THE GREAT WONDER

OF THE NINETEENTH CENTUKY,

PROFESSOR WOOD'S

HAIR RESTORATIVE.

Says the St. Louis, (Mo.) Democrat: Below we publish a letter to Dr. Wood, of this city, from a gentlemen in Maine, which speaks glowingly of the superior merits of his hair tonic. Such evidence must have its effect, when coming from a reliable source—If certificates are guarrantees of truth, the Dr. needs no encomiums, nor useless puffery from the press:

BATH, MAINE, Jan. 20, 1856.

Professor O. J. Wood & Co.:

GENTLEMEN: Having my attention called a few months since to the highly beneficial effects of your hair restorative, I was induced to make application of it upon my own hair, which had become quite gray, probably one-third white; my whiskers was of the same character. Some three months since I procured a bottle of your hair restorative, and used it. I soon found it was proving what I had wished. I used it about twice a week. I have since procured another bottle, of which I have used some. I can now certify to the world that the gray or white hair has totally disappeared, both on my head and face, and my hair has resumed its natural color, and I believe more soft and glossy than it has been before for twenty-five years. I am now sixty years old; my good wife at the age of fifty-two, has used it with the same effect.

The above notice I deem due to you for your valuable discovery. I am assured that whoever will rightly use, as per directions, will not have occasion to contradict my statements. I am a citizen of this city and a resident here for the last fifteen years, and am known to nearly every one and adjoing towns. Any use you may make of the above, with my name attached, is at your service, as I wish to preserve the beauties of nature in others as well as myself. I am, truly, yours,

A. C. RAYMOND.

BALTIMORE, Jan. 23, 1858.

WOOD'S HAIR RESTORATIVE.

Professor Wood—Dear sir: Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans in 1854, I was induced to make a trial of your preparation, and found it to answer as the very thing needed. My hair is now thick and glossy, and words can express my obligations to you in giving to the afflicted such a treasure.

FINLEY JOHNSON.

The undersigned. Rev. J. K. Bragg, is a minister in regular standing, and pastor of the Orthodox Church at Brookfield, Mass. He is a gentleman of great influence and universally beloved. WM. DYER.

BROOKFIELD, January 12, 1858.

Professor Wood—Dear Sir: Having made trial of your Hair Restorative, it gives me pleasure to say, that its effect has been excellent in removing inflamation, dandruff and a constant tendency to itching with which I have been troubled from my childhood; and has also restored my hair, which was becoming gray to its original color. I have used no other article with anything like the same pleasure or profit. Yours truly,

J. K. BRAGG.

The Restorative is put up in bottles of three sizes, viz.: large, medium, and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for $3 a bottle.

THE GREATEST

MEDICAL DISCOVERY

OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR,

FROM THE

Worst Scrufula down to a common Pimple

Two bottles are warranted to cure a nursing sore mouth

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of biles.

Two bottles are warranted to cure the worst canker in the stomach

Three or five bottles are warranted to cure the worst kind of Erysipelas.

One or two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst kind of ringworm

Two or three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

One to three bottles are warranted to cure the worst case of dyspepsia. I know from the experience of thousants that it has, caused by a canker in the stomach.

One to two bottles are warranted to cure sick headache.

One to two bottles are warranted to regulate a costive state of the bowels.

One to two bottles will regulate all derangement of the kidneys.

Four to six bottles have cured the worst cases of dropsy.

One to three bottles has cured the worst case of piles; a relief is always experienced. What a mercy to get relief in such an excruciating disease!

Since its first discovory, I have from time to time added various other herbs to it; of one of them, Hippocrates, the Father of Medicine, says: "It is an herb of Jubiter, and in the sign Leo.

"It openeth obstructions of the liver, gall and spleen; it is an especial friend to the liver, worth all other herbs put together; cooling it when too hot, and warming it when too cold.

"It createth an appetite, cureth all gone and sinking feelings in the pit of the stomach. easeth all pains and stitches in the side.

"It cureth the jaundice by opening the gall, and restoreth the native color of the body.

"It expels all raw, viscous and slimy humors out of the body; it cleanseth all inward ulcers and congealed blood from the kidneys.

"By opening obstructions of the spleen, it purgeth all burnt choler and melancholy vapors which riseth to the head and brain causing distressing headache, fearful foreboding of trouble, trembling of the heart, fainting and swooning.

"The herb boiled in wine is particularly good to revive the drooping spirit of the aged, and whoever has a lingering sickness after a fever, nothing restoreth him to health so quick as drinking the juice of this herb.

"The seeds boiled in water cureth the most offensive breath, and drank at bedtime, preventeth what is commonly called nightmare, and all melancholy dreams, a disease billious people are liable to."

The Father of Medicine says of another herb in this composition, that "it is an herb of the Sun, and in the sign Leo.

"The sun is the source of all life, and ruleth the heart; and this herb is the best cordial, the greatest strengthener of the heart, of any that grows; it comforteth the heart, cureth all palpitation thereof; taketh away trembling, fainting and smothering of it; yet it must be taken carefully, or severe grippings will ensue, which must be corrected with fennel seed or ginger.

"So much for this herb, between which and the adder there is the utmost antipathy; so much so that the adder will not touch him that has the herb about him."

No change of diet ever necessary—eat the best you can get and enough of it.

Directions for use. Adults one table spoonful per day—Children over ten years, desert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to opearte on the bowels twice a day.

The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.

The nett profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. HOWARD ASSOCIATION,

PHILADELPHIA.

A Benevolent Institution established by special Eudowment, for the Relief of the Sick and Distressed, afflicted with Vriulent & Epidemick Diseases.

The HOWARD ASSOCIATION, in view of the awful destruction of human life caused by Sexual diseases, and the deceptions practiced upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of diseases, in all their forms, and to give Medical advice *gratis* to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in case of extreme poverty, to FURNISH MEDICINE FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors of the Association, in their Annual Report upon the treatment of Sexual Diseases, express the highest satisfaction with the success which has attended the labors of their Surgeons in the cure of Spermatorrhœa, Seminal Weakness, Gonorrhœa. Gleet, Syphilis, the vice of Onanism or Self-Abuse, Diseases of the Kidneys and Bladder, &c., and order a continuance of the same plan for the ensuing year.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important and much despised cause.

An admirable Report on Spermatorrhœa, or Seminal Weakness, the vice of Onaism, Masturbation, or Self-Abuse, and other diseases of the Sexual Organs, by the Consulting Surgeon, will be sent by mail (in a sealed envelope). *Free of charge*, on receipt of *two stamps*, for postage. Other Reports and Tracts on the nature and treatment of Sexual diseases, diet, &c. are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the last year, are of great value.

THE LIVER

INVIGORATOR,

PREPARED BY DR. SANFORD,

Compounded entirely from **Gums,**

Is one of the best Purgative and Liver medicines now before the public, that acts as a *Cathartic*, easier, milder, and more effectual than any other medicine known. It is not only a *Cathartic*, but a *Liver* remedy, acting first on the *Liver* to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartics*. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body; and when it performs its functions well, the powers of the system are fully developed. The *stomach* is almost entirely dependent on the healthy action of the *Liver* for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, & the whole system suffers in consequence of one or the—*Liver*—having ceased to do its duty. For the diseases of that organ, one of the proprietors has made it his study in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with *Liver Complaint*, in any of its forms, has but to try a bottle, and conviction is certain.

These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, *purifying the blood*, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure.

Bilious attacks are cured, *and, what is better, prevented*, by the occasional use of the *Liver Invigorator*.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring, prevents *Nightmare*.

Only one dose taken at night, loosens the bowels gently, and cures *Costiveness*.

One dose taken after each meal will cure *Dyspepsia*.

☞ One dose of two teaspoonsfuls will always relieve *Sick Headache*.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure

Only one dose immediately relieves *Cholic*, while one dose often repeated is a sure cure for *Cholera Morbus*, and a preventive of *Cholera*.

☞ Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

☞One bottle taken for *Jaundice* removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.

One dose often repeated cures *Chronic Diarrhœa* in its worst forms, while *Summer* and *Bowel* complaints yield almost to the first dose

One or two doses cures attacks caused by *Worms* in Children: there is no surer, safer or speedier remedy in the world, as it never fails.

☞A few bottles cures *Dropsy*, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for *Fever & Ague, Chill Fever*, and all *Fevers* of a *Bilious Type*.

It operates with certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor.

☞**Mix water in the mouth with the Invigorator, and swallow both together.**

THE LIVER INVIGORATOR

Is a Scientific Medical Discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of *Liver* complaint, from the worst Jaundice or Dyspepsia to a common Headache, all of which are the result of a *Diseasad Liver*.

PRICE ONE DOLLAR PER BOTTLE.

All orders sent me, by stage drivers or others, will be promptly attended to, the same as though the person was present dealing for himself.

J. LANTZ, DENTIST

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

Something New.

The public are respectfully informed that the undersigned has opened, in the Borough of Stroudsburg, a NEW

DRUG STORE,

in the large four story building recently erected by Messrs. Fowler and Wintemute, two doors above Robert Boy's Store, where he intends keeping always on hand, a large assortment of

Drugs and Medicines, Paints, Oils, Varnishes, French and Common Glass, &c.
