supplying in flow of bile, invigorating food to digest the blood, giving tone whole machinery, re the disease—effecting a radical cure.

Bilious attacks are better, prevented, by the Liver Invigorator. One dose after each meal will cure Dyspepsia. One dose of two teaspoonfuls will always relieve Sick Headache. One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure. Only one dose immediately relieves Cholera, while one dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness. One bottle taken for Jaundice removes all sallowness or unattractive color from the skin. One dose taken a short time before eating gives vigor to the appetite, and makes food digest well. One dose often repeated cures Chronic Diarrhea in its worst forms, while Summer and Bowel complaints yield almost to the first dose. One or two doses cures attacks caused by Worms in Children: there is no surer, safer or speedier remedy in the world, as it never fails.

EP A few bottles cures Dropsy, by exciting the absorbents. We take pleasure in recommending this medicine as a preventive for Fever & Ague, Chills, and all Fevers of a Bilious Type. It operates with certainty, and thousands are willing to testify to its wonderful virtues. All who use it are giving their unanimous testimony in its favor. EP Mix water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR Is a Scientific Medical Discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver complaint, from the worst Jaundice or Dyspepsia to a common Headache, all of which are the result of a Diseased Liver.

PRICE ONE DOLLAR PER BOTTLE. DR. SANFORD, Proprietor, 315 Broadway, New York. And retailed by all Druggists. Sold also by Hollinshead & Detrick, and James N. Durling, Stroudsburg, Pa. July 1, 1858.—1y.
