In our own latitude the weather has Republican: been not less remarkable. With the ex ception of a few days of severe weather, our climate has partaken more of character of a Southern winter.

A Clergyman arrested for Counterfeiting while Preaching a Funeral Sermon.

We had an interview with Mr. Isaac Reynolds, of Trumball county, last evening, who had just returned from Glensome land. He gave us an item of interest. On last Monday afternoon, as the Rev. Wm. Watson, the pastor of the Methodist Church in Gienwood, was County, having brought suit against the rested by officers from an a ljoining coun lages sustained by the loss of ber husty for passing counterfeit money. The band, Dr. Ogier, who was killed by the them from the house, and they concluded Company, and the Co-ts. to retire until the ob-equies were concluded. The elergyman did not accompany the procession to the grave, and the officers arrested him.

They had previously searched his house in the cellur of which they found inks, presses, papers, rolling machines, and the entire aparatus for the manufacture of counterfeit Bank bills. They also found about \$1000 in counterfeit bills, \$300 of which were 19's on the Forest City Bank of this city, and about \$200 in 5's on the State Bank of Onio. The clergyman made a clean breast of the matter. He became connected with some counterfeiters about two years ago, and as he had been in early life an engraver, he had member of the gang. He has preached in Glenwood about three years. He is about forty years old, a man of family, and has been very generally esteemed and respected by his congregation and neigh bors. He said he joined the counterfeiters to make money "to do good with."

This explanation was not very satisfactory to his pari-bioners, however, and they discarded him at once. He mut have been a nice minister. An examination of his "study" showed that he was a regular sub-criber to the Life in Boston, Yours Mi-cellaney, and other fla-h papers and the shelves of his bookease were adorned with yellow covered lives of namerous celebrated highwaymen, forgers, etc., etc. He was taken before a justice of the Peace and in default of heavy bail was committed to the County Juil to await trial before the Court of Common Pleas. The incident created a great sensation in the little town .- Cleveland Plaindouler, 11th inst.

to make application of it upon my own hair, which had become quite gray, probably onethird white; my whiskers was of the same character. Some three months since I procured a bottle of your hair restorative, and used it. I soon found it was proving what I had wished. I used it about twice a week. I have since procured another bottle, of which I have used some. I can now certify to the world that the gray or white hair has totally disappeared, both on my head and face, and
