A TALE OF THE TIMES AND FEATS OF MARION. BY GEORGE ALBANY, ESQ. Author of the "The Orange-Girl, of Venice." "Th Swamp Steed," "Rube the Ranger," etc. etc.

will be commenced in

THE NEW YORK MERCURY

Of Saturday, April 30, 1859, Now ready at all News Depots & Bookstores. No character in history offers a better subject for the romancer, than that of MARION, or, as he was familiarly called,

"THE SWAMP FOX." from the immense ingenuity of his stratagems and devices for misleading and deciving the enemy, his thorough knowledge of the woods, forests, fields, and swamps of his native region, where he and his gallant band were

perfectly at home, while their enemies be-

came lost and bewildered in the labyrinthine

mazes of undergrowth and morass. The story above announced is a true reflex of those scenes and times, and its talented author has most vividly portrayed, therein, the many exciting incidents and accidents of a tenacious and indefatigable struggle for Liberty, pursued under the most adverse circumstances. Every chapter is replete with exciting and romantic interest; historically accurate, but with a sparkling web of poetry woven through it, which makes it at once a brilliant story and a veracious record. The strongly-written descriptions of events-the ambuscade-the sudden sortie-the night attack-the wild charge and repulse-are all

wonderful as examples of word-painting, and equally true to the actual facts. In addition to these scenes of heroism and lofty daring, the Swamp Fox is not without the gentle charm of a love-story, for the working and effects of the tender passion are depicted in its pages, as truely and artistically as the sterner emotions, rendering the tale a perfect picture of life and character in the Days of the Revolution, which cannot fail to appeal to the admiration, and gratify the patriotism in his soul.

the gifted author, GEO.
